—On last Saturday, the North-western Press, got out its last issue the reason and we believe it to be a most important one as editor Davis stated in his farewell; Harrison is not large enough to support two papers. —This issue will mark the close of the 11th year of the JOURNAL, and its starts out, promising hopes to live yet many years. We thank our friends and patrons who have so generously supported us in the past, and we ask for a liberal share of their patronage in the future, as our "motto" is and ever shall be to try and state facts just as we know them to be, always having the interests of our readers at heart and endeavoring to edit an upto date, clean newspaper. A few years ago we came among you a stranger and have but the warmest words of gratitude for the treatment received.

—Now we have but this to add, we have come to stay and the interest of the people of Sioux county are our personal interests as we shall endeavor to demonstrate more fully as circumstances may occur. Again we thank all our subscribers and patrons.

Persons troubled with diarrhoea will be interested in the experience of Mr. W. M. Bush, clerk of hotel Dorrance, Providence R. I. He says: For Several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duties at this hotel. About two years ago a traveling salesman kindly handed me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. Whenever I felt symptoms of this disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by Dr. J. E. Finney.
