**BLACK HILLS,**  
DEADWOOD AND HOT SPRINGS,  
SOUTH DAKOTA.

Preaching every other Sabbath at 11 o'clock a. m., and every Sabbath evening at 8 o'clock at the M. E. church. Every body invited to attend.  
REV. J. L. KENDALL, Pastor.

—Miss Marley, will make her home with the Neece girls this winter.

—Russell Thorp, one of Lusk's prominent stockmen was in Harrison couple of days this week on business.

—Eggert Rohwer, expects to leave for Hot Springs S. Dak., tomorrow evening in hopes the baths may prove beneficial to his rheumatism.

—Andrew Christian's daughter of Pleasant Ridge, will leave for Lincoln Monday, where she goes to resume her studies at the University.

—Yesterday, Paul Zabest was hurriedly dispatched to Harrison for medicine, for the little babe of Mr. and Mrs. Valdez. It being very sick and not expected to live.

—The RANCH SUPPLY HOUSE, is still running in Harrison with Lew Gerlach as its proprietor and he is selling his goods way down, for a proof of our statement go to the RANCH SUPPLY HOUSE and learn for yourself.

—Mr. Oscar Ward, moved his family over into the place formerly occupied by Eggert Rohwer for his harness shop. Mr. Rohwer had an addition built on and had it fixed up generally so it is now very comfortable to live in.

—Dr. Richards, of Seward this state who has been doing dental work at the Harrison House, this week, has had all he could do and so far as we can learn gave entire satisfaction. If Dr. Richards could make our town once a month, we believe he could get all the work in his line he could do.

—Albert Sutton, brother of Laney, Sutton came down to the Ridge from the Big Horn basin, about a week ago, and Monday and Tuesday was visiting in Harrison and vicinity. Mr. Sutton was accompanied by his wife and children. They returned to their home yesterday.

—Albert, since going to the big Horn country, has made a nice little stake and is in a fair way to make an independent fortune in a very short time.

—Oh, no! the republican nominee for congress will not be elected this fall. The stay-at-home reform vote, in this district last fall were taught a wholesome lesson in the election of a republican legislature thereby causing the election of a corporation lawyer to succeed the most able champion of the rights of the people in the U. S. senate, Hon. W. V. Allen. No doubt in the least about the election of Hon. W. H. Neville Nov. 7th next.

—Emery Zimmerman, will leave for Bellevue, this state Saturday evening; where he expects complete his education at the Presbyterian college at that place. Mr. Zimmerman has been a student at the Bellevue college during the past two years, and is determined to graduate before he quits. Bellevue, is the childhood home of ye editor, and it was there, in 1890 that we were taught the English alphabet. At that time, the village of Bellevue was the metropolis of this great state; today there are more inhabitants in Sioux county than there was in the entire state at that time.

—The Bourtt Bros., this week bought 40 head of cattle coming 2-year-old next spring, which will very materially increase their Running Water herd. The boys will soon become heavy stockmen of this county, and we are glad as they have worked hard enough for it. They thoroughly understand the business and have as good ranches as there is in the country for raising stock.

—Whitrow also may be said about Dr. Murphy, who has been here for the past three or four days, one thing sure he could charge double price for his work, besides he did not hesitate to prescribe, relative to the coming of Dr. Richards, of Seward a professional business who had advertised in the Press-Journal to be here on the 4th inst. He concluded the report that Dr. Richards had been named and would not come to Harrison.

DRESS MAKING PARLOR.

The undersigned just located in lower north-west corner room of ANDREWS HALL, is prepared to do all kinds of dress-making and sewing in her line.

The patronage of the public is solicited. We guarantee satisfaction and that our charges will be reasonable.  
MRS. MAGGIE ROSECRANS.

—Lee Dickinson, of Snake creek, was in town last Monday doing business in Judge Wilson's court.

—Miss Lizzie Murphy and her brother were up from Crawford, on last Monday doing business at the court house.

—Miss May Lewis, daughter of L. C. Lewis is attending school here this winter she is boarding at W. B. Wright's mansion.

—Dr. Phinney was called out to see Mrs. John Plunkett, of Warbonnet last night who is quite sick, probably with mountain fever.

—A. B. Clark, of Maine, Neb. is in town at this writing. He is here to buy cattle which he will ship for feeding to his own county.

—Grandpa Wright is painting—Dr. Phinney's residence this week, so example many of our townsmen would do well to emulate.

