—M. J. O'Connell and his better half, spent Sunday at the home of Mr. and Mrs. "Gene" Wohlbeiter, in the valley.
 —What are the fusionists of the 2nd. Commissioner's district going to do about calling their convention?
 —The county fathers, are in session today for the purpose of drawing the Jury for the fall term of district court.
 —Mr. and Mrs. Frank Smith who have been guests at the home of the former's parents during the past week, returned to their home the first of this week.
 —Herman Fricke is was in town the first of this week on business, while Mr. Fricke made a pleasant call at this office. We are always glad to have callers so come again.
 —Presiding Elder Scammhorn, arrived in Harrison, from the east, on last Saturday, to hold quarterly conference, here on last Sabbath, which was attended by a large congregation.
 —M. J. Blewett and family, left for Crawford on last Monday evening, where they expect to spend the winter. In the spring however they expect to come back to live in Sioux county.
 —Capt. A. G. Fisher, was up from Chadron, yesterday we presume looking after his campaign interests, in this county. The captain's names it dough this time, and dont you forget it.
 —Fred Brazz, of the Big Horn Basin came down this week, and purchased of John Anderson, and shipped to his ranch in the Basin, 50 head of the finest white faced yearling heifers, we have ever seen in this county.
 —Rev. C. L. Smith, and family, who have had this M. E. charge during the past year, severed his connection with this church on last Sunday, and left on Monday, for Lincoln, where he expects to make his home.
 —Buff Coffee, has purchased the Running Water Ranch, which has been occupied by Capt. Snyder and family, during the past year. We did not learn what the consideration was, neither did we learn just what Mr. Snyder intends doing.

—Be sure and attend the county convention, on next Saturday. A county Attorney is to be nominated, and that means a great deal just now, as we want a man for that office, who will work for the county, and not for his own personal aggrandizement alone. More will be said on this subject at the proper time.
 —Hon. C. F. Coffee, our next representative from this 33 district is gaining votes from republican strong hold each day. People irrespective of political party, concede that Fisher, is not the man to send to Lincoln, as he can not be relied upon. But they feel in Charles Coffee they will have a representative who will work for the interest of our every day common people, of whom he is one, he is happier when in company with his employees, than in the homes of the rich, and never at any time is Charles too busy to give that friendly hand shake, in which his whole soul seems to be, to the boys.

—Dont forget Mrs. Hoffman's lecture, at the M. E. Church on the 13th of September.
 —Sheriff Holly went to Crawford, Monday evening, returning Wednesday noon.
 —John Herman was over from Story this week, doing business with our merchants.
 —Conrad Parsons passed the examination for 2nd grade certificate, but concludes he does not care to teach.
 —A. R. Kennedy, came up from Crawford Tuesday and went out to his ranch to look after business affairs there.
 —Mrs. F. W. Clarke, and her sister, left for Hot Springs, on last Saturday evening, to remain a week or ten days.
 —Mrs. James McCann, of Gilchrist, is suffering from an attack of Typhoid fever. Dr. Phinney is attending the patient.

—The latest to add their names to the list of the PRESS-JOURNAL readers are, Octave Harris, William Harvey, and Clyde Leonard.
 —Attorney Guthrie, is now the sole owner of the house now occupied by G. W. Hester's family, having purchased it at public auction on last Saturday.
 —We have not been informed of any preaching, at the M. E. church, on next sabbath, owing to Rev. Smith's being gone, so we resume there will be none.
 —Fred B. Glaze and Blaine Booth, we understand passed creditable examinations at the institute, but were young to be granted certificate to teach.
 —Fred Suggest and wife, father and mother of Mrs. Paul Zarpat, arrived here from Richland, Nebraska, for a week or ten days visit with their daughter and her husband.
 —Ellery Sherrill, son of landlord Sherrill of the North-Western Hotel is suffering from a broken wrist caused by a fall from his horse, last Monday. Dr. Phinney is attending him.
 —Remember school will commence 3 o'clock, Sept. 10th, and all parents and children alike, should make strenuous efforts to not only commence the school year well, but also to co-operate with the teachers, in making the term a most successful one.
 —Co. Supt Burke, has rented the ranch of Ed. Maine, half mile from town and will move his family on to the place about the middle of September. Mr. and Mrs. Maine will in all probability move down east of Alliance, where Roy their son is now engaged on the B & M. railroad.

The fusion voters should bear in mind that all kinds of stories will be circulated by our political enemies, in order if possible to draw aside some few voters from their earnest convictions. But the PRESS-JOURNAL without going out of its every day walk, bears a thing or two occasionally, to cause him to be on the alert, to warn our people, not to allow themselves to be misguided by the flattering tongue of the ward healer, as they will not hesitate to tell you anything in order to accomplish their end.
 —Following teachers, who were in attendance at our county institute and who were old enough to teach were granted 2nd grade certificates:
 Miss Maude Luks, Grace Wolfe,
 Grace E. Meyers, Elizabeth Cottman,
 Hattie O'Connell, May Wilson,
 Ella Stuart, Inez C. Smith,
 Maggie Hunter, Minnie Warnaka,
 Nettie Raines, Annie Maple,
 Mrs. J. H. Newlin, Mrs. Ella Hales,
 H. W. Saxton, W. H. Smoke,
 Alex. Johnson, Geo. F. Williams.

