OFFICIAL PAPER OF SIOUX COUNTY.

Geo. D. Canon, - - - Editor.

Entered at the Harrison post office as second class matter.

Ex-Governor Holcomb, gets the plum for supreme Judge.

Major Russell Harrison is among those stricken with yellow fever, at Cuba. His condition is alarming.

The city of Victor, Col., was almost wholly destroyed by fire on last Monday, all of the business portion of the city was wiped out. No insurance on any.

The First Neb. regiment will start from San Francisco, today, over the Burlington road on a special train for home. Thus Nebraska honors her heroes. Later on they will be given a public reception and banquet at Lincoln.

Why should republicans make so much fuss about the Governor's house rent when a republican legislature appropriated \$25,000 to purchase an executive mansion? When it is known that the house rent fund was not all spent and that which was expended, every cent wisely accounted for, there is nothing discreditable about the transaction to disconcert anyone.

Admiral Dewey speaking of the war in the Philippines denounces the conduct of President McKinley, and says further the Filipinos are competent to govern themselves, and should be permitted to do so, by the withdrawal of U. S. troops therefrom, and thus would cease this wholesale butchery of human lives, which are now sacrificed to please this Hancroft administration, of which the president is the slave. And yet how many there are who exult in this war for "humanity's" sake. Is it such? If so what constitutes murder?

The famous train robbers known to the public as the hole-in-the-wall robbers, are hemmed in, in Dawes county, detectives without number now surround them, and feel sure they cannot get away from them, this time. They got onto the racket through a woman who is in with the gang of robbers and who had plenty of the stolen bank notes in her possession. The gang are known in these parts, and have influential friends all through Dawes county, who are ready to make some very plausible excuses for them, this the officers fear.

We learn through our special correspondent at Chalron, that our friend Hon. Allen G. Fisher, Chickamauga's mighty hero, is now away down at the hotel, because he has as his accustomed "wont wanted" and still wants to be congressman or even district judge would do, but the Dawes county political kettle boiled hard and boiled over, thus dashing the cherished desire of the capt. to the dust and now 'he is out in the cold.

Evidently some of them down there have not allowed the dust to obscure their minds eye.

There is a great deal of good about President McKinley's administration, but the republicans press need not turn wholly aside from their "beautiful white world" to find all the scandal it wants. We don't believe the republican party, in all its splendid and non-splendid history, ever carried a greater quantity of scandal than it has in stock at the present writing, and the Lincoln State Journal and Omaha Bee, two of the administration's high sounding cymbals when they assail the official character of this state, in such a ludicrous manner as they do, must be aware of the fact, and hence in the eyes of the public is trifling to an extent painful to behold. We would not care to be that kind of party newspaper. To be so intensely inconsistent does not alarmingly conduce to happiness in this vale of tears. The Journal and Bee should move out of their big glass houses!

Two Candidates for the Sixth.
Hon. M. C. Harrington, of Kearney, was nominated by the democratic congressional convention, at Lexington, Neb., on the 18th inst. and Hon. Judge Neville of Noth Platte, was nominated by the populist party.

Chadron Cattle Man Killed
by a Sheep Herder.

A shooting affray, growing out of the old row between cattlemen and sheepmen, occurred last Tuesday morning on the range southwest of Chadron. George Coll, a sheep herder, instantly killed Thomas Ryan, a cattleman. Coll claims self defense.

SCHOOL LAND.
I will hold a public auction for leasing school land in Sheridan county on Sept. 5th, and a similar auction for leasing land in Cherry county on Sept. 7th, both auctions to be held at the offices of the respective county treasurers, and the land will be sold under the following provisions of the new law:

If after using due diligence to lease said land, at an annual rental of six per cent, upon the appraised valuation, the Commissioner is unable to do so, he may offer the same for lease at not less than the appraised valuation and lease it to the person or persons who will pay six per cent on the highest offered valuation, as annual rental, if, in his judgement, it is the best interests of the state to accept such bid.

Lists of these lands will be cheerfully furnished upon application.

I will also have auctions for leasing school lands in Blain, Box Butte, Grant, Garfield, Hooker, Logan, Loup, Sioux and Thomas counties Sept. 18th, and 30th, and I will cheerfully furnish lists of any of the lands to be offered at these auctions, and the dates thereof, upon application.

If any of these lists are desired, please send me immediately, by Postal Card, your name and address, as well as the addresses of your friends who would like to have these lists, and specify the lists wanted.

SCHOOL LAND LEASING.

The following described school lands in Sioux County will be offered for lease at public auction at Harrison at the county treasurer's office, on Sept. 18 1899, beginning at 100 P. M., and continuing until all of said lands have been offered.

These lands may be leased at an annual rental of 6 per cent of the present valuation by the first person offering to take the same when they are called for lease at the auction, unless a premium is offered, in which case the lease contract will be awarded to the person paying the greatest amount of bonus therefor. Failing to receive a bid of six per cent upon said appraised value of any of these lands, they may be leased to the person who will pay 6 per cent upon the highest valuation, as provided in Sec. 15 of the new school land laws.

In order that all interested may have an equal opportunity to secure leases, these lands are hereby withdrawn from the market until the beginning of the public auction aforesaid.

A portion of these lands are vacant by virtue of orders of the Board of Educational Lands and Funds, duly made, and may be redeemed if delinquencies and costs are paid before the land is leased.
