—Those who are wanting to buy some good cattle, should not forget to attend Gottlieb Knorr's auction sale, in this town next Saturday.

—Mrs. Andrew Christian and Miss Christian of Pleasant Ridge were in town last Saturday, to meet Mr. C. who came in from the east at noon.

—Rev. Father Kroupa will celebrate Mass at the Court house in Harrison on Saturday September 16th at 10 o'clock. All members are requested to attend.

—Mrs. Barton, sold her claim to Matt. Strawler, on last Monday, the consideration being \$130. Mrs. Barton expects to leave this county in the near future.

—The daughter of Mr. Andrew Christian, of Pleasant Ridge left for Lincoln Saturday night where she went to resume her studies at the Wesleyan University during the scholastic term.

—Mrs. Newlin, who went to Douglas on last Thursday noon to take teachers examination there returned on Saturday day evening, and went home from Harrison with Mr. and Mrs. Christian on last Sunday.

—Mrs. F. M. Smith, of Bodare went to Chadron, on last Monday evening in connection with her art work she expects to be gone a week or ten days, meanwhile F. M. will enjoy single blessedness.

—Mrs. Dr. J. E. Phinney left for Seward county, this state Wednesday evening on a visit to her parents. She will doubtless visit the exposition at Omaha before her return home. She will be absent three or four weeks.

—Rev. Kendall left for Marsland yesterday, where he goes to make arrangements preparatory to moving his family, where they will be located for this conference year. He will doubtless fill the pulpit there next sabbath.

—Another "innocent," the six-month-old babe of Mr. and Mrs. Will Bogart, passed away Sunday afternoon of that dread, infantile disease, cholera en fantum. But, it is a consolation to its parents to know, that the Savior of the world said: "for of such is the kingdom of Heaven."

—Mrs. Charles Snyder and little son, arrived from Georgetown, Tex., yesterday noon and were met at the depot by her husband, who has been a resident of Sioux county for the past three months. He, and Mrs. Snyder will live on the J. W. Earnest ranch on Resing Water 15 miles south of town.

—Last Tuesday being the anniversary of Mr. and Mrs. Chas. Thomas, their many friends took advantage of the opportunity afforded them by responding to the kind invitation accorded them and a number of the hospitality of their young and beautiful home. Dancing was indulged in and refreshments were served, and a most enjoyable evening was spent. The guests were Mr. and Mrs. Thomas and family of the day.

REV. J. L. KENDALL, Pastor.

District Court will convene one week from next Tuesday.

Frank Curry, shipped 5 cars of cattle to the Omaha market Saturday. Ura Kirtley of Pleasant Ridge and Emory Zimmerman of Bodare accompanied the cattle.

Rev. Kendall, who has been stationed at Harrison, during the past two years, has been assigned to Marsland. They leave for their new field this week.

W. H. Davis, left for Omaha, on last Saturday, to take in the sights as well as to attend the republican state convention which will be held in that city on the 21st inst.

The other little child of Mr. and Mrs. Bogart, which has been suffering with the same disease as the little one which died Sunday afternoon is somewhat better, though it has been quite seriously ill.

Charles Biehle, seemed dreadfully perturbed the other day, just because his better half having had her teeth extracted, he is no longer able to understand her. He said or rather half said something in an under tone about dentists; Harrison and the JOURNAL, as being the cause of all his present dilemma, he also intimated that he and Lewis Gerlach who by the way is in the same predicament, are going to see about divorce.

County Commissioner, Rohwer, went to Hot Springs, S. Dak. Friday last, and will enjoy the hot baths for a week or ten days, believing that it will eradicate rheumatism from his system, which he has been suffering with for the past six months or since his severe spell of rheumatic fever last winter. It is earnestly hoped that Eggert will come home physically a new man.

Mrs. Chat Unitt and little boy together with her sister, who has been visiting with her for some time, left for a month or six weeks visit at her old home in Seward county Saturday.

What about chat? Why he is one of the boys now. Of course, he has not taken to hard drinking yet to drown his troubles, but it is hoped Mrs. U., will not leave him to enjoy "single blessedness" too long, as her other half begins to look pretty seedy already.

Don't fail to read "permanent prosperity" an article clipped from a Deadwood, S. D. paper and commented on editorially, by a lady correspondent of the PRESS-JOURNAL, in another column of this issue. She handles the subject without gloves, tears aside the mask and discloses to her readers the utter falsity and deception of the single gold standard and national bank note currency issue, as advocated by the republican party today. Her comments also go to show that the lady keeps in touch with the times on all public, political questions that are agitating the minds of our people at the present day and that her soul is intensely partisan for reform as advocated by Democracy.

Martin Weber, of Glen, was in town on business last Saturday.

J. W. Earnest, will make final proof on a quarter section of land situated on Resing Water, day after tomorrow.

Owing to an unpardonable oversight on the part of ye scribe we neglected to mention the fact of Grandma Davis going to New Richmond Minn., on an extended visit in our last issue.

The state Brand Laws require that applications for brands now in use should be made to the Secretary of state by the 31st day of December 1899. Parties interested should see that their applications are filed that time.

Miss Claudia Hester, was a passenger on the west bound train last Saturday noon going as far as Lusk, where she will be the guest of her sister Mrs. W. H. Bonnell, she expects to return home this week accompanied by the latter.

