### READ THE JOURNAL THIS WEEK.

We are requested to announce that there will be Mass celebrated in Harrison, at the residence of Anton Moravek at 10 o'clock, Feb. 11, 1899.

Be sure you read the JOURNAL's new clubbing rates this week.

The last three or four days have been sure enough winter weather.

Remember there will be Lutheran services at the M. E. church, on next Saturday.

F. B. Hamlin, of Pleasant Ridge, was in Harrison the first of the week on business, remaining over night.

Mr. S. B. Langworthy will with this issue inscribe his name among our readers. All well ordered homes consider the JOURNAL an indispensable necessity.

Miss Lizzie and Louise Gerlach, left on last Monday evening for Chadron, where they will enter the employ Mr. Ed. Batteries, the proprietor of the Blaine Hotel in that city.

Mr. J. McCrawen, of Seward, who has been in Harrison during the past two or three weeks with a view of locating there in the near future, received a telegram on last Saturday evening informing him of the serious illness of his wife, he left for home the same evening. We understand the gentleman was most favorably impressed with this neighborhood and soon he can expect visitors in Seward he intends to return and become a resident of Sioux county.

F. AVERY, Agt.

Rev. Burleigh, of Crawford was in town last Monday.

January 1899, was ushered into existence like a lamb, but went out like a lion and roaring too.

Miss Claudia Hester, who came up from the Chadron Academy a week or two ago to attend her parents while they were ill of influenza, returned to Chadron on last Friday evening to resume her studies.

Mrs. A. R. Dew, left for Lincoln on last Monday evening, where she will remain indefinitely, she will also take treatment from an experienced Osteopath for her rheumatism, she took her youngest nephew with her, and the older boys will for the present at least remain in this vicinity and work.

Today is ground-hogs day, and according to an old legend, if he sees his shadow on the 2nd day of February, it means six weeks more winter, and he returns to his den where he will continue to hibernate until about the middle of March. On the other hand should he fail to see his shadow February 2nd, he remains out and spring is supposed to have come.

The east-bound train from Casper, due in Harrison Tuesday, at 8:05 p. m., did not arrive until the next morning at 10 o'clock, caused by the blizzard which commenced the evening before, and from all reports the storm was very much worse the farther west it extended. The snow plow from Chadron, went west yesterday morning to clear the track of drifts, and without doubt trains will be running regularly from now on. The mail train from Chadron, due here at 11:20 a. m., yesterday was five hours late as a result of the snow blockade.

Postmaster Bogart went to Chadron Tuesday evening to be examined for an increase in his pension. Mr. Bogart only receives 8 dollars a month, and we believe he, or any other old soldier, regardless of disabilities should receive at the very least \$12, per month. Any man who was willing to risk his life and his general health to help save the Union when it was assailed by an enemy, deserves to be richly rewarded and it is our dearest wish that the department will not neglect his claim for an increase. Few years more will elapse before the old soldiers will all be gone and the nation will be none the worse off for having cared for the old soldiers.

Harrison, Neb.

To parties wishing rugs woven, I desire to say that I will do rug-weaving during the first two weeks of March. MRS. H. A. PHIDY.

We learned only last evening that a deal is on foot whereby Jeff. Hewett and Frank Wright are liable to become owners of the Andrews hall building. It is said though we could not learn for certain, that their object is to remodel the building, and have it changed into a first class hotel and Frank Wright is to become the popular landlord.

Prof. Irl R. Hicks predicted that the month of January, would go out in a storm. Every one in this country knows whether or he missed it or not.

We learn through an indirect source that Father Waldron, of Chadron, has been changed to some other mission or parish church, doubtless on account of the laborious work of this mission as his health is very poor.

We understand a number of Nebraska students now at the school of Osteopathy at Kirksville, Mo., are most anxious to have a bill passed by the present state legislative session making the practice of osteopathy in this state legal. We see no reason why they should not be permitted to practice, as they give no medicine so if they do not help their patients they certainly cannot hurt them.

S. B. Langworthy and brother of Seward, came up and each filed on a quarter section of land, in the neighborhood of Chet. Unit's last week. One of the brothers we understand is now in the vicinity of Alliance, buying cattle, to stock up their prospective ranch, now in its embryonic state. The boys expect to move out on their ranch within the next four or six weeks. We understand an elder brother is backing up the scheme, financially, and will assist the boys in fixing and stocking up one of the best ranches in Sioux county. Of course it must of necessity take time labor and a little money to put a ranch in shape, before any returns will begin to come in but we believe Sioux county ranches, when once in running order will yield big returns for the amount of money it takes to stock up with.

#### Dangers of the Grip.

The greatest danger from Lagrippe is of its resulting in pneumonia. If reasonable care is used however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for lagrippe we have yet to learn of a single case having resulted in pneumonia which shows conclusively that this remedy is a certain preventive of that dangerous disease. It will cure lagrippe in less time than any other treatment. It is pleasant and safe to take. For sale by Dr. J. E. Phinney.

NOTICE:—Preaching every other Sabbath at 11:00 o'clock a. m., and every Sabbath evening at the M. E. church. J. L. KENDALL, Pastor.

W. F. Morgarize, of Valentine, who has been rusticated out at the ranch of his brother-in-law and sister, Mr. and Mrs. James Nolan, of Warbonnet during the past week, returned to his home on last Thursday evening. Mr. Morgarize was a candidate for Superintendent of public instruction in Sheridan county on the fusion ticket last fall, but was defeated by the stay at home voters, which was done not only in his county but likewise all over the state.

