—W. L. Baldwin, returned from a visit to his sister in Minnesota, the first of this week.  
 —Mr. and Mrs. R. F. Neece, were up from their ranch the first of the week on business.  
 —Father Raycock celebrated mass at the court house in Harrison, on last Tuesday Morning at 10 a. m.  
 —We understand, nearly all of our townspeople contemplate spending the fourth of July, in Lusk.  
 —The bilious, tired, nervous man cannot successfully compete with his healthy rival. DeWitt's Little Early Risers the famous pills for constipation will remove the cause of your troubles.  
 —J. E. PHINNEY.  
 —Miss Katie Henry, came down from Lusk, the latter part of last week, in order to be present at the marriage of her sister Miss Lizzie.  
 —Wonder if we are going to have any summer weather this season? We are inclined to think the weather man, has forgotten what month it is.  
 —The county commissioners are busy this week, in the capacity of a board of equalization, after which they will resolve themselves into a board of commissioners.  
 —F. M. Smith, and his better half, of Five Points, who had intended to accompany their children to Washington, have abandoned the idea for the present.  
 —Mrs. Sarah Jordan, expects to become a resident of our town this week. Mrs. Jordan, is a valuable acquisition to Harrison, and we welcome her among us.  
 —Call at J. E. PHINNEY'S drug store and get a free sample of Chamberlain's Stomach and Liver Tablets. They are an elegant physic. They also improve the appetite, strengthen the digestion and regulate the liver and bowels. They are easy to take and pleasant in effect.—J. E. PHINNEY.  
 —J. E. Bartell, has so far repaired and cleaned up the old Beach Supply House that he will be able to move his goods in the last of this week or the first of next.  
 BORN—On last Saturday June, 8th, 1901, to Mr. and Mrs. M. J. O'Connell, a daughter. Mother and child are doing well, and Mike will with the best of care we think live thru the shock.  
 —Incidentally we learn that the next time our people hear the chime of wedding bells they will ring out the happy event, for our friend Nels Anderson, comes now Nels, own up to the fact.  
 —Rev. Rice, of Carey, came, up on the noon train last Saturday, and in the afternoon was driven out to Bodarc, where he preached to a large and appreciative congregation on last Sunday.  
 —Mr. Oscar Ward, who has been employed in the vicinity of Lusk during the past two months came down on last Saturday evening, to spend Sunday with his family. Returned to his duties Monday.  
 —Julian Lever, and F. W. Clarke left the latter part of last week, on a cattle soliciting trip, westward, in the vicinity of Douglas, Mr. Clarke's object in taking the trip is to get a general view of the country.  
 —At a meeting of the town board, held on last Monday morning, W. B. Wright, was appointed to fill the position of city marshal, and path master. Well we presume "Bub" will make first class walks and lock up all peace disturbers, just as good as any one can.  
 —The graders, fence, gang and the steam mowers doing work on the F. E. & M. V. R. R. are now busy making the work run along the road in the vicinity of Harrison, which tends to make one think, almost, that an entire new line of road being put in.  
 BORN—To Mr. and Mrs. Dedrick Nelson, of Glen, about ten days ago, a son. We understand that the name of Dedrick's youngest son was when he was born last Saturday, but we were no longer certain on hearing from him, that a son had been born, but came to Miss their hearts and home.

 at SMITH'S.

