You are much more liable to disease when your liver and bowels do not act properly. DeWitt's Little Early Risers remove the cause of disease.—J. E. PHINNEY.

We understand that things did not sell at June Smith's sale, as he had anticipated, the cattle especially, sold beneath his expectations. We presume the fact of so many sales being held so near together had something to do with the low prices.

DeWitt's Little Early Risers search the remotest parts of the bowels and remove the impurities speedily with no discomfort. They are famous for their efficacy. Easy to take, never gripe.—J. E. PHINNEY.

A glowing testimony of the high esteem in which Mr. Beihle, and his family were held in by their neighbors in the valley, was displayed by the latter on last Saturday, when they all vied with each other in seeking to be the first at Mr. Beihle's home in the valley, to convey the family to town, where they spent a few days with friends.

Ye editor, who has spent a week or ten days in Idaho returned to the routine duties of his office, in time to grind out this weeks issue of the PRESS-JOURNAL. How did we like Idaho? Oh, very well; but as there is no rose without its thorn, so also we found that Idaho like all other states has its thistle and its rose, yes we found it had its drawbacks just as Sioux county has.

J. G. Martin, and family of Andrews, left this week, for the eastern part of the state, where they expect to make their future home. Mr. Martin disposed of his Sioux county interests to Mr. Langworthy, one of Sioux County's foremost and enterprising young stock men. Mr. Langworthy's faith in our county is secure, hence he is enlarging his cattle and real estate interests in a measure which will ere many years tend to make him one of our leading stock growers.

Hugh Fremont McIntosh, editor Nebraska Farmer, passed down the road Monday evening from Casper and Douglas, Wyo., where he has been for the past week looking over the sheep and cattle ranges, more for the purpose of recuperating and having a good all around outing. Editor McIntosh was very favorably impressed with the stock industries of Western Nebraska and Wyoming, and will without doubt make other such pleasure trips from time to time, as the desires of his pleasure seeking disposition may demand. Northwestern Nebraska and eastern Wyoming is, on the account of the stock industries the natural field of the Nebraska Farmer and we hope its mailing list may be increased many fold in the future as a result of Breer McIntosh's recent visit to these parts.

We can still give the PRESS-JOURNAL and the Commoner for \$1.75. The Commoner and the PRESS-JOURNAL stand for the peoples interests and the readers in Sioux County cannot afford to be without these two champions of the people's rights. The PRESS-JOURNAL alone is worth the price asked for both. Every body in Sioux county should read BOTH papers.

FOR SALE—A complete set of Encyclopaedia, Britannica, 25 volumes. You can get them for almost nothing in comparison to what they cost. The same can be seen at this office.

No editor can, conscientiously advocate the doctrine of buying from home merchants, unless some merchants show that they are interested in catering to the home trade, by advertising in the columns of the local paper. It is somewhat depressing, putting it mildly, to the editor to find business men, patronising every advertising fake that comes along, and at the same time the names of those business men rarely if ever appear in the advertising columns of the local newspaper.

During the past two weeks we have been in charge of this office, and while the duty in itself is one of pleasure, because it is a chosen one, yet the one difficult part was to run about and find local matter for publication. This difficulty was entirely obviated by several of our business men, and now that we are relieved of our duty, we feel that we must thank all those who have been so extremely kind to us.

Respectfully, Editor protem.

On last Tuesday noon, Mr. Charles Beihle, and his estimable family were passengers, on the west bound train, enroute for California, where they intend to reside in future. Mr. Beihle, has been a resident of Sioux county, during 14 years, and we can say without fear of contradiction, that a more upright and honest citizen never lived in this county, or in any other. He served two terms as Treasurer, of our county, and were it not for the fact that the Treasurer's successive term of office, is limited to two, he would have been re-elected unanimously. As he was succeeded by all to be the best treasurer Sioux County has ever had. Charlie as he was familiarly known, was the friend of all, irrespective of creed or nationality and his home in the valley, was always one of the pleasantest to go to. Mr. Beihle's pleasant word and pleasanter smile will be sadly missed by all our citizens, and we can only show a slight appreciation of a true neighbor and friend, by recommending him and his estimable family to the people who are to be his neighbors, as a family who are worthy and entitled to any and every consideration they may bestow upon them. His aged parents will accompany them. Mr. Beihle and his estimable family will be missed by our Sioux county people, but our loss will be the gain of another neighborhood, and to those who are so fortunate as to have them for their neighbors, we can only say they will never find any better, whether in sickness or health.
