### MARRIED.

Frank Hubbard and Bertha Noreisch were married last Tuesday. Mr. Hubbard filed on a quarter section of land the same day, who can beat this, a wife and a home all in one day. The PRESS-JOURNAL extends best wishes for this young couple's future happiness.

### DIED.

Frank C. Lowry, son of Alex. and Alice Lowery, was born September 27, 1880 at Somerset, Warren county Iowa, and died of Typhoid fever October 7, 1902, at Deer Lodge, Montana, from Montana the remains were brought by the father to Harrison on last Sunday, and on Monday morning at 10 o'clock services were held at the church where a large concourse of friends of the deceased, and relatives, had gathered to pay their last tribute to the departed one. Rev. Horton preached a very impressive sermon, and we trust the words will be long remembered by those that were present. At the close of the services the face of the departed one was viewed by many of his old associates and friends; The funeral procession then took up its silent march to the cemetery where the last sad rites were performed, and the body consigned to its last resting place. The PRESS-JOURNAL extends heart felt sympathies to the father, mother, and relatives of the departed one and let us all remember the lesson that was taught by our blessed Master while on earth that every one is our neighbor that needs our sympathies and help, and as the ones that cared for this soul in sickness did all they could to cool the burning fever and ease the aching body, they learned the lesson of who is their neighbor, and will be remembered by Him when he comes to make up his jewels.

### In Wyoming.

As the space in the Press Journal is limited our items this week will necessarily be short.

Sam Holterfield lost a \$100 horse week ago Monday by getting loose in the barn during the night and eating too much rye. This is a bad loss to Mr. H. as he had already lost his crop by the hail.

Miss Ida Sutton a former teacher here, and sister of Mrs. George Davy, arrived here from the east, week ago Saturday and is now making her home with her sister.

Miss Florence Christian began a five months school in the east school house on last Monday. This is her second term here and we predict for her a model school.

We wish to correct two errors in our last items. First, Dan Slattery did not go with George Davy to help gather up his cattle. Second, Lo Wilson sacked and ricked 1000 bushels of oats, instead of 500 bushel as reported.

Z. G. Deuel killed a porcupine near his home one day last week.

Mr. Shatto, father of Hill and Howard Shatto, and of Mrs. Boyles, arrived here from Oregon, on Tuesday of last week.

We understand that Nate Deuel is building a house for Jake Mill, the sheep man. We understand that he is putting up a five thousand dollar residence.

Boyles Bros. are drilling wells for Jake Mill; They have already put down one and are now on the second.

There are now but two jobs of threshing to be done on the Ridge, Quill of the Herald, and Philip Freese's. If the weather permits it will all be done by the time this is in print.

Witt and Weber finished their last job of threshing, on last Friday and pulled their machine home on Saturday.

Chris Christian had the banner crop of wheat. From five acres he threshed 1800 bushels.

On last Sunday night snow fell again here, but only enough to make the ground look white.

Very few have their potatoes dug. If we get a hard freeze this week no doubt some will never be dug, still it doesn't matter as there is no sale for them, and at present they are not worth the digging.

The general election will be held in the east school house. Frank Church, Andrew Christian and James Rice are the judges. The democrats of this county have put up a good ticket and some of the candidates will give the Repubs a close call. Still we hate to see such good men as M. R. Collins, George Bohn and Theron S. Grant slaughtered at the polls; they are all good business men and no doubt will take their medicine even though it should be salt.

T. B. Tatman will have a public sale, this Thursday after which he will start for Walla Walla, Washington to join his family who is already there.

With pleasure we read Mrs. Rice's letter in the last Press-Journal.

We are always glad to hear from Sioux county pilgrims.

The excitement incident to traveling and charge of food and water often brings on diarrhoea, and for this reason no one should leave home without a bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy. For sale by all Druggists.

### NOTICE TO LAND OWNERS.

To all to whom it may concern.

The commissioners appointed to establish a road, commencing at the SW corner of section 24, Twp. 33, N. range 36 W., and running thence east on correction line to the NE corner of section 4, Twp. 32 N., range 36 W., and terminating at that point to be allowed and established, and all objections thereto, or claims for damages must be filed in the county clerk's office on or before noon of the 15th day of November A. D. 1902, or said road will be established without reference thereto.

Wm. J. A. Raum,  
County Clerk.

### Bodarc Cleanings.

To late for publication last week.

Mrs. S. A. Rose of Harrison has been visiting for a week with friends in the valley.

C. F. Coffee came to the valley Monday bringing with him from Chadron a young man and his bride who will assist John in taking care of the ranch this winter.

Nick Schaefer was kept busy last week going around the valley with his threshing machine, Friday he threshed four hundred and sixteen bushels of grain for John Coffee.

It has been announced that our new neighbor Rev. Wickersham will preach to the people of Bodarc next Sunday Oct. 12, every one should try to be present.

We are having a beautiful Indian summer now and every one is rushing to get their fall work done and their winter's wood hauled while the roads and hills are in good condition.

Mr. H. Zimmerman sold a bunch of yearling steers to Z. F. Antum this week.

C. F. Coffee spent Sunday at his home in Chadron, returning Monday.

### A SAD MESSAGE.

Last Wednesday Alex Lowry received a telegram informing him of his son Frank's death at Deer Lodge, Montana. Mr. Lowry started, the same day, for Montana and returned with the remains of his son last Sunday, and on Monday the body was laid away to rest in the Harrison cemetery. It is sad indeed to part with our loved ones when we are near them and know that their every want has been supplied, but when we trust to strangers there is always a feeling that something more might have been done to make things more pleasant and peaceful in their last hours, but we are glad to say in this case that Mr. Lowry was assured that everything was done for his son that could possibly be done, so far as medical aid and care could do. We must say here, not for the deceased but for the living boys that have a desire to leave father and mother, that they may have things more their own way, that when you come to meet that grim monster, (death) that there is not a man living that can give you the encouragement to meet this ordeal as father can, and there is not a hand in this world as soft and tender as that hand of your dear self sacrificing mother, one that will never forsake you as long as there is breath in your body, and after death has claimed you she will stand as a sentinel over your character and defend it whatever your life may have been. We will again say young men stand by your parents and live in daily touch with them that they may minister to you in time of sickness, and should death claim you they will have the pleasure of knowing that everything was done for you that could be done.

The Newport Sunday School is now at that point where any other organization would be called a fizzle. About 10 per cent of the number who would attend do attend Sunday School, and we are informed that no one will accept the position of superintendent. It would be a pleasant surprise if this condition of affairs were remedied by the time the Rev. Keller returned. Will anyone take up the burden?—New Port Eagle.
