OFFICIAL PAPER OF SIOUX COUNTY.

Geo. D. Canon, Editor.

Entered at the Harrison post office as second class matter.

The financial question was touched upon very lightly in the president's message.

President McKinley did not outline any foreign policy in his message regarding the Philippine question.

Congressman Cousins of Iowa has come to the front with a bill to make the gold dollar the standard of value.

Everybody should read the president's message, which was delivered to both houses of congress on Monday noon.

Where the campaign was fought out along the lines of the Chicago platform, it was there where the democrats made phenomenal gains.

The President in his message to congress recommends that the standing army of the United States be increased to 100,000.

President McKinley declares in his message, that Cuba must be assisted to permanent, self-government, which is right and proper.

Gov. Tanner of Illinois, has been indicted by the Panax grand jury for malfeasance in office and also for failing to do his duty, relative to the miners strike in that city a month ago.

"Coin" Harvey of Chicago, is now engaged in lecturing in the principal cities throughout the Union and collecting funds to be used in carrying on the free silver campaign of 1899.

Congressman Sulzer of New York, immediately after the convening of congress introduced a resolution to investigate the conduct of the war department by that august body.

Comptroller of the national currency and banking system comes out boldly against the McHenry finance bill, declaring it would be giving the national banks too much power against the smaller ones of the country.

According to President McKinley's message to congress he does not intend mustering out the U. S. Volunteers until congress shall make provision to increase the standing army and authorize him to enlist regulars to take the place of the volunteers.

Sec. Gage, true to the courage of his gold standard convictions, recommends the passage of the McHenry finance bill in his report to congress. Thus it will be readily seen the gold standard people are becoming quite arrogant, and mean to have just what they want regardless of a majority of the people of the country.

In 1890 the republican party was the emancipators of 4,000,000 slaves; today they are in favor of imperialism, and will no doubt legislate in favor of making a vassal state out of the Philippine islands which are now about to come into our possession by conquest. Oh! how art the mighty fallen.

The Kidney Complexion.

The pale sallow, sunken cheeked, distressed-looking people you so often meet are afflicted with "Kidney complexion." Their kidneys are turning to a parasitic color. So is their complexion. They may also have indigestion, or suffer from sleeplessness, rheumatism, neuralgia, brain trouble, nervous exhaustion and sometimes the heart acts badly. The cause is weak, unhealthy kidneys.

Usually the sufferer from kidney disease does not find out what the trouble is until it is almost too late, because the first symptoms are so like mild sickness that they do not think they need a medicine or a doctor until they find them-

selves sick in bed. Dr. Kilmer's Swamp-root will build up and strengthen their weak and diseased kidneys, purify their diseased, kidney-poisoned blood, clear their complexion and soon they will enjoy better health. You can get the regular sizes at the drug store, at fifty cents and one dollar or you may first prove for yourself the wonderful virtues of this great discovery Swamp-root by sending your address to Dr. Kilmer & Co., Binghamton, N. Y. for a sample bottle and a book that tells all about it, both sent to you absolutely free by mail. When writing kindly mention that you read this liberal offer in the SIOUX COUNTY JOURNAL.

ALONE AT CHRISTMAS.

If in this age of organizations innumerable there is room for one more, it is for an organization which would bring together, especially on Christmas, those who are alone in the world, particularly women who are alone. I do not think that many of us who have our kin closest to us on Christmas Day stop to realize what our feelings would be if they were not with us. It is so hard to imagine ourselves in a position other than the one we are in. And yet that position might easily be other than it is. With many that position is otherwise than God has made our own; a fact we are all apt to forget. We remember some poor family at Christmas, but at least it is a family. It is together. The one is company for the other, even in poverty. We remember the sick, God blesses those who do. But I wish some of us might cast a look around and give a thought to those who are not sick, who are not perhaps poor as the world judges; yet who are alone. Some girl, perhaps, alone; some woman alone; some young man; some old man alone! A-oh! at Christmas!—Edward Bok in the December LADIES HOME JOURNAL.

We Need Our Money.

Parties who are in arrears on subscription to the JOURNAL for one and two years are requested to settle by January 1st next. It costs us money to run the paper and we feel the price of one years subscription \$1.00, is not much to pay for the JOURNAL and it will very materially assist in making the paper better for the next year. We hope to make some improvements in the machinery of the office the coming year and we will need what is due us to do so. We have over \$500, on our books and we must have them balanced up by the end of the year. GEO. D. CANON, Editor and Proprietor.

Some Plain Facts.

Grave errors, injustice, wrongs of greater or less degree, arise from lack of knowledge of the truth, and more frequently from deception.

The most infamous case on record of deception and injustice is the attempt to demonetize silver as a money of final redemption in the United States.

There is no learned judge, skilled lawyer, or court of justice that is capable of reconciling the effort with the constitutional laws that govern the issue of money in this country.

The people have been deceived, officials in power, chosen to administer justice under the laws, have ignored their sworn duty, and given aid to the scheme that has paralyzed industry, reduced property values one-half, and beggared millions.

There is no authority of law, either specific or by inference, by which gold alone is made the only money with which to discharge debts, either public or private. The effort to make it so is unconstitutional and a national calamity.

Plain and ample information, facts, and truth, concerning this almost successful scheme to corner the wealth of the people, is now being printed in the Cincinnati Enquirer, a newspaper which the combined power of money has failed to muzzle or buy.

The Weekly Enquirer is only 75c a year. The address is Enquirer Company, Cincinnati, O.

MONTHLY SUFFERING.

Thousands of women are troubled at monthly intervals with pains in the head, back, breasts, shoulders, sides hips and limbs. But they need not suffer. These pains are symptoms of dangerous derangements that can be corrected. The menstrual function should operate painlessly.

McELREE'S Wine of Cardui

makes menstruation painless, and regular. It puts the delicate menstrual organs in condition to do their work properly. And that stops all this pain. Why will any woman suffer month after month when Wine of Cardui will relieve her? It costs \$1.00 at the drug store. Why don't you get a bottle to-day? For advice, in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

Mrs. ROZEMA LEWIS, of Danville, Texas, says: "I was troubled at monthly intervals with terrible pains in my head and back, but have been entirely relieved by Wine of Cardui."
