Pinkham's Vegetable Compound. "DEAR MRS. PINKHAM: - Life looks dark indeed when a woman feels that her strength is fading away and she has no hopes of ever

being restored. Such was my feeling a few months ago when I was advised that my poor health was caused by prolapsus or falling of the womb. The words sounded like a knell to me, I felt that my sun had set; but Lydia E. Pinkham's Vegetable Compound came to me as an elixir of mfe; it restored the lost forces and built me up until my good health returned to me. For four months I took the medicine daily and each dose added health and strength. I am so thankful for the help I obtained through its use." - MRS. PINEHAM :- For years I was troubled with falling of the womb, irregular and painful menstruation, leucorrhoea, bearingdown pains, backache, headache, dizzy and fainting spells, and stomach trouble. A Struggle for Life.

Eagle River, Mo., Jan. 19.-Maggie E. Decker, a hard-working woman, 49 years of age, whose home is here, has just gone through a thrilling battle for her life. Many another would have lain down and died, for for twelve long years she has suffered the most awful pains. She had Kidney Trouble and Rheu-

matism combined with a very distress-ing stomach trouble. At last she got so bad that she could not sleep, for she ached all over and was so lame that she could scarcely walk. She spent over a hundred dollars in different medicines, but only to be disappointed, for everything failed to help her.

At last, however, just when she was beginning to despair of ever finding a remedy, she heard of Dodd's Kidney Pills and bought six boxes. She says: "Now I can eat well, sleep well, and am feeling splendid. God bless Dodd's Kidney Pills, for they saved my life, My troubles were many, but Dodd's

Kidney Pills cured me completely. But for them I surely would have died."
