ENTERED AT THE HARRISON POST OFFICE AS SECOND CLASS MATTER.

Without doubt the people of the country will be exceedingly pleased to learn that Mrs. McKinley is much improved and that she will soon be so far recovered that she will be able to resume her journey home in a day or two more.

"Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered."—writes A. L. Stafford, Chester, Mich.—J. E. PHINNEY.

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation, such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good.—J. E. PHINNEY.

Rev. Father Phillips, of Pennsylvania, who as acted as peace maker, on several occasions, between capitol and labor, but more recently he has been employed as mediator between mine owners and miners, and in the latter capacity he was in New York city, where his body has been discovered in a badly decomposed condition, in a rooming house, already one suspected of the murder has been arrested. Father Phillips was last seen in public at the ceremonies in connection with Cardinal Merz's being made a prince of the Catholic church. It is supposed a hireling committed the murder.

Hon. Chauncey Depew, the great after dinner spell-binder, now starts the political ball rolling by making the statement that Mr. McKinley should be re-elected for the 3rd term, in order to maintain good times and save the country for ever. Mr. Depew, and Mr. McKinley should bear in mind that the illustrious Genl. and ex-president Grant was head and shoulders above president McKinley, and yet the people would not tolerate a third term candidate. We do not believe the people will do it now.

"I have been suffering from Dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I can not praise Kodol Dyspepsia Cure too highly."—writes Mrs. C. W. Roberts North Creek, Ark.—J. E. PHINNEY.

The present inflation in the stock market in this country is a Kansas newspaper to say the following:

"When the cold financial distress hits every business man in the land—and it will hit; when the seven lean kine are turned loose—and they will be turned—loose—and they will be turned—all the blooming idiots who have blown their millions and billions into these balloon trusts will be annihilated as quickly as a doll paper house in a Texas tornado—while the distress will be brought upon the country will cause—if not a revolution, something very nearly approaching one. Judgment day will come to all these billion dollar hot air schemes and it will come with a force and power that will shake the financial world from end to end; and the fortunes that will be swallowed up will be counted by the billions. We have had panics before, but all of them combined will not be a patch compared to the one that is found to follow this criminal inflation of everything on earth; and it will call out all the cold storage patriotism in the country to save it from destruction."—Non Conformist.

## ADDITIONAL LOCALS.

—Sheriff Lowry, has been kept quite busy during the past week, summoning jurors, and getting ready for court in general.

—Merchant Bigelow, has the past week been doing some more improving, this time by putting a coat of paint upon his store building, which gives it a decided appearance.

—Mr. and Mrs. Henry Rose, of Hewitt were in town Tuesday and Wednesday doing some trading. Henry reports a case or two of small pox, three or four miles south of his immediate neighborhood.

—We learn that T. B. Snyder, of Sheep creek, near Hewitt, last week had the misfortune to get quite seriously kicked by one of his mules which he was driving at the time, but is on the mend now.

—We are glad to hear that neighbor Livermore realized good prices for everything that was put up for sale at his public auction Tuesday. We are always glad to see our neighbors do as well as ourselves.

—Chas. W. Shoff, district agent of the Provident Savings Life Assurance Society of New York, of their branch office at Denver Colo., has been in Harrison the past week working up some business for his company, and while in the city made a pleasant call at this sanctum.

—M. A. Bannan, and his two sons George and Thomas, returned from Wheatland, Wyo., where they went a week ago to spy out the country with a view of locating there if suitable. But, they were not very favorably impressed and hence, will look elsewhere for better advantages.

—We are hearing considerable talk of late about the government authorities taking steps towards having the fences on the public domain pulled down in Wyoming and Nebraska. Whether it will be done, and whether, or not, it will be all for the best, we cannot say.

## Bodarc Cleanings.

Frank Coffey, came up from Chadron, last week to spend a couple of days at his old home, it looked quite natural to see him dashing over the prairie on his favorite horse Dandy.

