OFFICIAL PAPER OF SIOUX COUNTY.

Geo. D. Canoe, Editor.

Entered at the Harrison post office as second class matter.

The republican papers throughout the country would make the people believe that W. J. Bryan was the cause of Senator Allen's defeat. But the senators Jetter made public through the republican as well as the reform press should satisfy all fair minded people except the partisan blinded and most prejudiced whom an angel of light could not convince.

According to a special dispatch to the daily World-Herald from Valentine of the 18th inst. Capt. A. G. Fisher of Chadron, is being groomed as a dark horse for the U. S. Senate to succeed the Hon. William V. Allen, which of course he will never be able to do, but however that may be if we must have a republican for U. S. Senator, by all means let Chadron have the office as she wants everything in sight--though she did not quite succeed in electing reformer Harbaugh of Chadron for county attorney--and as a matter of fact her wants should be gratified.

Captain Fisher, the hero of camp Thomas, wherein he distinguished himself in the defence of Col. John G. Maher and put to flight Colonel Grant, together with Company H, Nebraska, Volunteers was a winning card in the late representative campaign in this 53rd district. A study of the official vote of Lawrence county would indicate that the entire company had cheerfully supported Captain Fisher. And the JOURNAL congratulates him on his campaign against so great odds in the district. But to those reformers who yell themselves hoarse 364 days in the year for reform and the 365th day go and vote for candidates, whose principals are diametrically opposite, is beyond the comprehension of finite beings.

It is not so much of a question who the republicans will elect to the U. S. Senate whether it will be John Low What Webster, Sheeny Rosewater, or any other tool of monopoly. But the question that confronts the reform forces is how to get rid of the hoodlums and shysters that infect its own ranks. The old ship should be dry-docked and have the barnacles scraped off. How to do it? why do not allow them to have anything to say either in caucus or conventions, thereby force them into the republican party where they belong, for every barnacle forced out fifty honest citizens will join our ranks. By all means get rid of the barnacles, start the good work in Chadron and Crawford. Senator Mutz and Hon. Lewis Gerlach were not defeated by the republican party, for Mr. Gerlach received more republican votes than any reform candidate ever received in the past of this county. But they were defeated by the barnacles in the reform ranks.

Hon. Lewis Gerlach ran behind the fusion state ticket in each of the three counties as follows:

| | | |
|---------------|---------|--------------|
| Lawes county, | Poynter | 588 |
| " " | Gerlach | 490 Short 98 |
| Box Butte " | Poynter | 378 |
| " " | Gerlach | 358 " 23 |
| Sheridan " | Poynter | 348 |
| " " | Gerlach | 498 " 50 |

Thus, it will be seen that 178 votes more were given to governor elect Poynter in these three counties by the fusion voters than Mr Gerlach should have had which were given to Mr. Fisher.

To the JOURNAL, it is as if the populist party in these three counties had it in for Blount counties candidate because the people in this county even dared to ask for recognition and they have defeated a man who is too honest and loyal to belong to the party.

Can any of the leaders of the fusion parties explain in these counties why it is that Mr. Gerlach fell behind in these counties; none has been made yet. It looks as if there was a "nigger in the wood pile" some where down that way.

Regarding what Hon. W. J. Bryan has to say about the late election we clip from the daily World-Herald and to our mind on general principals are correct:

"A light vote was cast in Nebraska but the fusions have elected the entire state ticket and carried out the same congressional districts that they carried in 1896. If senator Allen is defeated for re-election it will be because senators are elected by legislatures instead of by the people. If a republican senator is chosen by the legislature he will go to Washington to represent a minority of the people of the state and to thwart the will of the majority."

"The people have not accepted the gold standard; they have not fallen in love with the plan to give the banks a monopoly of the issues of paper money; they have not decided to retire the greenbacks; they have not surrendered to the trusts."

"These questions were forced into the background by the declaration of war, but they must be faced again as soon as peace is restored. The Chicago platform presents for public consideration certain vital economic questions. That platform has not been abandoned by those who endorsed it in 1896. It will be reaffirmed in 1900 because it gives expression to the hopes and aspirations of a large majority of the party."

"When the democrats, populist and silver republicans favored Cuban independence they understood that war would give a temporary advantage to the party in power, but they were willing to risk defeat in order to aid a people fighting to be free."

Ban off Masonry.

Decree of the Pope of Interest to Secret Society People. (Chicago Times-Herald.) Roman Catholics in Chicago who were virtually excommunicated some years ago because of the papal decree forbidding them to belong to secret societies, rejoiced yesterday when they learned that the ban had practically been taken off. The decree issued from Rome permitting the interment of Roman Catholics in consecrated ground, though they belonged to secret societies and particularly to the Masonic order, is considered to be as sweeping as the original decree excommunicating those who did not resign from such orders and organizations. It nullifies the drastic decree of seven years ago and it is claimed will reconcile hundreds of Roman Catholics to the church who were banned because of their affiliation with the Free Masons.

The decree regarding those who are members of the Masons and other orders caused heartburning and bitter sorrow among many faithful Catholics who believed in the Masonic organization, the Knights of Pythias and others, because of their benefit attachments. To a Roman Catholic the new decree is just as sweeping as the one which it virtually wipes out of existence. The new decree allows a priest to officiate at the burial and permit the interment of a Roman Catholic Mason or Knight of Pythias in consecrated ground. The only provision made is that the deceased must not have been an openly hostile and that he must have expressed at some time, even if indirectly, a willingness to become reconciled to the church. This concession means everything to the families of the men who thought it was consistent with their faith to belong to such orders, notwithstanding the original drastic decree. It is said it will heal many painful wounds and will have a great influence preventing bitter feeling and dissension. If a deceased Catholic who belonged to a secret order may be buried in consecrated ground, it is contended that the church will open their doors to him before he dies and that he will no longer be banished and refused the rights of the church, even though he does not give up his membership in the order to which he belongs.

Women should know it.

Many women suffer untold agony and misery because the nature of their disease is not correctly understood. They have been led to believe that womb trouble or female weakness of some sort is responsible for the many ills that beset womankind.

Neuralgia, nervousness, headache, puffiness or dark circles under the eyes, rheumatism, a dragging pain or dull ache in the back, weakness or bearing-down sensation, profuse or scanty supply of urine with strong odor frequent desire to pass it with scalding or burning sensation, sediment in it after standing in bottle or common glass for twenty-four hours are signs of kidney and bladder trouble.

The above symptoms are often attributed by the patient herself or by her physician to female weakness or womb trouble.

Hence so many fail to obtain relief because they are treating, not the disease itself, but a reflection of the primary cause which is kidney trouble.

In fact women as well as men are made miserable with kidney and bladder trouble and both need the same remedy.

Dr. Kilmer's Swamp-Root is the great discovery of the eminent kidney and bladder specialist and is easy to get at any drug store for fifty cents or one dollar.

To prove its wonderful merits you may have a sample bottle and book telling all about it both sent absolutely free by mail. Kindly mention THE SIOUX COUNTY JOURNAL and send your address to Dr. Kilmer & Co. Binghamton N. Y.

A Sure Sign of Croup.

Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it saves them much trouble and worry. It can always be depended upon and is pleasant to take. For sale by Dr. J. E. Phinney.

From New Zealand.

Reefton, New Zealand, Nov. 23, 1898. I am very pleased to state that since I took the agency of Chamberlain's medicines the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children. E. J. Scantlebury. For sale by Dr. J. E. Phinney.
