**RHEUMATISM CURED AT LAST.**

Good News For All Who Suffer With Rheumatism Free.  
To all who suffer with Rheumatism I will gladly send free the wonderful story of how my mother was cured after years of suffering, together with the most elaborate treatise on Rheumatism ever published.

No matter what your form of Rheumatism is, whether acute, chronic, muscular, inflammatory, deformant, sciatic, neuralgia, gout, lumbago, etc.—no matter how many doctors have failed in your case—no matter how many so-called "sure cures" you have tried—I want you to write to me and let me tell you how my mother was cured.

I am neither a Doctor nor a Professor—simply a plain man of business—but I have a CURE for Rheumatism, and I want to tell everyone who suffers with Rheumatism all about it. I wish to be clearly understood, and trust that all who are suffering with this terrible disease, however apparently beyond the reach of cure, will write to me this day and I will send you by return mail this work of mine. I appeal especially to the "chronically ill" who are wearied, and discouraged with "doctoring" and to "those who have been cast aside as "incurable." All you have thought about Rheumatism may be wrong. Let me tell you our experience. Surely, if you have Rheumatism, or have a suffering friend, it will pay you to investigate my offer, anyway, and prove for yourself these claims I make. Send me your address today—a postal card will do—and I will mail you this wonderful story. If you have any friends suffering with Rheumatism no matter where located, send me their address, and I will mail them a copy. My address is **VICTOR BAIRDLEY, Bloomfield, Ind.**

**In Wyoming.**

Chris Christian lost several head of cattle by some cause unknown to him, on his south range some ten days ago. He wrote to the state veterinarian giving symptoms who diagnosed the disease as anthrax.

Francis Deuel has been quite sick, with stomach trouble, Dr. Phinney was called and at last accounts Francis was getting better.

Charles Thomas was up from his ranch on Lacey creek after a load of oats the middle of last week.

James Rice and George Davis exchanged places of abode last week. George moving into Rice's house and Rice moving into the one he vacated on the Sutton place.

Len Christian roped a coyote, one day last week, and ended its career by shooting it with rocks.

Last Sunday was quite a spring day, although the thermometer stood at 45 degrees about all day, and the strong chinook wind from the south-west cut the snow pretty fast; still there is plenty left.

We called on Quill of the Lusk Herald a few minutes, one day last week.

Andrews must be quite a bustling city according to the reporter from that city to the PRESS-JOURNAL; we would like to visit it but fear we might get lost on 23rd. and Long Streets.

**ZEKEL.**

Barthen Reservoirs for Oil.  
Earthen reservoirs are rapidly taking the place of ordinary oil tanks at Beaumont, Texas. Two companies have recently undertaken to establish reservoirs, each to hold 200,000 gallons. The soil is of such a nature that earthen reservoirs can be used to excellent advantage, and they are much cheaper than anything else.

**Coal Shed Gossip, Andrews**

The rail-road Co. is having the coal shed billed these days, and the merry sound of the scoop shovel is heard in our city. Mr. Charles Wright, De Sombers, C. Christensen and W. D. Shepherd composed the gang for the three last days of last week.

The boss coal heaver Mr. Hagerman has started to work again after having laid off for over a week with three sore toes. We will state however that he was not idle all the time to which the gang can all testify. He showed them his skill as a surgeon last Friday noon in performing an operation on little Two Bit or Muggins, a dog with a history and a very long pedigree. The owner of Muggins was present and to say he is a kind master is putting it mild, and we believe that his encouraging words, and the skill with which the operation was performed that it must have been almost painless, or Muggins must have lots of grit, for he went through the ordeal without taking opiates of any kind. After the operation Muggins called at the school where he received the sympathy of all; they thinking he had been in a fight and got the worst of it.
