There seems to be some talk about Hon. Tom L. Johnson, of Ohio, being the next democratic candidate, for president in 1904, going the rounds of the press, during the past two or three months. Well it is almost three years too soon to talk about making presidential candidates, but if Tom succeeds in making the corporations of Cleveland, Ohio, pay their just share of taxation, then he will be the proper kind of a man to nominate and elect in 1904.

Over in Wyoming.

Hill Shatto drilled a well for Philip Freese, and his desert claim a short time ago. He is now drilling one for Murphy and Davis on their claims one mile north of the cemetery.

Charlie Christian and John Sutton traded horses one day last week.

On Wednesday, June 5, quite a snow storm struck this part of the country and for nearly an hour the white, fowl, featherless; flew out of paradise and lit upon Solomon's Wall.

On last Friday quite a heavy hail and rain storm passed through here. No damage was done by the hail although the stones were quite large.

Frank Tinkham and Mr. Johnson, from the West side of this Converse county, were the guests of Mr. Church over Sunday.

Andrew Christian, Sr., and his son Charlie are now expert paper hangers. Mr. C. tried to get a paper hanger to do his work, but could not find one, so he and Charlie went at it themselves. They did an artistic job, and now have as cozy rooms as you will find on the ridge.

Mrs. Church Sr. was helping Mrs. Eva Christian clean house, part of last week.

James Deuel helped ye scribs finish seeding last week.

Miss Elsie Tatman has a new organ which her father got for her a few days ago.

Ye scribe met with a great fall last week hence no items. We sat down to write up the Over in Wyoming news and fell asleep. When he woke up it was too late to mail them.

Mrs. Zumbrennen, is expecting her father and mother here, from Monroe, Wisconsin, to make her a short visit, soon.

Mrs. Wiff Tatman is also expecting her mother from Prescott, Iowa, to visit her in a short time.

The frost on last Tuesday night made sad work of the beans and potatoes that were up.

Leonard Christian received a \$40 saddle, from a Denver firm on last Saturday. It's a dandy, and Len is quite proud of it.

Mrs. Hamlin, of Exira Iowa, is visiting her son, F. B. Hamlin and family.

On last Sunday night, about 10 o'clock a heavy rain storm, accompanied by hail set in, and lasted for over an hour. It was by all odds the heaviest rainfall that we have ever witnessed in the west. The ground was completely covered with water, and how the hoppers all escaped being drowned or washed away is more than we can tell. On Monday morning all water holes, blowouts, and low places, were miniature lakes, with mallards, teal and butter ducks floating on their calm bosoms. The ground is wet to a greater depth than it has been since the flood of Noah's. Now sister Clio, you had better bring your garden back to the great American Desert and have it wet up in good shape.

The trill of the toad and the croak of the frog were heard on every hand on last Monday, while the children born and raised here marveled greatly at their queer notes, having never heard the like before.

Danger, disease and death follow neglect of the bowels. Use DeWitt's Little Early Risers to regulate them and you will add years to your life and life to your years. Easy to take never grips.

We repeat, this is the time to make a showing.

IN THE DISTRICT COURT OF SIOUX COUNTY NEBRASKA.

A Letter to Ills Sioux County Friends.

The following letter from our esteemed friend and fellow citizen, John L. Kay, who is now taking baths for rheumatism, at Hot Springs, S. D., will be of interest to our many readers:

Hot Springs, S. D., June 10, 1901.
Editor Canon,
Dear Sir:

I arrived here June 7th, to take baths for rheumatism. Am glad to say I am some better, feel somewhat loosedme so will write my Harrison friends a few lines, thru your valuable paper. Weather, yes, weather, it is the leading question here. Saturday and Sunday, it rained yes, rained and poured down, yes and still raining. The people from the east that are here for treatment think this is a fine climate for rheumatism, they have left mud and rain only to come 300 or 400 miles to get more rain, but we live in hopes and not have died in despair, yet. Yes our old friend and neighbor, S. L. Kirtley, is here; come here to rest, will tell you how he rests, well, yes, just as ever on the run. Sometimes I catch up with him and say, "Kirtley lets talk old times and Herofords" thinking if any one word will stop him Heroford would, but he just smiles and says, "Lets talk as we walk John." Am glad to say Mr. Kirtley and his family are well and doing well. Anyone coming to Hot Springs, will find a good home and Harrison paper to read at the "Minnelusa," boarding home. Will close, hoping Sioux Co., is getting its share of the big rains, with best wishes of your friend and neighbor.

J. L. KAY.

In many instances attacks of cholera morbus terminate fatally before medicine can be procured or a physician summoned. The safe way is to keep at hand a reliable medicine for use in such cases. For this purpose there is nothing so sure as Chamberlain's Colic, Cholera and Diarrhoea Remedy. W. E. Bosworth, of Lafayette, Ala. says: "In June, 1900 I had a serious attack of cholera morbus and one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy gave me relief in fifteen minutes." For sale by J. E. PHINNEY, Druggist.

How to Avoid Trouble.

Now is the time to provide yourself and family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over, and if procured now may save you a trip to town, in the night or in your busiest season. It is everywhere admitted to be the most successful medicine in use for bowel complaints, both for children and adults. No family can afford to be without it. For sale by J. E. PHINNEY, Druggist.
