Go to J. E. PHINNEY's for wall paper. The county "dads" have been busy this week checking up the county Treasurer. Commissioner Meng, spent Sunday with his colleague Commissioner L. C. Lewis of Andrews.

Merchant Bartell, will use the corner room which was until recently the home of the "Sun" for a ware house. G. W. Hester, has been quite indisposed during some time past from the effects of a severe cold, is now slowly improving.

Miss Claudia Hester, went to Lusk, on last Saturday, to remain until after the 4th. She was accompanied by Master Cecil.

Several of our business men attended Masonic lodge at Crawford on last Thursday night, and returned the following day.

Mrs. J. H. Bartell, who has been bedfast during the past week, is now much better and will be able to be out in a short time.

Mrs. Valdez, will spend the 4th in South Dakota with her hubby who is employed at present. The children will remain with Grandma.

Our home nine, are billed to play the Pleasant Ridge, nine at Lusk, on the 4th. Which team do we think will come out champions? Harrison of course.

N. L. Tipton, and Charley Umphenour, returned from Lusk, Wyo., Monday evening where they have been shearing sheep for the past five or six weeks.

The J. W. Smith, sale held on last Saturday was a success, everything sold well. June and his family will spend a week in the valley and then start for the coast.

A letter from the factory states a car of barb-wire will be shipped July 15, and should arrive about the 2nd of the month, G. W. HESTER.

When you want a modern, up-to-date physic, try Chamberlain's Stomach and Liver Tablets. They are easy to take and pleasant in effect. Price, 25 cents. Samples free at J. E. PHINNEY'S drug Store.

We are in receipt of a large, display poster from the managers of the G. A. R. Encampment, to be held on Bodeaux creek, 7 or 8 miles the other side of Chadron. An extraordinary good time will be had at the Encampment, there being such speakers as Col. Akers, Receiver of the Alliance Land Office, and ex-Senator, W. V. Allen, and others, which is sufficient proof of the success of the entertainment. Everybody should go that can.

Prof. Phipps, of Chadron, was doing business, in town, the first of this week, while in town, he dropped in for a chat with ya editor. Prof. Phipps is well and favorably known in Sioux County having been connected with our institute work, on one or two occasions. The Prof. was elected superintendent, of the Chadron public Schools and is amply qualified for the position.

MARRIED—At the residence of Judge J. E. Bartell, in this city, Saturday, June 29, 1901 at 3: o'clock p. m. Miss Eva Hatches to Mr. Harry Tempany. Aged respectively 18 and 21 years. Both of the contracting parties are residents of Dawson county and live in, or near Fort Robinson. While we are not personally acquainted with them we wish them a long and prosperous journey through life.

The hall, which has been under process of repair for the past month, is now complete and without doubt is one of the best in North-west Nebraska. There are two of them on the same floor, separated by a partition; one is especially arranged for secret orders, the other to be used for public entertainments and gatherings. These two halls would be a credit to a city of five or ten thousand.

Buy your wall paper at the drug store.

Read Marsteller Bros., new Shoe ad this week.

Our county fathers completed their arduous duties yesterday.

Mrs. Thayer, will resume rug weaving after the 4th. At the same price.

This is hot you bet today, look out for hail and rain the 4th usually brings it.

The un office is now located in the store room formerly occupied by J. H. Bartell.

Mr. and Mrs. R. Simlar, and children of Indian creek, will spend the fourth at Grandpa Nutto's in the canyon.

Subject Sunday at 8 p. m. will be "Christian patriotism and George Washington." Autoharp solo, "The old house at home."

Master Henry Moravek, who has been employed at a sheep camp during the past few months, came home the first of this week, to spend the 4th.

J. E. Marsteller, went to Crawford, on last evening to meet his mother who is billed to arrive there this morning from Pennsylvania, to make her children here an extended visit.

We understand that Mr. and Mrs. Ernest Lyon will occupy the ware house just recently vacated by merchant Bartell. Ernest thinks paying rent does not make a man rich.

A good man can get a job of work by applying to Dave Collville, who needs a man to go with a car of horses to North Dakota, and after arriving there to take care of a herd of horses.

Mr. and Mrs. Jake Henry, spent last night with the latter's parents in the canyon, and this morning accompanied by the Misses Nutto, they boarded the early train for Lusk, to celebrate the glorious 4th.

Miss Lizzie Cottman, the Sioux county "heroine" was married on last Wednesday at the Blaine parlors, in Chadron, and with her other half will reside on a ranch a short distance from Crawford.

Next week Gerlachs will have a carload of the celebrated, Deering Harvesters, Giant 5 ft mowers, and matchless Deering rakes and Deering Twine direct from Chicago.

The weather for the past week or ten days, except Monday, has been very warm. Yet, according to the daily papers, Sioux county has been quite frigid compared to the weather in the eastern states, where scores of fatalities have resulted from the torrid weather.

George Gerlach, returned Tuesday from his long and tedious trip—overland to North Dakota, where he went about six or eight weeks ago to assist in driving a herd of horses belonging to Dave Collville for a range for the future. He is all o. k. and is ready for the glorious 4th.

Joe Ludwig and John Lacy, left Monday evening for Kansas City, where they went to visit the rural districts of South eastern Kansas and North-western Missouri with a view we understand of spying out the country for future locations. We believe the boys will miss it if they don't stay with Sioux county.

E. F. Pontius, our highly esteemed and ever courteous agent, who has been enjoying a well earned rest during the past week or two, in the hills country returned to routine duty on last Saturday. All of our people appreciate Mr. Pontius at the depot. The supply agent left for other points on the same evening.