Mrs. B. L. Smack accompanied by market John and his A. Gladys, were driven to Crawford, by their legs iron and master yesterday, where they took the B.M. train to Lincoln, to spend a few days with her brother Prof. Gray, after which they will continue their trip to Tingle, Ia. on a visit to her parents, they expect to be gone a month or six weeks. Mrs. Dr. Phinney, will accompany them from Crawford, to Seward, where she will visit her people. Courage boys, your better halves will come back some "sweet day by and by".

The PRESS-JOURNAL, earnestly hopes that every voting precinct in Sioux county will see to it, that full delegations are sent to the two Democratic and Populist conventions which are called to meet at the court house in Harrison, Sept 30th, at 1 o'clock p. m. Every effort should be made by the several precinct caucuses in the county to send the most influential, honorable men as delegates to the conventions who can be trusted to carry out the will of the reform forces in the county relative, to nominating men for the various county offices to be voted for this fall, who will be an honor to the democrats and populists, and who will bring perfect harmony to the fusionists. Harmony, with united effort means success; discord and selfish motives will cause defeat. This county should roll up a larger majority for the fusion ticket this fall—from Holcomb down to county corner—than we did last.

If some one would make complaint to the proper authorities, and thereby obtain an order to send Earl Archerd to the reform school at Kearney, they would be doing that boy a favor, that he may possibly in after years, thank them for it. It seems as near as we can ascertain, that an stray horse came to Alex. Lowrey's a month ago, and has been kept in the pasture since that time. The Lacy boys learned whom the horse belonged to, and we understand had written to the owner, informing him where the horse was; in some way Earl found out who the party was, proceeded to Lowrey's pasture yesterday morning and caught one of A. McGinley's horses and corralled the herd, caught the horse in question and was in the act of leaving with it, when Sheriff Holly hailed him and compelled him to return the horse to the pasture. Such acts as that are liable to lead to more serious ones and ultimately land the boy in the penitentiary, if permitted to go on without being taught a severe lesson.

Mrs. Holly, made a trip to Crawford on last Tuesday evening.

Grandpa Wright is busy this week calkming the inside walls of the Drug store.

W. O. Patterson is engaged in plastering the Warneta residence, on the west side this week.

County Treasurer Biehle is having his country residence undergo a thorough renovation under the direction of Henry Wertz. As Henry understands his work thoroughly, we can vouch for the statement that everything he does in his line will be all O. K.

A. N. Cannon, has concluded his services with Frank Nutto, down in Soubelly canyon, and will leave for Omaha to attend the Exposition about a week when he will leave for his home at Alpena S. Dak.

Pat Lacy, requests us to announce that there will be a caucus held in Warboonet Sept. 25, for the purpose of electing delegates to attend the Democratic convention at Harrison Sept. 30th.

Will Gayhart and his brother were over from Montrose Tuesday doing some trading, returning home the same evening as far as Frank Nutto's, where his wife and little ones were visiting with her parents.

DIED—Of Cholera-Infantum on last Sunday afternoon Sept. 10th, 1899 Ivora, the infant daughter of Mr. and Mrs. Will Bogart, at their home just north of town, aged 6 months and 10 days. The funeral services were held at the home of the bereaved parents on last Monday afternoon at 4 o'clock, Rev. Garton, of Warboonet conducting them and the interment took place at the Harrison cemetery. The grief stricken parents will have the sympathy of their host of friends in their bereavement and withal the happy thought that their darling lives and home for a few short months is now among the brightest Buds which adorn the "home" on the other shore.

Empty is the cradle; baby's gone.

Breezes From The Valley.
Herman Konrath and sons of Montrose passed through Gilchrist last Monday, with 100 head of cattle, which he purchased of Capt. Snyder, paying \$30, a head for 50 cows, and each cow had a calf.

Miss Lillie Zimmerman, will begin a four months term of school in the Leeling district next Monday and board with her sister Mrs. Myrtle Daut.

Real estate continues to change hands but little is purchased by new comers in this part of the country. H. Zimmerman has purchased the Charley Grewell property.

Last week Messrs Wohlhofer, Miller, McCann and Zimmerman, sold some cattle to Mr. Curry, that had been in the herd at Sheep creek.

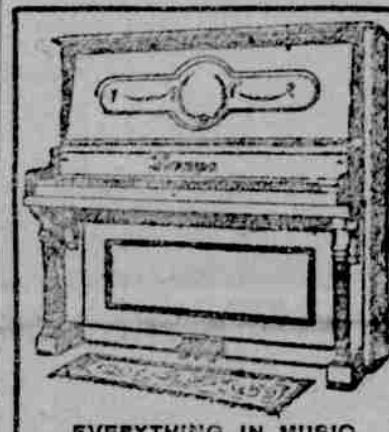

J. B. Burke Sundayed at home last Sunday. He has a job of making hay for Capt. Snyder which will keep him busy several weeks yet.

was making calls along Soubelly and Kansas creeks the last of last week, trying to make arrangements whereby cattle could have water to drink, from those two streams. He desires justice to be done to all and his demand is reasonable.

A letter from Mrs. Eli Smith of Elgin Oregon, informs us, that they are well pleased with the country and have purchased a quarter section, besides the land they traded their Sioux county property for. Their new purchase being down in the valley where the snow does not lay quite so deep. Don and George have made 2800 ties and they can hardly miss the timber taken. CLO.