—Go to J. E. PHINNEY'S for wall paper.  
 —We have run up against a snag this week in trying to obtain local news. Its like getting blood out of a turnip.  
 —The weather for the past three weeks has been unusually cool, damp and rainy, a part of the time being very foggy so that one could not see ten rods away.  
 —Since the rain Tuesday evening, the weather has been most beautiful and in twenty-four hours, it seems as if the grass had grown two or three inches.  
 Mr. James Brown, of Putnam, Va., over 90 years of age suffered for years with a bad sore on his face. Physicians could not help him. DeWitt's Witch Hazel Salve cured him permanently.—J. E. PHINNEY.  
 —It rains, it rains, cried the school boy. Tuesday afternoon another heavy rain visited this section of the country accompanied with some hail and wind but not enough to do any damage to crops or the growing grass. This is getting to be a very wet country, sure enough.  
 —"The Doctors told me my cough was incurable One Minute Cough Cure made me a well man." Norris Silver, North Stratford, N. H.—Because you've not found relief from a stubborn cough, don't despair. One Minute Cough Cure has cured thousands and it will cure you safe and sure.—J. E. PHINNEY.  
 —This is one of the issues when news seems to be hard to get, yet we must give news or our subscribers will think we are a back number, so any thing you know, we do not know, kindly tell us, so we will know, and knowing a thing or two, we can inform our readers, so they too may know.  
 —Lew Gerlach, received a letter from his son George Monday, saying that the North Dakota country, where they were at present was entirely burned out by drought, and that since he left he had seen nothing that suited him as well as old Sioux county, he expects to be at home about the 4th, if all is well.  
 —A. L. Leithoff dropped into this sanctum Saturday, and informed us that he had been appointed by the government architect and building department at Washington D. C., as carpenter to work upon the government post office and custom house building at Omaha, and will put in 8 hour days at that place until next Christmas.  
 —Without doubt, the grass at this time of the year is very much better than it has been for a number of years, and to us it looks as if the hay crop was already assured. If we can get one more rain like that which fell here about daylight Monday morning, there will be twice as much hay put up this fall as any preceding fall for the past five years.  
 —"A few months ago, food which I ate for breakfast would not remain on my stomach for half an hour. I used one bottle of your Kodol Dyspepsia cure and can now eat my breakfast and other meals with a relish and my food is thoroughly digested. Nothing equals Kodol—Dyspepsia Cure for stomach troubles" H. S. Pitts, Arlington Tex., Kodol Dyspepsia Cure digests what you eat.—J. E. PHINNEY.  
 —We announced in last week's issue of the PRESS-JOURNAL that the people of Harrison were determined to celebrate the 4th of July, well, they are just as determined now as ever but, not at Harrison, that is, we mean to say they will some of them go to Lusk, the border town of Wyoming just west of us, some will probably go to the canyons, while others will celebrate in a quiet way at home, thus the public celebration as announced last week has been indefinitely postponed.  
 —A. McGinley and Dr. Phinney, are making things lively by having the work in the upper part of the Andrews building rapidly pushed to completion. They are having two halls furnished and arranged so that one of them can be used for secret orders, while the other can be used for banquets or other public entertainments that are constantly coming Harrisonward. When those halls are completed they will be the best in Northwest Nebraska, "forget it not, forget it not."  
 —Well, we can say with absolute certainty that friend, Dave Colville has sold his fine stock ranch 15 miles south of town to the three Beiser brothers, two of which are residents of Odessa, Ia., the other having moved here from the same place couple of months ago. We understand the consideration was \$4,900. Whether or not Dave received as much as he ought to have had or, whether the boys paid too little or too much for the place is immaterial to us or any body else, but this we do know, if all is true that we have heard relative to the place, it is one of the best stock ranches in Sioux County, and it has been said, embraces something like 14,000 acres.

**Grand Moving Picture Entertainment.**

 It was a quiet home ceremony, only the immediate relatives of the family being present. After the ceremony, was concluded, the guests sat down to a beautiful wedding feast prepared by Mother Hill, who fairly out done her reputation as a hostess, on that particular occasion. Those present were: Albert Hill and family, John Eberspacher and family, George Hill and family, and Chas. F. Coffee. The happy couple, were the recipients of many valuable presents, from their numerous friends, conspicuous among them was a check, from Charley Coffee, to the young couple for \$50, Mr. and Mrs. Albert Hill, and Mr. and Mrs. Eberspacher, a fine set of glass ware. They have gone to house keeping on the old ranch, where Mr. Anderson, is employed as foreman, and where they will be pleased to welcome their many friends at any time.
