ENTERED AT THE HARRISON POST OFFICE AS SECOND CLASS MATTER.

About six or eight weeks ago a man by the name of Callahan was arrested by the Omaha Chief of Police as one of the participants in the Cudahy kidnaping crime last fall. Mr. Callahan was placed on trial a week ago and Saturday last was acquitted of the crime. And now after 12 competent jurors have heard the evidence from beginning to end and declared the man is not guilty, the daily papers, public sentiment and the trial judge seem to think the man is guilty just the same.

"I have been suffering from Dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly," thus writes Mrs. C. W. Roberts North Creek, Ark.—J. E. PHINNEY.

Gov. Deitrich, Monday pardoned, defaulted, ex-city treasurer Henry Bolln, who was sentenced to the state penitentiary five years ago for nineteen years penal servitude. Henry Bolln, is a brother of Merchant Bolln of Douglas, Wyo.

Black Jack, the noted train robber and murderer, was executed at Clayton, N. M. on last Friday, in the fall from the scaffold the head of the bandit was completely severed from the body. A most bungling job.

"Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered," so writes A. L. Spafford, Chester, Mich.—J. E. PHINNEY.

The dance at the Andrews Hall last night was quite well attended, Dave Bartlett and L. C. Wright furnished the music.

—M. J. Carroll, who has been at Morcroft, Wyo., during the past few months returned to the bosom of his family this week.

—Arthur Christian, came into town Monday evening and had a surgical operation performed by having a very painful tooth extracted.

—We understand that J. J. Kipp has sold his ranch to the Schaefer's and for the summer go to Gering where he will put in the season for the next seven or eight months. Gering's gain will be Sioux County's loss.

FOR SALE—A complete set of Encyclopaedia Britannica, 25 volumes. You can get them for almost nothing in comparison to what they cost. The same can be seen at this office.

MARRIED—At the residence of Mr. and Mrs. Charles Cammenzind's, today Miss Mary Widenstein of Buffalo, N. Y., and Mr. Jacob Dose, of Hat creek, Wyo., Judge Schilt performing the ceremony; the parties are aged respectively 21, and 28 years. Congratulations.

—Peter Bourrette, was given a most agreeable surprise last week, in the nature of a visit from a younger brother from West Bend, Iowa, whom he had not seen in several years. Uncle Bourrette knew his brother was in Sioux county, when the latter arrived at his domain on Running Water. Mr. Bourrette is engaged in business, in West Bend, and while he told a press reporter he liked Sioux county for a visit yet he did not think he would like to reside here permanently. The gentleman spent a pleasant week, with relatives, and left on last Monday for Chadron, where he spent a pleasant day, or two, with relatives.

—We are glad to note that Carl A. Larsen, who has been conducting the work on a section near Van Tassel, has been appointed to succeed W. B. Wright on the Harrison section, thus giving him the advantage of the schools for the education of his children.

—A. G. Fisher, of Chadron vs. H. H. Russell of this county, is a case wherein Capt. Fisher, sued H. H. Russell for fees which he claims were due him as counsellor for Charles Russell in his preliminary trial for the murder of A. L. Staudenmaier last May. The case was tried before Judge Schilt's court yesterday, and resulted in the court finding for the plaintiff in the sum of \$88.00. We understand the defendant, Mr. Russell, took an appeal to the District court.

—We are glad to announce to the general public, and especially all lovers of a good darkey minstrel and comedy opera show, which will take place at Andrews Hall, Friday (tomorrow) evening. The troop are composed of six colored ladies and gentlemen, and give the celebrated play "Black Oddity," together with other comic features during the evening's entertainment. Without doubt this is beyond all probability the best show of the kind that has ever passed this way and condensed to stop off and display their talents at Harrison. Come out and hear them.

—Will Harvey, was unfortunate last Friday afternoon; while in the timber alone trying to load a log onto his wagon with a pry and skid, and in some way the skid gave away causing the log to fall back on one of his legs, breaking it about midway between the ankle and knee joints. The accident occurred about an hour before sundown and he was compelled to stay there until about 8 o'clock in the evening before assistance came to his relief. Dr. Phinney was dispatched for, and went out and set the fractured member and otherwise looked after his physical conditions. It means Will must lay up for at least six weeks from his labors.

Old Soldiers Experience.

Shudders at his past.
"I recall now with horror," says mail Carrier Burnett Mann, of Levanna, O., "my three years of suffering from Kidney trouble. I was hardly ever free from dull aches or acute pains in my back. To stoop or lift mail sacks made me groan. I felt tired, worn out, about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me and made me feel like a new man. We are glad to note that Miss Amy Christian is able to resume her school duties this week. On last Wednesday she was able to ride home from the valley, and has improved greatly since. Let every voter turn out to the annual school meeting on next Monday the 8th, as there is a treasurer to elect, and several other matters to be attended to. The election will be held in the east school house.

The demand for potatoes are so great that almost every one on the Ridge expects to put out a large patch. On the east side of the settlement, alone, there will be about twelve acres planted to tubers.

There seems to be quite a demand for seed wheat here and several could not get the seed to sow the amount of ground that they had intended sowing. John Deuel had to pull the pump in his well, the fore part of last week, on account of the check valve not working.

J. H. Foster, of Manville, was through here assessing the "Ridgeites," on Wednesday of last week. He has the whole county to assess, and it is sure a long job as the county is about 100x70 miles so we understand.

Mrs. S. Holterfeld was quite sick the first of the week. We did not learn the nature of the disease.

What has become of Clio and M. A. C? We miss their letters so much. Now sisters wake up from your Rip Van Winkle nap and give us the news. Do not leave poor old Zerkie to fight the battle alone, even though there is a Cannon to do the execution, spring is here and we're "picking up"—our feet after the plow. Wake up, sand hill, let's hear you scrake!

Mr. Editor, can't you get a correspondent from Glen? A weekly news letter from there would be highly appreciated by us. We would suggest that Mrs. M. H. Green, send in a list once a week.

Mr. and Mrs. Andrew Christian went to Lusk last Saturday afternoon, returning home on Sunday.

Miss Nellie M. Christian gave an afternoon party to her little girl friends, on last Thursday. Quite a number were present and they passed a pleasant afternoon playing games and feasting on candies and nuts. An excellent dinner was served at 4:30 o'clock to which the girls did ample justice. After dinner they played a few games, then bade their hostess good bye and went home to tell their mothers what a fine time they had at Nellie's party.

Those present were, Nellie and Dot Zumbrennen, Berlie Church, Olive Tattman, Georgia and Theo Holterfeld, Eliza and Metta Christian, and Jessie and Bessie Newland.

C. L. Christian took his cattle to his south range the first of the week.
