BORN—To Mr. and Mrs. J. H. Bartell last night a boy, about the usual weight—Mrs. L. C. Wright, who has been so very sick this week is now very much improved.

—Mr. and Mrs. Wiltz, Earnest, were up from Running Water on last Tuesday, doing trading.

—Miss Claudia Hester, went to Chadron, on last Saturday evening, to attend the commencement exercises at the Academy.

—Mrs. Walker, of Warbonnet precinct has been a guest at Mrs. E. J. Wilcox's mansion on the east side, during the past few days.

—M. J. Blawett, and Frank Lindeman went to Ardmore this morning, the former on business, the latter to enjoy the scenery.

—J. H. Newlin, of Pleasant Ridge was in Harrison yesterday after some necessary utilities for the school up in his neighborhood.

—Ed. Bowler, of this village left for Lusk, to complete work which he commenced last fall. He expects to be gone some three weeks.

—A number of Roy Mair's young friends surprised him on last Monday evening, a pleasant time was spent by all and the latter was not forgotten, and as the wee small hours of the were drawing near the guests departed.

—M. J. Blawett, returned from Lincoln, Tuesday, where he went last Thursday to appear at the hearing, relative to the Carle's appointment by the governor as judge and master commissioner. He reports that the appointment of Mr. Carle was withdrawn.

—H. A. Hanson, of Five Points, was in town yesterday, had in conversation with the editor of the JOURNAL, and one good eye he perceived a fine Harvard ball of B. B. O'Brien, with which he was doing some business, and that he could have been a better if he had imported the ball from O'Brien's store, had

—Hill Shatto is now engaged in drilling a well for Dan Slattery.

—Grandpa Wright, is about as busy a man as you can find now-a-days.

—Virgil Hester, went to Sioux city on last Saturday night to buy cattle.

—M. J. Gayhart of Montrose, was a visitor at the Hub one day this week.

—Mr. and Mrs. Sheman, were up from their Sheep creek ranch this morning.

—Mr. and Mrs. John Berres, of Five Points were Harrison visitors on last Monday.

—On next Sunday, the Rt. Rev. Bishop Scaenell of Omaha, will administer confirmation at the Montrose church.

—Editor Davis, of the press, went to Ainsworth, on last Friday evening to attend the "quill pushers meeting and banquet" at that place.

—We are very much pleased to state that Mrs. Williams, who has been under the doctors care during the past several weeks is now able to be about again.

—Egbert Rohwer, who has been so very sick for a long time is now able to be out again he is a little slow in his gait but each day he is gaining strength this his friends will be pleased to hear.

—A brother-in-law of Andrew McGinley, Mr. David Sifus, arrived here from Butler, Penn., last Saturday and will visit at the McGinley mansion for a couple of weeks. Mr. Sifus comes direct from the oil regions of Pennsylvania and has been engaged in the business, we understand for 30 years.

—The Sioux county teachers institute, will be held in Harrison from July 17th to 22nd. Two of the very best instructors possible have been secured one from Lincoln Neb., Prof. Percy Purviance, and the other from Lewistown, Montana Prof. F. M. Vancil. This is a rare opportunity and all teachers should avail themselves of it.

—Mrs. Hall, who left here last winter for South Dakota, to make her home with her son Jesse came in on last Tuesday noon accompanied by another son and his wife and will visit with grandpa Hall and her son Matt down in valley for a short time, but Jesse will return to his duties on next Saturday evening, he is now at Long pine.

—Mrs. F. M. Smith of Five Points, returned from Chadron, Tuesday where she has been for two or three days looking after a class in painting. While there she obtained work in fine art painting which she will do out at her country home. The little boy of Mr. Carley's in Chadron an old acquaintance accompanied Mrs. Smith for a short visit.

—Last evening Dr. Phinney was called to make a trip thirty miles North-West of town, on Indian creek to set a broken leg for Faber Irons, caused by the upsetting of the wagon which he was driving. He, and his mother and sister and two children were on their way to Harrison where they were going to make a visit. The folks live in the southern part of this county and of course this will not be pleasant news to the rest of the folks at home. The unfortunate young man will be brought to town and probably be taken to his home on Sunday.

—John Blomberg, was up from Glen, yesterday and filed on a quarter section of Sioux County soil. While here he did not forget to say a friendly "how" to ye editor.

—Report, comes from Lusk by telegram that Sheriff Hazen, of Converse county Wyo. had been shot and seriously wounded in trying to capture the U. P. train robbers, west of Caper about 10 miles on last Monday afternoon. We learn through Andrew Christian, who sent a telegram to Lusk Tuesday, asking for information as to Sheriff Hazen's condition that the chances are against his recovery. LATER, word came from Douglas on the evening train that Sheriff Hazen died Tuesday evening at 8:30 o'clock. It is earnestly hoped that the robbers may be apprehended and punished commensurate with the crime committed. It is too bad that a good man's life should be sacrificed for a desperado.

—The village of Harrison is just now passing through another severe trial, that is setting to be most too common to be pleasant for its citizens. The past week the village wind mill has been broken and out of repair, so that it has been about all the residents of the town could do to get sufficient water for cooking and drinking purposes, say nothing about the stock that have to depend entirely upon the town well for water to quench their thirst. As stated in last week's Journal, we still maintain that there should be a watering tank down at the pump house which would lessen the work of the windmill, get the cattle and horses out of the streets and in our opinion would be advantageous to the residents of town in more ways than one. In all probability the mill will be fixed up by the close of the week. One cause of the mill being shut down so long is, the broken casting had to come from the factory at Chicago and then it has been hard to get help to repair the mill after it comes.

Card Of Thanks.

To the many friends who so kindly assisted us in taking care of our husband and father while in life and gave us words of condolence in our bereavement we wish to express our sincere thanks.

Mrs. F. M. UMPHREOUS AND CHILDREN.

Bad management keeps more people in poor circumstances than any other cause. To be successful one must look ahead and plan ahead so that when a favorable opportunity presents itself he is ready to take advantage of it. A little forethought will also save much expense and valuable time. A prudent and careful man will keep a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house, the shiftless fellow will wait until necessity compels it and then ruin his best horse going for a doctor and have a big doctor bill to pay, besides; one pays out 25 cents, the other is out a hundred dollars and then wonders why his neighbor is getting richer while he is getting poorer. For sale by Dr. J. E. Phinney.

Mr. John Bevis, editor of the Press Anthon, Iowa, says: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in my family for fifteen years, have recommended it to hundreds of others, and have never known it to fail in a single instance. For sale by Dr. J. E. Phinney."

Preaching every other Sabbath at 11 o'clock a. m., and every Sabbath evening at 8 o'clock at the M. E. church. Every body invited to attend.

MRS. MAGGIE ROSECRANS.

I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy, by a friend, who knowing me to be a poor widow, gave it to me, I tried it, and with the most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. I gave this certificate without solicitation, simply in appreciation of the gratitude felt for the cure effected.—Respectfully Mrs. Mary A. Beard, Claremore, Ark. For sale by Dr. J. E. Phinney.
