ENTERED AT THE HARRISON POST OFFICE AS SECOND CLASS MATTER.

What is meant by our neighbor we can not doubt it is every one with whom we are brought into contact, whose ever it be, whom we have any means of helping.

It is to be regretted, that two such corruptionists as senator Quay of Pennsylvania, and W. A. Clark of Montana, should be returned to the U. S. Senate they would better be in the penitentiary.

Finish every day and be done with it. You have done what you could. Some blunders and absurdities no doubt slip in; but that is no reason to be discouraged. Tomorrow is a new day begins it well and serenely, and with too high a spirit to be cumbered with your old nonsense. This day is all that is good and fair. It is too dear, with its hopes and invitations, to waste a moment on the yesterday. — Ralph Waldo Emerson.

Do It Now.

Once a boy was walking along the seashore when he saw a very beautiful shell. But he had his hands full just then, and he said: "I'll pick that up when I come back."

But when he came back after a while he could not find it. The waves had washed it out into the sea.

Sometimes a boy or girl says: "I'll not do this kind act today; I'll leave it until tomorrow the chance of doing it is gone." — Selected.

Great excitement prevails at Beaumont, Tex., the discovery of new oil fields in that vicinity which bids fair to rival anything yet discovered anywhere in this country.

The queen of England is reported dangerously ill, with very little hope of her recovery. Thus England is on the verge of a catastrophe. It is stated that her majesty has been stricken with paralysis. LATER—The Queen of England and Ireland and Empress of India, is dead, having passed away Tuesday, Jan. 22, 1901. Queen Victoria, is said to be the best queen that ever graced the throne of England and her reign was two days longer than any of her predecessors.

It will be his Royal Highness Edward the VII, instead of Prince of Wales as formerly known.

An exchange says that boys with hats on the back of their heads and long hair hanging over their foreheads, and cigarette and smutty stories in their mouths, are a lot better than old worn out horses. No body wants them at any price, men will not employ them and girls will not marry them. They are not worth their keepings to any body, and they will never be able to keep themselves. If any boy happens to read this who answers the description let him take a good thoughtful look at himself and then do what his conscience says is the best thing to do.

Hon. Thos. M. Patterson, publisher of the Rocky Mountain Daily and Weekly News, was, on the 16th inst honored, by the Colorado legislature by electing him U. S. senator to succeed Hon. E. O. Wolcott, whose term will close March 3rd next.

The Oregon Legislature passed a resolution, last week submitting the Initiative and Referendum, to the people, which they will vote upon at the next general election, and to us we believe it a good move in the right direction.

Persons who suffer from indigestion can not expect to live long, because they cannot eat the food required to nourish the body and the products of the undigested foods they do eat poison the blood. It is important to cure indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health.—J. E. PHINNEY.

Pepsin preparations often fail to relieve indigestion because they can digest only albuminous foods. There is one preparation that digests all classes of food, and that is Kodol Dyspepsia Cure. It cures the worst cases of indigestion and gives instant relief, for it digests what you eat.—J. E. PHINNEY.
