 F. AVERY, Agt.

—Thos. Bell, of Lusk, was a Hub visitor one day this week.

—W. F. Clarke, our new banker, made a business trip to Crawford, the first of the week.

—Miss Nellie Watson, of Crawford is a guest at the home of her uncle, Sheriff Holly.

—A representative of the World-Herald, was in town this week in the interest of that paper.

—We wish to call the attention of our readers to Fred Knott's sale notice which will appear in our next issue.

—An attorney, representing the McKinley Lanning, Loan Company, was in town this week looking after the interest of the Company.

—Ed. O'Connor who has been attending school at Wayne Neb., during the past six months returned to the paternal mansion the first of the week.

—F. W. Myers of Montrose, together with Claus Christensen, was in our village Tuesday attending to some business matters, returning home in the evening.

—V. A. Hester, went to Gordon, Monday evening to bring his little boy Cecil home on a couple of weeks visit, he came in on yesterday's train.

—M. J. Blewett, has been tendered a position as life insurance agent for the New York Life company, and the first of the week will enter upon the discharge of his duties.

—We are in receipt of a copy of the minutes of the business proceedings F. E. & M. V. R. R. Owing to lack of space we regret our inability to publish them this issue. The next meeting will be held at Valentine.

—On the quiet, we were informed by one who is supposed to know that within the next two weeks, the wedding chimes will ring out upon the balmy air. For whom? Oh for a bride, out east of town! The Groom? Just guess.

—L. B. Y. Futon, has the contract for moving Robert Niece's city residence out on his suburban farm north-east of town. Mr. Niece will doubtless make other improvements on his out of town place. He will fence the land in and dig a well or put in a cistern.

—Superintendent Burke, went down to the south end of the county the first of the week to be present at the annual school meeting in the new district formed in Snake creek precinct by ex-county superintendent Miss Merrim, last fall. It is a three or four days trip.

—The county commissioners will meet in regular session at the county capital, the second Tuesday of this month which will be next Tuesday. It will be a good time for the voters who live in the south end of the county, between Running Water and Whistler creek precincts to petition the honorable board to form a new voting precinct for them. Every man in Sioux county should cast his vote this year.

Mr. E. Barker, who has had charge of the construction of the concentrating plant which the Crown Hill Mining Company has been erecting at the Spokane mine, has completed everything and on Tuesday he came up to Deadwood to take a few days rest. The plant is now throughout and it is a model of perfection. Mr. Barker is of the opinion that it will successfully treat the ore at the mine. The capacity of the plant is about 20 tons per day, but for the present only about one-half of the capacity of the plant will be used.—Mining News.

Our Sioux county people will remember that the Barber, who was one of the old miners here, at Deadwood.

THOMAS HOLLY, sheriff of said county.

Sheriff's Sale.

By virtue of an order of sale issued by the Clerk of the District Court of Sioux County Nebraska, upon a decree rendered by said court in favor of Sioux county, is plaintiff and Joseph M. Robinson and Mrs. Joseph M. Robinson, his wife whose christian name is unknown, Hamilton Loan and Trust company, a corporation, are defendants. I will on the 7th day of July, A. D. 1900, at 2 o'clock P. M. at Harrison in said county, sell the following described real estate to-wit:

North-half 34, of north-east quarter 34, of section thirty-three 33, west-half 34, of north west quarter 34, of section thirty-four 34, all in Township thirty-two 32, north of range fifty six 56, West of the principal Meridian situated in Sioux county Nebraska, at Harrison in said county, at the east front door of the court House, in Harrison, Nebraska, at public auction, to the highest bidder for cash to satisfy said order of sale in the sum of \$11.67, with interest costs and accruing costs.

THOMAS HOLLY, sheriff of said county.

—Claus Christensen, of Montrose, was a visitor at the county seat last Tuesday.

—Laney Sutton, was down at Henry Warneka's ranch, Monday and Tuesday moving a house.

—Sheriff Holly's health does not seem to improve very much, if any since the warm and mild weather has made its appearance.

—Traffic on the F. E. & M. V. R. R., for the past three or four weeks has been extraordinary heavy compared to other years at this season of the year.

—Henry Moravek, is visiting at home this week from the sheep camp "Jalzey" Mills up in Wyoming, where he has been cooking for the past six weeks.

—Another good heavy rain is needed in this part of the country to insure a crop of hay. It seems to have been raining all around the divide, for the past week.

—Last week G. W. Hester, sold wind mills and other farm and ranch supplies, to the extent of one thousand dollars. Certainly no business house in Harrison is doing any better than G. W. Hester.

—Capt. Snyder, was up from his Running Water ranch Tuesday. He informed us his family was expected to arrive from Georgetown Tex., next week. The family will then be permanently located in Sioux county.

