ENTERED AT THE HARRISON POST OFFICE AS SECOND CLASS MATTER.

Editor Rosewater of the Omaha Bee after all could not muster force enough to down standard oil Thurston in the republican state convention. Fact of the matter was, the Standard Oil Thurston compelled Rosy to lay down and swallow his medicine.

Wonder if our republican friends have taken the pains to read their state platform passed by their party convention at Lincoln on the 2nd inst? They should get a copy, read and study it, and then compare it with the Democratic state platform.

Notwithstanding the administration in power declared, through its representatives in congress that the constitution of the United States did not follow the flag. Yet in the case of Raphael Ortiz, asking for release from the Minnesota state prison by habeas corpus proceedings, but, the decision of the military tribunal of Porto Rico, was sustained by Judge Lochris, and in his lengthy decision declares, without equivocation that the constitution of the United States covers all territory ceded to it, hence his decision. That a black eye for Republicanism on the Porto Rican tariff law recently passed.

At the Sioux Falls, national Populist convention. Senator W. V. Allen of Nebraska made the speech, nominating Hon. W. J. Bryan for president of the United States.

The republican party need have no hesitation in having incorporated into their national platform, a plank condemning the trusts and what they will do. The party have been in possession of every avenue of the government for four years and the trusts have increased over 200 fold and are still increasing to an alarming rate. Yet not a single effort has been exercised by that party who are drunk on Imperialism and militarism. No, the trust combines are not afraid of all the revolting the party may do at Philadelphia June 19th.

James Creelman, the traveling reporter of the New York World, declares that Hon. W. J. Bryan, this fall will sweep the country; he also says that "golden rule" Jones, of Ohio and his following are with Mr. Bryan in his campaign, and therefore that state has already been taken out of the doubtful column. Four years ago Mr. Creelman said Mr. Bryan could not carry the election, this year he says he is sure to win.

The quadrennial conference of the Methodist Episcopal church of the world is now in session at Chicago. Many questions of special interest to the church, such as marriage and divorce; dancing and card playing will be seriously considered by the conference, whether to expunge them from the discipline, or retain them as they are. We believe, relative to the above questions the M. E. church is eminently correct in its former church law and believe that a repeal of that part of its tenets will be a retrograding step of the church reflect on christianity as taught by John Wesley the founder of the M. E. church. The conference might as well undertake the revision of the inspired Word.

Admiral Dewey, as a naval hero, is receiving great demonstrations of honor at the Dewey banquets and parades, at Chicago, St. Louis, and other places where he has went on his recent tour in different parts of the country.

In the senate of these United States May 4th the republican members placed themselves on record as being opposed to the success of the two South African Republics. The party in their National convention at Philadelphia will no doubt do the same thing or be silent on that subject.

Tortured A Witness.

Intense suffering was endured by witness T. E. Martin, of Dixie Ky., before he gave this evidence: "I coughed every night until my throat was nearly raw; then tried Dr. King's New Discovery which gave instant relief. I have used it in my family for four years and recommend it as the greatest remedy for Coughs, Colds and all Throat Chest and Lung troubles. It will stop the worst cough, and not only prevents but absolutely cures Consumption. Price 50 cents and \$1.00. Every bottle guaranteed. Trial bottles free at Dr. J. E. Phinney's Drug Store.

It's up to the People.

Less than a year remains in which to gather facts, and information that will influence your vote for the next president of the United States.

That grievous wrongs have been committed, and grave errors allowed to exist without effort at correction, is evidenced by the speech, writings, and comments of eminent statesmen and jurists; congressmen and leading men of business; professors and clergymen in every state.

Party affiliations have been ignored in the outcry against thrusting aside the safeguards of our fathers and making pell-mell into the affairs of Europe. The situation is a deplorable one if not alarming; as is also our domestic affairs dominated by gigantic trusts.

The evils are not of spontaneous growth! They are the result of years of labor and expenditure of millions of dollars! Beginning with the displacement of American silver for English gold, the cunning of England's diplomacy in shaping the destiny of our Republic is apparent to any ordinary observer seeking the true inwardness of events.

The Cincinnati Enquirer has frequently called attention to each and every move as it was transpiring, and during the campaign of 1900 will present its readers with a truthful array of facts that will be extremely interesting and startling.

No fair-minded American, be he Republican, Democrat or of other political faith, can afford at this critical time to ignore the truth. Partisan prejudice, with the trusts as dictators, is a far more degrading slavery than that which existed previous to the Civil War of '61-'64.

Trusts in the United States alone have a representative capital greater than all the gold and silver in the world. These will spend many more millions of dollars to suppress truth and facts and mislead all who fail to look beyond their plausible deceptions. Read the Enquirer and you will be able to discern the truth and combat falsehood. A victory for Trusts and the McKinley Administration in 1900 will end the era of greatest good to greatest number.

Watch carefully the Cincinnati Enquirer

Can This Be Possible?

Christ has said "Love your enemies" The church prays Almighty God to help us blow them up with hot shells. During the last year I have often spoken in public against war and expansion based on war, and in all secular audiences I have found a ready and favorable response. In meetings of church people the reception of these ideas has been cold and when I addressed a meeting composed exclusively of clergymen, then and then only, my hearers were unanimously against me. For some reason or other the ministers of Christ seem to be the most bloodthirsty class in the community. Nor is this state of affairs confined to this country. In England, with scarcely an exception all the clergy, "Anglican and Nonconformist, are enthusiastic supporters of the Transvaal war. Frederic Harrison, the positivist; Herbert Spencer, the evolutionist, and John Morely, the agnostic, have been left to do the work of Christ, while the Anglican primates of Ireland have been writing verses in praise of all war and this war in particular, and the whole bench of Bishops has said "Amen." In France the entire clerical world is dominated by the army, while the free-thinking and free-writing Zola has practically answered the question, "What would Jesus do?" The most Christian articles which I have seen of late on the subject of war were from the pens of the editor of the atheist "Reformer" of London, the daughter of Bradlaugh, and of Max Nordau, Jew. The socialist press is unanimously against war.—Ernest H. Crosby, New York.

A Woman's Awful Peril.

"There is only one chance to save your life and that is through an operation where the startling words heard by Mrs. L. B. Hunt of Lime Ridge, Wis., from her doctor after he had vainly tried to cure her of a frightful case of stomach trouble and yellow jaundice. Gall stones had formed and she constantly grew worse. Then she began to use Electric Bitters which wholly cured her. It's a wonderful Stomach, Liver and Kidney remedy. Cured Dyspepsia, Loss of Appetite. Try it. Only 50c. Guaranteed. For sale by Dr. J. E. Phinney druggist.
