ENTERED AT THE HARRISON POST OFFICE AS SECOND CLASS MATTER.

A most disastrous fire, occurred at Hull Canada, just recently about two thousand eight hundred houses, were destroyed, total loss about 50,000,000.

Hon. Judge M. P. Kinkaid, of O'Neil was renominated for Congress, in this the "Big" 6 last Friday, by the republican party. M. P. is therefore destined to be defeated a second time, but it will require being defeated twice in succession to quiet his nerves.

Mark Hanna says, the republican party must pursue the same kind of a campaign as they did in 1896 and there will be no doubt of success again. In that case it means coercion, intimidation and the wholesale purchase of votes.

500 carpenters and workmen, of Omaha, went out on strike Tuesday. They ask for 40c per day, i. e. Carpenters and the woodworkers ask 33c cents per day. Thus, the laboring men have got thinking if prosperity is here they want a little of it by having their wages raised.

We venture the assertion that the vice president on the Democratic ticket this year will be one of four following named gentlemen: Hon. Chas. A. Towne, Minnesota; Admiral Schley, Maryland; Congressman Sulzer, New York, or Augustus Van Wick of New York.

PINGREE FOR DEMOCRATS.

Detroit, Mich., April 29.—Governor Pingree asserted in an interview today that the hope of the people in this year's general elections is in the democratic party. The governor has always hitherto been an independent republican. Speaking of the increasing power of trusts, Governor Pingree said: "There is no use in hoping that the republican party will do anything with them."

"Are you preparing to announce your withdrawal from the republican party?" "There is no announcement about it. I only say what I have said all the while. You have not heard me say anything against the democrats for some time I believe that the hope of the people is in the democratic party this fall."—The Daily World Herald.

ITS BRYAN AND M'KINLEY,

So Says the Author of the Wilson Bill.

Kansas City, Mo., April 29.—William L. Wilson, author of the Wilson tariff bill, while in this city enroute from Hot Springs to Nebraska City, Neb., where he is to be the guest of J. Sterling Morton his associate in Cleveland's cabinet, said:

"It is to be McKinley and Bryan. Mr. Cleveland will not allow his name to be mentioned and Dewey will not get an opportunity to see himself voted down."

"Bryans will be nominated, but conditions are so changed that the campaign will be on new lines. Both sides have so many new conditions to confront that the old tactics will not do. I think the democrats will win. We shall go into the fight solid."

Tortured A Witness.

Intense suffering was endured by witness T. L. Martin, of Dixie Ky., before he gave this evidence: "I coughed every night until my throat was nearly raw; then tried Dr. King's New Discovery which gave instant relief. I have used it in my family for four years and recommend it as the greatest remedy for Coughs, Colds and all Throat, Chest and Lung troubles. It will stop the worst cough, and not only prevent but absolutely cure Consumption. Price 50 cents and \$1.00. Every bottle guaranteed. Trial bottles free at Dr. J. E. Piddens Drug Store.

OLD MAIDS ARE INVALID.

I like the term "old maid," writes Margaret E. Sangster in the May Ladies Home Journal. "A spinster means any unmarried woman; a girl may be a spinster. An old maid is, well—just that she may have her little ways, and thankful, she may be that no one is privileged to interfere with them. If she keep house as many an old maid does in these days of independence, it is very dainty done, with an exquisite finish and neatness surpassed by none of her sisters. Probably the lady has plenty of people to stay with her—nieces to chaperon, nephews

to champion, invalid relations to goddler—all sorts of people to counsel and comfort. In society she is simply invaluable. As an unattached person who at an emergency may be called upon in the family by any one in need, brother or sister father or mother, to take the hold, she is simply worth her weight in gold."

A Woman's Awful Peril.

"There is only one chance to save your life and that is through an operation where the startling words heard by Mrs. L. B. Hunt of Lime Ridge, Wis., from her doctor after he had vainly tried to cure her of a frightful case of stomach trouble and yellow jaundice. Gall stones had formed and she constantly grew worse. Then she began to use Electric Bitters which wholly cured her. It's a wonderful Stomach, Liver and Kidney remedy. Cured Dyspepsia, Loss of Appetite. Try it. Only 50 cts. Guaranteed. For sale by Dr. J. E. Phinney druggist.

GREENBACKS or Government Money.

At close of our Civil War in 1865, there appeared in the London Times the following:

"If that mischievous financial policy which had its origin in the North American Republic during the late Civil War in that country, should be more indurated down to a fixture, then that government will furnish its money without cost. It will have all the money that is necessary to carry on its trade and commerce. It will become prosperous beyond precedent in the history of civilized nations of the world. The brain and wealth of all countries will go to North America. THAT GOVERNMENT MUST BE DESTROYED OR IT WILL DESTROY EVERY MONARCHY ON THIS GLOBE."

The famous Hazzard circular, to capitalists in New York, and the Buell Bank circular to United States Bankers, both emanating from London, and the fabulous corruption fund raised in England and Germany, estimated at \$1,500,000, were the agents that secured the closing of our mints against silver.

The "walk into my parlor" policy of England, during and since the Spanish War, is the latest evidence of English Diplomacy in shaping the destiny of the United States Government.

Notwithstanding the famine price of wheat, the Spanish War, and fabulous expenditures of money by our government during the past year, gold has increased in value eleven per cent, and all other values decreased in the same proportion.