—The State Fair, this year will be held at Lincoln, in September and will be in session five days, commencing the 3rd of the month, and continuing to the 7th inclusive. Will Sioux county make a showing at the Fair this year?

—It is reported by residents over in the valley and other parts of the county that the native grass hoppers are very bad and that they are eating up everything that they come in contact with, they seem to be on the increase every year.

—The value of the surplus products of Nebraska, according to statistics furnished to the state labor commissioner by the county clerks of every county in the state for the year 1898, is \$187,853,031.42 or an increase over the year 1897, \$47,187,976.24.

—The State Holiness camp meeting, for the year 1900 will meet at Lincoln, park, Lincoln Neb., July 2nd and will be in session two weeks, any body in Sioux County, who contemplates attending the Holiness camp meeting should bear in mind the time and place.

—In the year 1899 the railroads in the state of Nebraska were assessed in taxes by the state board, having interstate corporation valuations to assess was, \$1,099,460, which is in the neighborhood of 25 per cent lower than any other real or personal property in the state.

—We learn there is to be played, in Harrison next Sunday a matched game of base ball. Wonder if some other day than Sunday would not have done just as well? It will be the Ardmore nine vs Harrison nine. Boys, remember the Sabbath day to keep it holy.

—There seems to be pretty poor show of late for people, who trade at this point from the surrounding country, adjacent to Harrison to get blacksmithing done, since H. A. Pridy is now busy taking the federal census and W. O. Patterson, has his hands full, looking after and caring for the prisoner, incarcerated in the county jail, charged with the murder of the late A. L. Staudemair. Without doubt a first class all round blacksmith could do well here if located at this place. It means the loss of trade mors or less to our merchants when the farmers and ranchmen are unable to get their work done, hence, they must of necessity go where they can get their work done and that is where they are liable to do their trading.

Over in Wyoming.

Miss Dotha Bartell is the guest of Mr. and Mrs. Fred Danel.

Miss Dora and Charles Christian arrived home, from University Place, on last Saturday. They have made good progress in their studies and will no doubt resume them next term.

James Christian, is the proud possessor of a fine new saddle which arrived here from Denver, on Thursday of last week.

Rev. Kendall, delivered a good sermon from John, 3rd chapter, 14th verse. "And as Moses lifted up the serpent in the wilderness, even so shall the Son of man be lifted up." This is perhaps the last sermon many of us will ever hear from the lips of Rev. Kendall, we should all ponder it well.

Rev's Kendall and Hixson, pitched their tents near the residence of Mr. Zam Brunnen, on last Saturday and expect to stop in the neighborhood until Wednesday when they expect to start on their way toward the setting sun. They are to give an entertainment in the East school house on Tuesday night, but as this is mailed on Tuesday will give particulars next week.

Mrs. Henry Duell traded her saddle pony to Mr. Streeter for a bunch of ponies at least there was three.

We understand that Albert Sutton, of Kay See, Wyo., was quite sick last week.

Chris Christian took out a windmill from your town, on last Thursday, to erect on his range near the south line of the county.

Miss Eva Church went to her sister's, Mrs. Duell, on last Saturday night and stayed all week.

As we pencil these items, the night before Monday, it is raining a little. So the readers can guess that Z. is no spring chicken or he would not be writing items on that night. ZEKIEL.

Breezes from the valley.

The local showers are hardly sufficient, a real soaker is what is needed.

The shower of hail on the 30th was very hard at Jacob Henry's Sr. so the garden was all cut down. The hail did no damage at this point.

Dan Jordan will move to the Brewster ranch soon and have charge of the same.

C. F. Coffey, began cutting alfalfa Tuesday so look out for rain soon. The crop is reported quite heavy.

Rev. Smith brought his son Harry to the valley Tuesday, to work for C. F. Coffey. He also made a pleasant call at E. W. Knott's.

Grandma Davis, is visiting in the valley this week, expecting to return to town Saturday with Supt. Burke.

A number of young people from the valley went to town last Friday to attend the concert and pronounced it very good.

F. W. Knott will have a public sale on the 23rd and is making arrangements to start overland for Central City in Merrick Co. by the first of Aug.

We were in error last week when we reported Miss Blanche Coffey going to Chadron to attend the graduating exercises of her brother. It was the commencement exercises at the High School. They graduate from the Academy next week.

Remember the Sunday School Association which meets at Harrison, next Wednesday and Thursday and let all bring their Bibles with them in order to help take part in the exercises. As Mr. Kimberley come some distance to help us make this a pleasant and an instructive occasion let us all turn out and give him a full house. CLAY.
