The the 4th with our friends in Denver. ation consider the board to retain her best physic. They also correct disorders for another year.

Dear Friends of the Press-Journal; We had hoped to have a long story to tell of travel by this time. But there is nothing but a very quiet week of camp

the the destate of the second second second second second second

out we hope she will be able to go on We have made several little trips from here to points within reach of our tent. Went down to Scottsbiaff one day. Another day made a trip to the hills about five miles away, ate our lonch there and gathered up some wood for the camp stove. This last week has been so cool that a fire in the tent mornings and

venings was very comfortable. We are camped about half a mile from school bouse and have Sunday School both Sundays we have been here. Last dut church will soon be organized here. Yesterday we went to church in Mitchelt in the morning were invited to dinner with the minister and drave out in time for S. S. at the schoolhouse at 3 30. We also met some Chadron and Urawford acquaintances. So we have not quite got out of our own neighborhood vet. We hope next time to be able to record more progress on our journey.