The following is a letter written to the Head Camp, Woodmen of America. Harrison Neb., Jan. 28 1899. C. W. Hawes, Head clerk of M. W. A. Rock Island, Ill.

Rock Island, Ill. Jan. 27, 1899. J. W. Smith, Harrison, Neb., Esteemed Neighbor:—

In June 1890, two benefit assessments were levied in this society, however, in that year we only had eleven assessments, and the order has not had to exceed eleven assessments in any one year. In 1897 and 1898 we had only ten assessments each year.

Yours fraternally, C. W. Hawes Head clerk M. W. A.

#### For La Grippe.

Thos. Whitfield & Co., 240 Wabash St., corner Jackson street city of Chicago oldest and most prominent druggists recommend Chamberlain's Cough Remedy for lagrippe, as it not only gives a prompt and complete relief, but also counteracts any tendency of lagrippe to result in pneumonia. For sale by Dr. J. E. Phinney.

NOTICE:—There will be Lutheran services at the M. E. church Saturday, Feb. 4th, 1899, at 2 o'clock P. M. REV. F. G. WINGES, Pastor.

Notice to Sioux County Tax-payers.

Distress warrants will be issued on all delinquent personal taxes in Sioux county, including those of the year 1898, during the coming spring and summer. No further notice will be given. Tax-payers knowing themselves to be in arrears will save costs of levy by settling at once. CHARLES BISHLE, County Treasurer.

Mrs. Jerry Wills jr. and children left on last Friday evening for Gordon, to visit with her parents for a month or six weeks.

Mr. Claus Christensen, of Montrose was in Harrison this week on business, M. J. Biewett, bought a cow of him a couple of weeks ago, Mr. C. brought her over this week.

Mr. and Mrs. C. L. Christian of Kirksville, were down on last Wednesday evening, to meet their daughter, who has been ill at Orrin Junction, but she failed to come.

#### Over in Wyoming.

The past week has been such a stormy and blustering one that your pencil pusher in this part failed to obtain many items for this issue.

The new books for the Pleasant Ridge school arrived here January 19th and the scholars are now fully supplied, and making up for lost time.

While cutting wood on Wednesday of last week, J. H. Newlin met with a peculiar accident which nearly cost him an eye. While striking a hard knot with all the force he could muster, the ax caught on an overhanging clothes line and the poll of the re-bounding ax struck him with such force in the face as to knock him down. His nose was badly bruised and a deep cut was made just above the left eye from which the blood flowed quite freely. Mrs. Newlin had to conduct the school that day while he laid up for repairs. At present he carries a very black eye.

Mrs. Knott is still storm bound at Mrs. A. Christian's. She intended returning home on Thursday of last week, but up to this writing Jan. 30—she is still in Wyoming.

BORN—To Mr. and Mrs. Zembrunen, on Friday, Jan. 27, 1899, a son.

A postal card from Miss Dora Christian at University Place, Nebraska, says that her brother Charles, is very sick with the measles. They both went there last September to attend college, and are expected home in March.

Ray Whipple, who carries the mail from Kirksville to Lusk, has made arrangements whereby he will go to Lusk one day and return the next. The trip is too hard on a horse to make the round trip in one day as heretofore.

The latest report from Miss Amy Christian to the effect that she is still sick at her boarding place near Orrin Junction. As soon as she is able to travel she will come home.

Ray Whipple quit school on last Monday on account of carrying the mail. ZEPHYRUS.

NOTICE:—Mass will be celebrated at Harrison at 10 o'clock a. m., every Saturday before the Second Sunday of each month. M. P. WALDRON, Pastor.

#### OBITUARY.

At Rest—Dewey Francis, son of Mrs. Addie A. McDermott, was called to the arms of his Savior, at 10:30 o'clock p. m. on Wednesday, Jan. 18, 1899, and was laid to rest Friday in the Pleasant Ridge Cemetery.

The little one was sick but four days, every thing that could be thought of was done to save the little life, but in vain.

He was eight months old the day before his death.

The funeral services were conducted by O. A. Garton, at the home of Mr. Frank Church, grandfather of the little one.

The mother, little brother and many relatives have the heartfelt sympathy of a large circle of friends in their sad bereavement.

Our little Dewey, is at rest; God called our dear one home. It was so hard to give him up. But, God must claim his own. We know, he is an Angel, now. Innocent, pure, and fair; His suffering is ended. He is happy "over there." —By O. A. G.

#### Card of Thanks.

We wish to thank the many friends and neighbors, who so kindly assisted us during the sickness and death of our beloved baby, Dewey, who was so suddenly taken from us.

MRS. ADDIE A. McDERMOTT, MR. & MRS. FRANK CHURCH, AND FAMILY.

#### Largest Ranch in The World.

It seems natural that the largest ranch in the world should be found in the largest state in the Union—Texas," writes William Clinton in the February Ladies Home Journal. Indeed this ranch is so extensive that some states could not contain it. Connecticut, for example could not hold it by several thousand acres. The two states of Rhode Island and Delaware combined could not contain this immense ranch, which consists of three million acres, or about five thousand square miles.

"About a dozen years ago, when Texas needed a new state capitol, the legislature adopted a novel plan to get it. A promise was held forth that a vast tract of unappropriated land would be given in exchange for a suitable granite building at Austin. Among those tempted by this offer were ex-Senator Charles B. Farwell and his brother John, who ultimately formed a syndicate in Chicago and took upon themselves the responsibility of erecting the proposed capitol. Their part of the agreement appears to have been carried out to the satisfaction of the state, and in due time they came into a possession of the immense domain now known as the X. I. T. ranch."