—Attorney Fanning of Crawford, and Hon. Judge Crites of Chadron, who have been employed to defend Charles Russel at the September term of court were in town Tuesday evening stopping over night and holding a consultation with their client, we presume to get ready and prepare their case for court, as Charley is quite anxious to have his trial. We believe if he is not guilty he is entitled to have his trial as soon as possible, besides the sooner he is tried the sooner the expense to the taxpayers of the county will cease. We are satisfied of one thing that Messrs Fanning and Crites will leave no stone unturned to clear their client from the crime with which he is charged.
 —Stamp pictures 24 for 25 cents.
 —Buff Coffee's family is the newest acquisition of our town.
 —Ed Guthrie, had he taken the entire examination at the Institute could have passed and received at least a 3rd grade and possibly a 2nd grade certificate and think he should feel proud of his percentage.
 —Dont miss getting your pictures while the photographer is here.
 —H. G. Neeb and Fred Dorrington, Jr., of Crawford, passed through here yesterday morning on their way back home from a trip to the Big Horn Basin, in Wyoming. They left home a month or six weeks ago on a kind of an outing exploring expedition.
 —Harmon the photographer will be here but a few days longer. Better get your "Photos" while you have a chance.
 —Charles Newman, came in from Hewitt, last night about 11 o'clock after the coroner to go out into his neighborhood and hold an inquest over the dead body of Harry Maple who was found dead on the prairie near Wits Earnests wind mill. Charley brought no particulars as to the mans death. Dr. Phinney was deputised to go and hold the inquest, more details next week.
 —Mr. and Mrs. W. B. Wright, left for White the forepart of the week where they went to be at the bedside of Mr. Wrights sick sister Mrs. Garner, whose life was well nigh despaired of. We are glad to know it that Mrs. Garner is much improved, though not wholly out of danger. Mr. and Mrs. Wright have been with her the most of the week.
 —From all points of the camp comes the gratifying news, that Hon. Charles F. Coffee and Hon. W. F. Hayward, of this representative and senatorial district will run neck and neck with the state ticket. Mr. Coffee, we think will run ahead of the party ticket, probably twenty-five or thirty votes.
 —MARRIED—At high noon on Wednesday August, 29th 1900, at the residence of Oscar A. Garton, in Warbonnet, Justice J. Stratton performing the ceremony. Mr. Earnest Lyon, and Miss Lotha Bartell, both of Harrison, aged respectively 24 and 19 years. The bride is the accomplished daughter of Mr. and Mrs. J. H. Bartell, one of our most popular families, and she has grown up right in our midst, and has won unto herself by her charming qualities, a host of friends. Earnest, as every one familiarly addresses him is the youngest son of Mr. Lyon, of Warbonnet, and a most estimable young man who numbers every one among his friends, who will all gladly unite with our quill driver in wishing to Earnest and his bride, all the happiness this life can bestow, with the crowning glory reserved for the next. The young couple expect to commence housekeeping at once on a ranch just across the line in Wyoming.

Bodarc Gleanings.
 A good general rain is very much needed as we hear from different localities that water is scarce and the creeks much lower than usual.
 We are sorry to learn that Mrs. Sanford Hill is suffering with a very sore hand.
 Little May Montgomery who has been quite sick for a week is very much better.
 Mr. J. W. Snyder and wife came over from Running Water last Saturday and are the guests of Hon. C. F. Coffee.
 Miss Mable Thayer visited last week with Mrs. Leonard Davit of Warbonnet.
 We understand that Miss Grace E. Meyer has been engaged to teach the Bodarc school this winter.
 The last crop of Alfalfa is being cut and the bare brown fields remind us that ere long our old unwelcome guest jack frost will be here.

The prospect for keeping stock through the coming winter looks rather doubtful should the winter prove to be a severe one and many are busy cutting and stacking Russian Thistles for feed wisely thinking them better than nothing for the grasshoppers have left no range whatever. M. A. C.
 The weekly and daily Staats Zeitung of New York City, has come out openly against the McKimley policy of militarism as well as imperialism.

The administration stands with one foot on a poor Porto Rican and the other upon a Philippino, paying over to his imperial majesty the Sultan of Sulu that \$10,000 awarded to him by this government for maintaining slavery and the cochineal custom.
 No we never hear any more about the collecting of that \$100,000 from the Sultan of Turkey. If the administration had that small amount of pocket change it would go a long way toward paying our own sultan of the Sulus.

The following described school lands in Sioux County will be offered for lease at public auction at Harrison, at the County Treasurer's office, on September 26, 1900, beginning at 1 o'clock P. M., and continuing until all of said lands have been offered. These lands may be leased at an annual rental of six per cent of the valuation shown below, by the first person offering to take the same when they are called for lease at the auction, unless a premium is offered, in which case, the contract will be awarded to the person paying the greatest amount of bonus therefor.  In order that all interested may have an equal opportunity to secure leases, these lands are hereby withdrawn from the market until the beginning of the public auction aforesaid.
 A portion of these lands are vacant by virtue of orders of the Board of Educational Lands and Funds, duly made, and may be redeemed if delinquencies and costs are paid before the land is leased.
