P. Lacy, Precinct Committeeman.

In Wyoming. Chris Christian shipped five cars of cattle to Omaha last Monday. He shipped from a office's siding.

We are glad to know that Miss Amy Christian has entirely regained her health. She is at home now and feels very well. She will teach the west school, which is to begin in a short time.

The typo mixed our last items so badly in places that they had no meaning, at least to those who did not know what was intended to be told. We are fond of pie, in fact have a good mouth for it, but not for pi, when it comes in our items.

Mr. Tatman expects to leave here for Walla Walla, Wash. just as soon as he can dispose of his belongings here. He expects to make the west his future home.

"The rich can ride in their chaises," But he jabs the poor, must go on foot. Still there are but a small per cent of the Pleasant Ridge people that will have to go on foot here after the Grinnell, Iowa, burgly agents reaped a rich harvest here, at least they seemed to have done a good office business as there were not less than eight carriages, and three buggies sold in our little settlement of twenty four families. Say mister, prosperity has surely struck us, still a few of those had fault with Teddy and his administration.

Now Mr. or Mrs. Editor we expect you will say that Teddy has nothing to do with the buggy agents, but you know what a number walked in Grover's train along with Coxie? Well, in about twelve months from date a shot gun agent can do well here.

There are two threshing machines in our little settlement now. Weber and Witt pulled in to Wilson's stock yard, just over the line in string town, on last Saturday, and before this is in print, will no doubt be raising a dust on the Ridge, as they have a few jobs engaged here.

Lewis Sutton, a former resident of this place, has returned again and is now working for Chris Christian.

On last Friday morning, Sept. 26 quite a snow storm visited us here. When we arose from our couch and cast our optics out of the window what a sight met our gaze. The ground was wrapped in a mantle of white and snow still falling. By noon it had all disappeared.

We will try and not let such an error creep in again ZIKEL!—Ed.

Old People Have Their Troubles. Mr. Francis Little of Benton Harbor, Mich. is over eighty years of age. Since 1865 he has been troubled more or less with indigestion and constipation and has tried almost everything in use for those ailments. Last August he began using Chamberlain's Stomach and Liver Tablets and was soon feeling much better. In a recent letter he says, "I have used three boxes of the Tablets and now think I am well." These Tablets improve the appetite and invigorate the stomach, liver and bowels. For sale by all Druggists.

M. of said day at the office of the Treasurer of Sioux County, Nebraska, in the village of Harrison, in said county, offer for sale at public auction, all lands in said county on which taxes levied for state, county, township, village, city, school district, or any other purpose for the year 1901, remain unpaid.