We hear they are having another smallpox scare in Chadron there being ten cases at present we hope they will be able to prevent a further spread of the disease.

Mr. H. Zimmerman, moved his cattle on Wednesday to Old Woman creek for the summer.

Sheriff Lowry, was in the valley on Monday, looking up some witnesses in the Crawford case.

Miss Little Zimmerman, and her mother spent Sunday at Millers.  
Rain is very much needed in this locality, already fears are entertained of another dry summer. M. A. C.

## Over In Wyoming.

We heartily welcome M. A. C. back to the banks again.

Rev. Warren and presiding Elder Scamhorn, held services in the west school house on last Sunday forenoon. A large crowd was in attendance; in fact more than the house could accommodate. Sacrament was administered at the close of the services.

Mrs. Church, Sr., who has been waiting on Mrs. Newlin for the past two weeks returned to her home on last Sunday.

Mr. and Mrs. George Turner, attended quarterly meeting on the Ridge last Sunday.

A. B. Galbrith, and his two sons, Lon and Henry of Warren, Wyo., passed through here enroute to Harrison, on last Friday, after two tons of wire. They returned home on Sunday. Harrison must have a large trade, when its territory reaches a radius of sixty miles, as we understand that Mr. Galbrith lives 60 or 70 miles from Harrison. He is also a subscriber to the best paper in the north-west,—the PRESS-JOURNAL,—so he informs us.

Miss Amy Christian closed a six month term of school, in the Deuel district on Saturday, and began a three months term in the west school house, in Dist. No. 7, on last Monday. This will make fifteen months of school which she has taught without a vacation excepting a few days during the holidays. Our schools now have experienced teachers, who are known to be successful in their work, and will no doubt give entire satisfaction.

Miss Mattie O'Connor, teacher in the east school, went to Harrison on last Saturday, to visit with her parents over Sunday.

A good rain would be of great benefit to all just now, the ground is getting to dry to plow and what grain is sown needs moisture to make it come up.

Some of the farmers will finish seeding this week and will be able to appreciate a good rain, also to visit and talk with your reporter.

The prospects are good for a large crop of grasshoppers, as the grass is almost swarming with the little pests now. They are quite small, being just hatched but at every step one takes through the grass, they fly out like chaff from a thrashing floor. Unless they take wings and leave soon no doubt but that they will do an immense amount of damage.

We wish editor Cannon, a pleasant trip and an enjoyable time with his brother in Idaho, ZERIEL.

Shudders at his past. "I recall now with horror," says mail Carrier Burnett Mann, of Levanna, O., "my three years of suffering from Kidney trouble, I was hardly ever free from dull aches or acute pains in my back. To stoop or lift mail sacks made me groan. I felt tired, worn out, about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me and made me feel like a new man. They're unrivaled to regulate Stomach, Liver, Kidneys and bowels. Perfect Satisfaction guaranteed by J. E. PHINNEY, only 50 cents.

LOVE, SWEET LOVE. A religious writer has pointed out one good thing resulting from the Chinese war. He claims that there is much concord and harmony among the armies of the Christian nations now in possession of China—no jealousy or heart burnings—no attempt to overreach each other—but they exhibit much Christian kindness and brotherly love. Therefore he argues that the nations of the world are getting closer together, all discord is banished and hereafter they will be able to dwell together in peace and concord.

We have been cognizant of this ourselves. We have noticed increasing friendship among the great nations of the world. Our heart has burned within us when we have witnessed the ardent friendship and tender love manifested for each other by the president of the United States and the sultan of Sulu—the bearing of each other's burdens—the blindness to each other's faults—the earnest efforts to help each other in their great and difficult humanitarian reforms.

While thinking of these things our mind involuntarily turned to the beautiful words of the grand old hymn which we used to sing long ago, before our religious hopes had become dusty and shelf-worn:

The celebrated wild cure of the Black Hills, S. D., over which there has been so much litigation between the government and some local parties, which resulted in favor of the former, it is again to be reopened to the public.
