TO WORKING GIRLS

FREE MEDICAL ADVICE
Every working girl who is not
well is cordially invited to write
to Mrs. Pinkham, Lynn, Mass.,
for advice; it is freely given, and
has restored thousands to health.

Miss Paine's Experience.

"I want to thank you for what you
have done for me, and recommend
Lydia E. Pinkham's Vegetable
Compound to all girls whose work
keeps them standing on their feet in
the store. The doctor said I must
stop work; he did not seem to realize
that a girl cannot afford to stop work-
ing. My back ached, my appetite was
poor, I could not sleep, and menstrua-
tion was scanty and very painful. One
day when suffering I commenced to
take Lydia E. Pinkham's Vegeta-
ble Compound, and found that it
helped me. I continued its use, and
soon found that my menstrual periods
were free from pain and natural; everyone
is surprised at the change in me,
and I am well, and cannot be too
grateful for what you have done for
me."—Miss JANET PAINE, 530 West
125th St., New York City. — \$5.00 for full
if original of above letter proving genuineness can-
not be produced.

Take no substitute, for it is
Lydia E. Pinkham's Vegetable
Compound that cures.

A Soapless Country.
In spite of British rule India is
still virtually a soapless country.
Throughout the villages of Hindustan
soap is, indeed, regarded as a natural
curiosity, and it is rarely, if ever,
kept in stock by the native shop-
keeper.

A Problem Solved.
Cabel, Kan., Dec. 22.—This part of
Kansas has solved the great question,
How can Kidney Troubles be cured,
and as Rheumatism, Bright's Disease,
Diabetes and other ailments resulting
from Diseased Kidneys are common to
all parts of the country the news is of
great interest.
The cure is Dodd's Kidney Pills.
Hundreds of people will tell you this
of their own experience. Take J. B. Cun-
ningham, for example. He had Kidney
Trouble of long standing. He sought
relief in vain. He had tried Doctors
and Medicines of different kinds.
Finally he tried Dodd's Kidney Pills
and he stopped right there. No one
who tries Dodd's Kidney Pills for Kid-
ney Complaint ever needs to look any
further. Here is what Mr. Cunn-
ingham says:
"Dodd's Kidney Pills are all right
for Kidney Trouble. I have used them
and know, for they have done me more
good than anything I ever used."

Spitzbergen belongs to no country,
and since the cessation of whaling, it
is deserted, even in summer. There
are deposits of coal and phosphates,
but it does not pay to work them.

Mushrooms as Food.
It would cost a man \$30 a day to
live on mushrooms. On the other
hand, 10 cents would buy sufficient
flour to supply him with enough food
to enable him to continue at hard
work.

There are plenty of people who have
become depressed and discouraged, be-
cause that dry, hacking cough hangs to
them continually. They have taken much
medicine, mostly of the advertised quack
sort, nothing like Dr. August Koenig's
Hamburg Brest Tea, the discovery of
a then noted German physician 40 years
ago. We do not say that this will cure a
case where the lungs are badly diseased,
for it will not, and up to this date there
is nothing that will cure under these con-
ditions; but on the other hand, if the
lungs are not hard hit, the patient should
take Dr. August Koenig's Hamburg
Brest Tea, a cup full every night on
going to bed, have it hot, drink slowly,
then every other night, rub the throat
and top portion of the lungs with St.
Jacob's Oil, cover with oil silk, let it re-
main an hour, then remove. Eat good,
plain, nourishing food, live in the open
air as much as possible. By all means
sleep as near out of doors as possible,
that is, windows wide open, except in
very severe weather. Take a cold sponge
bath every morning; then immediately
rub the body vigorously with a coarse
towel. Take Dr. August Koenig's Ham-
burg Drops every other day according
to directions. One can buy the three
remedies for \$1.25 of any reliable drug-
gist. Begin the treatment at once, and
see how much better you will be almost
within a week's time.

OLD FAVORITES

The Bells of Shandon.
With deep affection and recollection
I often think of those Shandon bells,
Whose sounds so wild would in the days
of childhood
Fling round my cradle their magic
spells.

On this I ponder, where'er I wander,
And thus grow fonder, sweet Cork, of
thee;
With thy bells of Shandon,
That sound so grand on
The pleasant waters of the River Lee.

I have heard bells chiming full many a
time in,
Tolling sublime in cathedral shrine;
While at a gib rate brass tongues would
vibrate,
But all their music spoke naught like
thine;
For memory dwelling on each proud
swelling
Of thy beffy kneeling its bold notes
free.

Made the bells of Shandon
Sound far more grand on
The pleasant waters of the River Lee.

I have heard bells tolling "old Adrian's
mole" in,
Their thunder rolling from the vatican,
And cymbals glorious, swinging uproar-
ious,
In the gorgeous turrets of Notre Dame;
But thy sounds were sweeter than the
dome of Peter
Flings o'er the Tiber, pealing solemnly.
O! the bells of Shandon
Sound far more grand on
The pleasant waters of the River Lee.

There's a bell in Moscow, while on tower
and kiosko
In St. Sophia the Turkman gets,
And loud in air calls men to prayer
From the tapering summits of tall min-
arets.
Such empty phantom I freely grant
thee;
There's an anthem more dear to me:
'Tis the bells of Shandon,
That sound more grand on
The pleasant waters of the River Lee.

Miss Washington was taken up and
made much of by the Northern girls at
the college, her reception by girls from
the South was, it is declared, of a na-
ture to give the faculty some embar-
rassment.
Changes in Ships.
The rapidity of improvement in na-
val matters nowadays is shown by
the fact that the English ships Har-
leur and Centurion, built just nine
years ago and much praised at the time
are now so obsolete that they are
to be reconstructed at a cost of \$500,
000 each.
When a woman has nerve, a man
isn't in it.

NEGRO GIRL LEAVES WELLESLEY.
Booker T. Washington's daughter
who recently was reported to be doing
well at Wellesley College, has now, it
transpires, been forced to leave the in-
stitution and go to Bradford Academy
It is said she failed in music. While
