ENTERED AT THE HARRISON POST OFFICE AS SECOND CLASS MATTER.

Prince Volu Hohenlohe, the great German Chancellor, who was a second Bismark, died in Switzerland, on the evening of the 5th, of infirmity, and old age.

The federal mint of San Francisco, has been looted of near \$50,000, by some of the employees, or the officials, who have supervision of the institution, the government threatens prosecution of the directors and officials of the institution.

In the matter of taking homesteads on the Kiowa and Comanche reservations which are being opened up to settlement, the government officials have desired all parties desiring to make entries on land, must line up and take their chances at the land office, showing no preference of favoritism to anybody.

There is no use in denying the fact, as we see it at this time, that trusts are here to stay, or until the laboring class rise up in their might, and by physical force or other wise destroy them. As time progresses, it is plain to be seen even by his most bitter, political enemies, if they would be honest and frank enough to admit it, that the statements, which are more in the nature of prophecies made by Hon. W. J. Bryan, for the past four or five years are literally true today and are much worse than we presumed they would or could be.

Carroll D. Wright, has issued a report showing that the total cost of transporting passengers in the United States is less than one-fifth of a cent a mile. You want to go somewhere on the car. The cost keeps you at home. You know what the price of the ticket is. You pay at the rate of three cents a mile. This is fifteen times as much as it costs, according to Mr. Wright's figures, and he is a McKinley government expert. Divide the price of your ticket by fifteen and this will show you what you could ride for if the government owned the roads as they would carry at cost. What now costs you a dollar would cost you less than seven cents. But if we take into account how much would be saved in expenses by having the roads all under one management it would be less than five cents. Experts say that you could ride any distance for five cents making the long haul pay for the short haul, as in the postal business. You could ride from New York to San Francisco for that. How do you think we can get such a desirable thing? Have you any plan for doing it? What is that plan?—Coming Nation.

You can never cure dyspepsia by dieting. What your body needs is plenty of good food properly digested. Then if your stomach will not digest it, Kodol Dyspepsia Cure will. It contains all of the natural digestants hence must digest every class of food and so prepare it that nature can use it in nourishing the body and replacing the wasted tissues, thus giving life, health, strength, ambition, pure blood and good healthy appetite.—J. E. PHINNEY.

"I wish to truthfully state to you and the readers of these few lines that your Kodol Dyspepsia Cure is without question, the best and only cure for Dyspepsia that I have ever come in contact with and I have used many other preparations. John Beam, West Middlesex, Pa. No preparation equals Kodol Dyspepsia Cure, as it contains all the natural digestants. It will digest all kinds of food and can't help but do you good.—J. E. PHINNEY.

"The way to gain a good reputation is to endeavor to be what you desire to appear." That is precisely the manner in which Chamberlain's Cough Remedy has gained its reputation as a cure for coughs, colds, croup and whooping cough. Every bottle that has ever been put out by the manufacturers has been fully up to the high standard excellence claimed for it. People have found that it can always be depended upon for the relief and cure of these ailments and that it is pleasant and safe to take. For sale by J. E. PHINNEY, Druggist.

She Didn't Wear a Mask.
But her beauty was completely hidden by sores, blotches, and pimples till she used Bucklen's Arnica Salve. Then they vanished as will all Eruptions, Fever Sores, Boils, Ulcers, Carbuncles and Felons from its use. Infallible for Cuts, Corns, Burns, Scalds, and Piles. Cure guaranteed. 25c at J. E. PHINNEY'S.

A Poor Millionaire.
Lately starved in London, because he could not digest his food. Early use of Dr. King's New Life Pills, would have saved him. They strengthen the stomach, aid digestion promote assimilation, improve appetite. Price 25c. Money back if not satisfied. Sold by J. E. PHINNEY, Druggist.

White Man Turned Yellow.
Great consternation was felt by the friends of M. A. Hogarty, of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach, and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach Liver and Kidney troubles. Only 50c. sold by J. E. PHINNEY, Druggist.

It Dazzles the World.
No Discovery in medicine has ever created one quarter of the excitement that has been caused by Dr. King's New Discovery for Consumption, Pneumonia, Hemorrhage, Pleurisy and Bronchitis, thousands whom it has restored to perfect health. For Coughs, Colds, Asthma, Croup, Hay Fever, Hoarseness and Whooping Cough it is the quickest, surest cure in the world. It is sold by J. E. PHINNEY, who guarantees satisfaction or refund money. Large bottles 50c and \$1.00. Trial bottles free.

Those famous little pills, DeWitt's Little Daryl Risers, compel your liver and bowels to do their duty, thus giving you pure, rich blood to recuperate your body. Are easy to take. Never gripe.—J. E. PHINNEY.

DeWitt's Witch Hazel Salve should be promptly applied to cuts, burns and scalds. It soothes and quickly heals the injured part. There are worthless counterfeits, be sure to get DeWitt's.—J. E. PHINNEY.

Bodarc Cleanings.
The glorious 4th was celebrated at Bodarc by a picnic in Plympton's grove, attended the entire population of Bodarc attended and a pleasant time is reported. We did not go to the picnic but enjoyed our dinner under our own shade trees with a few friends and when in the afternoon a lively hail storm came by we were well satisfied to find ourselves at home.

—M. C. Pounds, came from Lusk the first of the week and is helping J. L. Anderson put up hay.

Miss Annie Miller, went to Running Water Saturday to spend a week with her friend Mrs. Coffey.

Rev. C. E. Rice, will preach at Bodarc Sunday, July 14, and every two weeks thereafter. Mr. Rice has been greatly missed during his absence and will be warmly welcomed.

John Eberspacher and family, and Albert Hill and family, spent Sunday with Mr. and Mrs. Anderson.

The weather has been very warm for the past two weeks, but we believe Sunday the 7th, capped the climax, as the heat was almost unbearable.

Those who are haying, report the crop, the heaviest for years. One feels a greater respect for Sioux Co., when they see the stacks of hay J. L. Anderson is putting up. M. A. C.

The Best Liniment for Strains.
Mr. F. H. Wells, the merchant at Deer Park, Long Island, N. Y., says: "I always recommended Chamberlain's Pain Balm as the best liniment for strains. I used it last winter for a severe lameness in the side, resulting from a strain, and was greatly pleased with the quick relief and cure it effected." For sale by J. E. PHINNEY, Druggist.

(Continued from local page.)
Wyoming. He had in about 19 1/2 acres and stacked 43 good sized loads.
Mr. and Mrs. Whipple, who have been visiting at their daughter, Mrs. Zumbrennen, started for their home in Monroe, Wisconsin, the first of this week.
Miss Deloria Eldridge, of the valley, and Mr. Clapp of Running Water were married week ago Sunday, just over the line in Nebraska. We have no particulars only that it was a surprise to the natives.
Rev. Warren, was buzzing around in the neighborhood the latter part of last week. Don't forget to call on Zakiel next time. He is not so tough as he looks.
About 8 o'clock, on the afternoon of the fourth, a heavy hail storm, accompanied by a high wind, passed over the east end of the settlement. Hail stones, almost as large as the proverbial hen's egg fell in abundance, to a considerable extent. The early wheat is damaged about fifty per cent, as it had begun to joint, and in some places was broken off near the ground. The damage to the late crop is hard to estimate as it is mowed off clean or driven into the ground.
ZENKEL,
Co. Treasurer.
