**What it Means.**  
We guarantee everything we sell to wear well. What does that mean? It certainly don't mean that a pair of shoes will wear a year or two if you put the soles of them on a hot stove. It don't mean that a hat will be good after it has blown off your head and been run over by a team and a load of wood. It don't mean that you can wear a suit of clothes every day to do hard work in and have them keep on and be as good as they were the day you bought them for a year or two. It does mean good wear for a reasonable time—more wear for a longer time than you can get for your money of any body else. If you buy anything of us and it don't wear well for the money it costs, we want to know it—we'll make the wear part good. Order one of these fine worsted suits we show on page 8 of our new fall catalogue—try us.