Yesterday, Phil Dunn, was in town from the valley north, and he says the grass hoppers are going after the grass with wonderful rapidity. In his opinion they have got about all the best grass in his neighborhood and that the little pests are cutting it off close down to the roots but we hope it is not near so bad as Phil seems to see it.

A letter from Mrs. R. M. Wallace to Mrs. Eugene Bigelow states they are at Cokeville, and that Frank is sick of Mountain fever, also that they were still in Wyoming, and tired of traveling, and if the boys could find work, they would accept it for the time being. Mrs. Wallace, has a host of friends here, who will be glad to hear any word from her.

On last Thursday afternoon county Surveyor Ruffing, had a narrow escape from what might have proved a serious run-away. Just as he was harnessing up, preparatory to starting for home, one of his horses which was being held by Mr. Ruffing's little son, got away and took the other with it, however before they had gone very far or did very much damage, some of our citizens had caught them. Mr. Ruffing was detained a little later in town, by his having to have his wagon tongue repaired.

MARRIED—Under the blue vault of heaven, with the beautiful canopy of the forest as an umbrella, near the home of the bride's parents, at 8: o'clock on last Sunday afternoon Rev. Warren, of Harrison, performing the ceremony. Mr. G. W. Clapp, of Marsland Neb., and Miss Deloria E. Eldrige, of Pleasant Ridge Wyo. Aged respectively 27 and 20. We are not personally acquainted with the contracting parties but we wish them all the joy and happiness, which this world is capable of giving to its votaries, but the best of all we wish them the true happiness hereafter. Mr. and Mrs. Clapp will reside at Marsland. Mrs. Clapp, is a daughter of B. E. Eldrige, of Pleasant Ridge.

F. E. & M. V. R. R. Special Rates.

Acc't Stock convention, at Douglas Wyo., July 19th-11th-12 a round trip fare of 5.50 is authorized. Dates of sale July 19th, 11th and 12, good returning July 13. On July a special train will leave Chadron at 10: o'clock a. m. arriving at Harrison about 7: or 7:30 a. m. for Douglas. E. F. Pontius, Agt.

Fly Nets for sale at E. Rohwer's Harness Shop.

A goodly number of our town's people took the train for Lusk, Wyo., where they went to spend their fourth of July, and in all probability they will listen to the reading of that ancient, worn-out and obsolete document called the Declaration of Independence, once the adored tenent of this nation.

Tuesday, Mrs. Solteau and three or four children came to town from the valley and complained to the county commissioners that her liege Lord and Master whom she has been living with out of wedlock since coming to our county eight or nine years ago, had given her a severe whipping and run her together with the children off the place. It is high time that this man should be given to understand that the penitentiary is the proper place for a person like him, who has broken all moral and civil law. Of course we believe the woman is in a measure as much to blame as he is, but, as we have said before on a similar occasion by the same parties, that is no reason why she should be beat and driven from her home, with helpless children to starve.

H. T. Hibben and Henry DeBuck, who have been, for the past two months up in Wyoming, hunting and trapping gray wolves and coyotes, succeeded in bagging 44 gray wolves and 116 coyotes which we understand, the bounty alone netted them each, about \$90, per month. If the boys had been doing their work within the bounds of the Running water Wolf association's prescribed district, the association would have been all but bankrupt now. Such slaughter of Wolves and coyotes as that means the saving of thousands of cattle, sheep and horses to our ranchmen. We believe it would be profitable to the stockmen of Converse Co. Wyo., and Sioux if they would keep the two boys constantly employed at \$50 per month each, waging war upon the destructive pests of the cattle, sheep and horse herds.

Minutes of the 9th Annual S. S. Convention.

The Ninth Annual Convention of the Sioux county S. S. Association was held at Glen, June, 25th, and 26th 1901. Sioux county has four Sunday schools and they were all represented but one. Though the numbers were not as great as in former years, the convention was one of interest to those who were present. The two days were largely spent in a study of Genesis as a preparation for the lessons of the six months to come, with such practical discussions as grew out of this study, such as family religion and the Sabbath of Genesis and of today. The paper on the, "Christian Sabbath" by Mrs. Ray of Crawford was especially interesting.

Reports of schools shows a falling off of numbers except in Harrison, but in most cases no decrease in interest. No school has been lost during the year. One reported an increased earnestness and interest in Bible Study. When we remember the many christian families that have left Sioux co., since the time of our last meeting and that outside of Harrison there has been no regular preaching in the county since last fall, we feel that the reports were encouraging. Letters were read from the following Sioux Co., workers who have left us, sending greetings and telling of christian activities in their new homes, Mrs. J. L. Kendall, Houston Idaho, The Knott family Central City, Neb., and H. B. Clough, Alberta. Mr. and Mrs. J. L. Kendall, has under their care four Sunday Schools that were not in existence a year ago and Mr. Clough is superintendent of the Nebraska Sunday School which has been in working order ever since the Canada parties left us a year ago last May. It has been held in wagons and tents and the small houses the settlers put up at first and is to have a permanent abiding place in the frame school house which is soon to be. The officers and teachers and most of the pupils are from our Sioux county Sunday Schools, and the school now numbers 66. The Glen Sunday school provided most beautifully for our entertainment. Dinner Supper the first day and dinner the second were served in the church and the time between, sessions, was pleasantly spent in social intercourse. The next meeting will be held at Union Star Church on Little Cottonwood in 1902. Mrs. C. E. RICE.
