GEO. D. CANON, - EDITOR.

ENTERED AT THE HARRISON POST OFFICE AS SECOND CLASS MATTER.

Ex-president Harrison, is critically ill at his home at Indianapolis, and seemingly without much hope of recovery.

Terrible storms are reported from Texas and other southern states, destroying millions of dollars worth of property, besides killing and warring a great many people.

Working 24 Hours a Day.

There's no rest for those tireless little workers—Dr. King's New Life Pills. Millions are always busy, curing Torpid Liver, Jaundice, Biliaryness, Fever and Ague. The banish sick headache, drive out Malaria. Never gripe or weaken. Small, taste nice, work wonders. Try them. 25c at J. E. PHINNEY'S.

Delaware, in the U. S. senate is represented by two vacant seats. If Nebraska has no better senatorial timber to represent her interests in the upper house than the republicans have trotted out so far, the state, like Delaware will be best represented by two vacant seats in the American house of Lords.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for croup. It quickly cures all coughs and colds and every throat and lung trouble. It is a specific for grippe and asthma and has long been a well known remedy for whooping cough.—J. E. PHINNEY.

In the retirement of four U. S. senators March 4th, president McKinley has rewarded them with good positions at a salary of \$5,000 each, yearly, as Louisiana Purchase World's Fair commissioners to be held at St. Louis, in 1903. The republican party always provide for their retired and useless officials by pensioning them in some way. In a pecuniary sense it pays to be a republican, no matter how dishonorable may be the principles of the party. The four senators are Thurston, McBride, of Ore., Chandler of New Hampshire, and Lindsay of Kentucky.

The fusionists of the Montana legislature on the last day of the session succeeded in electing a U. S. senator in the person of Hon. Paris Gibson, of Great Falls, who together with senator W. A. Clark, will represent Montana's interests in the upper house of congress for the next four and six years, respectively.

The PRESS-JOURNAL, since it changed hands four years ago, has been persistently opposed to having the ballot placed in the hands of women in this state but we have finally come to the conclusion that if woman suffrage will work to the satisfaction of every body, and to the detriment of no body, in states like Idaho, Colorado, Utah and Wyoming, there is no plausible reason why the women of Nebraska should not exercise the right of suffrage. We believe the women of Nebraska are in every way as intelligent, and capable of casting the ballot as the women are in any of the states now exercising the right of suffrage. Following is the way the state supreme judges in Idaho feel toward equal suffrage in that state:

Women were given the suffrage in Idaho by popular vote at the general election in 1896, by a majority of almost two to one. A statement has been published, signed by all the judges, of the State Supreme Court, testifying that thus far it had proved satisfactory. They say: "Woman suffrage in this State is a success; none of the evils predicted of it have come to pass, and as a measure of justice it has gained much in popularity since its adoption by our people."

Night was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 50 pounds." It is absolutely guaranteed to cure Coughs, Colds, LaGrippe, Bronchitis and all Throat and Lung Troubles. Price 50c and \$1.00. Trial bottles free at J. E. PHINNEY'S drug store.

The Delaware legislature, which was republican on joint ballot have failed utterly, to elect two U. S. Senators, thus, it indicates Hancock's influence is waning somewhat, in the east. It is another good lesson, showing that republicans should be elected by popular vote.

Gems From the Trenchant Pen of Clío.

Saturday evening's press brought the sad intelligence of the death of our young friend, Miss Dora Christian. It seems so sad for one so young, so full of life and noble aspirations and so gifted, to be thus early stricken down, just when she was blossoming into such a useful and beautiful womanhood. "In my father's house are many mansions" and her savior said "I go to prepare a place for you," so Dora has early gone home and beckoning her loved ones here to follow. The bereaved family have our earnest sympathy.

When the wind was howling so dimly with you on the second it was such a lovely day here, but by noon Monday the wind was pretty strong and Tuesday was a dry blizzard, the hardest day we have seen here, but at no time was the college wholly obscured, so we have been through much harder dirt storms many a time. The 9th was very windy and some snow fell but the sun came out nice and warm Sunday so the snow had to go.

I do not believe I care to try the experiences of the Pine Tree State. No wonder M. A. C. does not let a little Nebraska blizzard or snow storm discourage her. She was schooled to such experiences "way down east."

I supposed most of the cattle in the state were "out west" but Mr. Hord near us is fattening about eight thousand head of cattle, fifteen thousand of sheep and has lost about ten thousand dollars worth of hogs. He is the largest stock dealer here but many of the smaller men carry on good business also. A man does not have to own all the land he can see here, if he owns a few hundred head of cattle.

"Uncle Louis and his Sunday smile" no doubt attracts some attention, but we feel like congratulating the little Miss herself, who has made such a romantic appearance on "the historic banks of the muddy Soubelly." We hope if the time ever comes that she desires to change the name of that creek, that she may be more successful than we were when we made the attempt way back in '89. C.L.O.

Remarkable Cures of Rheumatism.

From the Vindicator, Rutherfordton, N. C.

The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second in rheumatism in thigh joint, almost prostrating him with severe pain which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. For sale by J. E. PHINNEY.

An Honest Medicine For LaGrippe.

George W. Wait, of South Gardner, Mo., says: "I have had the worst cough, cold, croup and grip and have taken lots of medicine but no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chill, cold and gripe have all left me. I congratulate the manufacturer of an honest medicine." For sale by J. E. PHINNEY.

Strikes A Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, F. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by J. E. PHINNEY.

A good Cough Medicine for Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by J. E. PHINNEY.