—John Anderson, moved his family to Running Water on last Monday, on the B. F. Johnston ranch, just recently purchased by Brewster Bros.

—"Tom" Snow, as he is known by everybody in this part of the country, was in from his stock ranch yesterday and today, laying in a supply of groceries, and attending to other business while here.

—On last Sunday, ye scribe and family took a drive down near Glen, and stopped for a moment's conversation with Grandpa Tucker and in the course of our talk he informed us he was on a deal to sell his White River ranch and personal property to a gentleman from Friend, this state. Grandpa Tucker has an ideal ranch and we regret to see him dispose of such a profitable home.

—On last Thursday, J. J. Rodgers and wife were up from soldier creek, accompanied by a Mr. Letcher, to whom they made transfer of their real estate and personal property. The consideration received in the above deal by Mr. Rodgers, is near the \$5,000 mark. Mr. R. and his family will go to Iowa, on a visit for a month or so, when they expect to return to eastern Nebraska for the winter, where Mr. Rodgers may possibly locate.

—Quite a number of the Montrose people were in Harrison yesterday, with the expectation of hearing the case, of Baumgard vs. Jordan, which was supposed by the parties would come up for trial in Justice Smuck's court on that date. The case, however was not tried and later in the day a settlement was effected between the parties to the suit—Mrs. Jordan acting for her son, in his absence—and August Baumgard and his mother appearing for themselves, the result of which we learn that August retains the horse and saddle agreeing to dismiss the case against Mike, now pending in Justice Smuck's court, and on the other hand Mrs. Jordan, or Mike, as the case may be, is to pay all court expenses, thus far incurred. We believe if all parties would resort to arbitration in petty differences arising between one another, it would be much better for the world at large, and bring us nearer a realization of that day when the sword and spear is to be bent into plowshares and pruning hooks and a long way nearer the dawn of the millennium.

—Don't forget Burt Smuck's sale Saturday?

—M. J. Blewett, returned from his visit at Foundalia, Wisconsin, Monday noon.

—One week from day after tomorrow Gottlieb Knorr will hold a public sale in Harrison. See sale notice in another column of this page.

—Mrs. E. A. Bigelow and children, left Saturday evening for Newton, Ia., on a month or six weeks visit. Hence E. A. will have that much time to expiate on, is "marriage a failure."

—Mr. and Mrs. Sherman, were down from their sheep ranch on Rawhide Monday and Tuesday, doing some trading and Mrs. S. had some dental work done by Dr. Richards.

—Last Friday Chris Christian of Kirtley, sold 99 head of 1-year-old steers to parties at West Point this state for feeders. The cattle were shipped last Friday evening.

—Jo. Parsons, left Saturday evening on a visit of one month at his old childhood home in North Carolina, where he will be most heartily welcomed by his aged parents, who are still living on time's side of eternity. Jo. has not seen his father and mother for twenty-one years, and it is more than probable it will be the last time he will be permitted to see them alive.

—Brew Wingfield, editor of the Crawford Gazette, has been honored by his party by nominating him for clerk of district court of Dawes County. Editor Wingfield has been instant in season and out fighting for the principles of his party and whether right or wrong relative to party principles, nothing is too good for a country newspaper editor. Shake!

—Grant Guthrie and Sheriff Holly, delegates to the Populist and Democratic Judicial conventions respectively, at Valentine Saturday, returned home Monday and reported the nomination of Judge Westover of Rushville and J. J. Harrington of O'Neil.

### OBITUARY.

DIED:—Is the infant daughter of Mr. and Mrs. Marcos Valdez, of Warbonnet precinct July 6, 1899, at 5 o'clock, aged 3 months and 21 days.

The little crib is empty now.  
The little clothes laid by;  
A mother's hope, a father's joy,  
In death's cold arms doth lie.  
So, little pilgrim, to thy home  
On yonder blissful shore,  
We miss thee here, but soon will come  
Where thou hast gone before.

Little Ida's death, was caused by cholera infantum, being seriously sick only about 26 hours until the messenger of death came and relieved the little sufferer. Though it is so hard for a father and mother to give up their little darling babe, that was just permitted to bud here on earth yet, it will be a consolation to them now that it is to bloom for ever in the arms of Jesus, in glory.

The funeral services will take place this afternoon and the remains will be laid to rest in the Harrison cemetery at 4 o'clock.
