A Good Cough Medicine.

From the *Illustrated Australian*. I find Chamberlain's Cough Remedy is an excellent medicine. I have been suffering from a severe cold for the last two months, and it has effected a cure. I have great pleasure in recommending it. -W. C. WOODRUP. This is the opinion of one of our oldest and most respected residents, and has been voluntarily given in good faith that others may try the remedy and be benefited, as was Mr. WOODRUP. This remedy is sold by all Druggists.

RHEUMATISM CURED AT LAST.

Good News for All Who Suffer With Rheumatism Pains. To all who suffer with Rheumatism, I will gladly send free the wonderful story of how my mother was cured after years of suffering, together with the most elaborate treatise on Rheumatism ever published. No matter what your form of Rheumatism is, whether acute, chronic, muscular, inflammatory, dermal, or rheumatic, sciatic, neuralgic, neuralgic, etc., no matter how many doctors have tried in vain, no matter how many "cures" you have tried, I want you to write to me and let me tell you how another was cured. I am not a doctor, but a Professor, simply a plain man of business, and I have a CURE for Rheumatism, and want to tell everyone who suffers with Rheumatism about it. I wish to be fairly understood, and trust that all who are suffering with this terrible disease, however apparently beyond the reach of cure, will write to me this day and I will send you by return mail this wonderful story. I appeal especially to the chronically ill who are weary and discouraged with "doctors" and to those who have been told that their Rheumatism may be wrong. Let me tell you our experience. Surely, if we have Rheumatism, or have a suffering friend, it will pay you to investigate my offer, anyway, and prove for yourself these claims I make. Send me your address today—a postal card will do—and I will mail you this wonderful story. If you have any friends suffering with Rheumatism no matter where located, send me their address, and I will mail them a copy. My address is VICTOR RAINBOLT, Bloomfield, Ind.

GOUGH'S QUICK WIT.

A Remark That Silenced an Interrupter in the Audience. An effort of one of John B. Gough's tours of the west was to arouse his converts to a political movement in favor of prohibition, and in every state the politicians began to give an attention to the cry. The dissemblers and hypocrites were said to have been so frightened that they employed men to follow the lecturer, sit among the audience and endeavor to confound him with questions. He had wound a Toronto (Kan.) audience up to a fine pitch of excitement and in his effective manner cried: "Temperance! Temperance! Temperance! It will mean money in your pocket, clothes on your back, happiness in your home and God in your heart!" Up leaped one of the paid interrupters and shouted to the audience: "Money in your pockets! Why, fellow citizens, follow this man's ideas and we'll be all in the penitentiary! Think of the fields of tasseled corn that stretch on every side! Whisky is made from corn. We sell millions of dollars' worth of corn to the whisky makers. Stop the manufacture of whisky, and what'll we do?" Then, turning to Gough, he went on: "You, Mr. Smarty—what'll we do? Tell us, if prohibition comes, what'll we do with our corn?" "Raise more hogs, my friend," replied Gough without a second's hesitation—"raise more hogs!"—Philadelphia Times.
