

# The Grip Leaves Thousands in Its Path Weak, Nervous, Dyspeptic, Catarrh Wrecks.

"For Grip and the after effects like debility, nervousness, dyspepsia and other catarrhal conditions resulting from the Grip, in the entire Materia Medica I have found no remedy that equals Peruna for prompt action."  
—Dr. S. B. Hartman, President The Hartman Sanitarium.

From N. Y. Journal. "During the recent Grip epidemic, claiming a million victims or more, the efficiency of Peruna in quickly relieving the debility and its after-effects has been the talk of the continent."

LIKE A DEMON grip has crossed our country, leaving behind scores of physical wrecks. Victims of catarrh of the head, catarrh of the throat, catarrh of the lungs, catarrh of the stomach, catarrh of the kidneys, catarrh of the pelvic organs, are to be counted by hundreds of thousands. Grip is epidemic catarrh, and sows the seeds of chronic catarrh within the system. This is so true that few grip sufferers are able to make a complete recovery until they have used Peruna. Never in the history of medicine has a remedy received such unequalled and universal eulogies as Peruna. A New York Alderman's Experience. Hon. Joseph A. Flinn, alderman Fifth District, writes from 104 Christopher street, New York City, as follows: "When a pestilence overtakes our people we take precaution as a nation to prosecute the citizens against the dread disease. "La grippe has entered thousands of our homes this fall, and I noticed that the people who used Peruna were quickly restored, while those who depended on doctor's prescriptions, spent weeks in recovering, leaving them weak and emaciated. "I had a slight attack of la grippe and at once took Peruna, which drove the

disease out of my system in a few days and did not hinder me from pursuing my daily work. "I should like to see our Board of Health give it official recognition and have it used generally among our poor sick people in Greater New York."—Joseph A. Flinn. D. L. Wallace, a charter member of the International Barber's Union, writes from 15 Western avenue, Minneapolis, Minn.: "Following a severe attack of la grippe I seemed to be affected badly all over. I suffered with a severe headache, indigestion and numerous ills, so I could neither eat nor sleep, and I thought I would give up my work, which I could not afford to do. "One of my customers who was greatly helped by Peruna advised me to try it, and I procured a bottle the same day. I used it faithfully and felt a marked improvement. During the next two months I took five bottles, and then felt splendid. Now my head is clear, my nerves steady, I enjoy food, and rest well. Peruna has been worth a dollar a dose to me."—D. L. Wallace. Mr. O. H. Perry, Atchison, Kansas, writes: "Again, after repeated trials of your medicines, Peruna and Manadin, I give this as my expression of the wonderful

results of your very valuable medicine in its effects in my case after repeated trials. "First, it cured me of chronic bronchitis of fifteen years' standing by using two bottles of Peruna in January, 1894, and no return of it. "After I was cured of bronchitis I had la grippe every winter for several winters. But, through the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Zurich has its streets paved with paper. Perthshire men possess the largest and heaviest brains in Scotland, declares Prof. Ramsay. Sweden sent three quarters of the four million gross boxes of matches imported into this country last year. It has been estimated that of every 100 pounds of food we eat 14 pounds are potatoes.

Keep an eye on the man who boasts of his honesty. Love in a cottage doesn't have a janitor to contend with. It takes a cold snap to get the drop on a thermometer. There are 22 400 more females than males in Cornwall, England. Fifty university students are assisting with the extra work at Glasgow postoffice.

There is no us trying to bring peace of mind to the man with an imaginary grievance. Vienna just now is suffering from a dust plague, the low temperature rendering it impossible to water the streets with safety. Some men have a way of looking at a woman which brings on an attack of nervousness that cannot be controlled.

The weary, worn out, all-tired feelings come to every body who taxes the Kidneys. When the Kidneys are over-worked they fail to perform the duties nature has provided for them to do. When the Kidneys fail dangerous diseases quickly follow. Urinary disorders, diabetes, dropsy, rheumatism, Bright's disease, Doan's Kidney Pills cure all kidney and bladder ills. Read the following case:  
Veteran John's Heller of 706 South Walnut street, Urbana, Ill., says: "In the fall of 1890 after getting Doan's Kidney Pills at Cunningham Bros.' drug store in Champaign and taking a course of the treatment I told the readers of this paper that they had relieved me of kidney trouble, disposed of a lame back with pain across my loins and beneath the shoulder blades. During the interval which has elapsed I have had occasion to resort to Doan's Kidney Pills when I noticed warnings of an attack. On each and every occasion the results obtained were just as satisfactory as when the pills were first brought to my notice. I just as emphatically endorse the preparation 30-day as I did over two years ago."

**Salt Codfish Chowder.**  
Wash one pint of salt codfish broken into flakes and put to soak over night. Cut half a pound of salt pork into dice, fry crisp and brown, and in the fat fry two onions chopped into fine dice. Put in the soup pot a layer of flaked fish and a layer of thinly sliced raw potatoes. Sprinkle with onion, fried pork, add a dash of flour and pepper. Cover with a layer of split crackers. Continue in this order till the fish and one quart of sliced potatoes have been used. Over this pour two quarts of milk and allow the chowder to simmer very gently for one hour.

**Graham Muffins.**  
For twelve muffins there will be required half a pint of graham, half a pint of flour, one generous tablespoonful of sugar, one tablespoonful of butter, half a teaspoonful of salt, one teaspoonful and a half of baking powder, one egg, and two gills and a half of milk. Mix the dry ingredients and rub through a sieve. Turn the bran from the sieve into the mixture. Beat the egg till light and add the milk to it. Stir this into the dry mixture. Add the butter, melted, and beat well for half a minute. Bake in buttered muffin pans for half an hour in a moderately hot oven.

**Reception Rolls.**  
Scald one cup milk, add one tablespoonful sugar, one-quarter cup of butter and one-half teaspoon salt. When lukewarm add one yeast cake dissolved in three tablespoonfuls lukewarm water and one and one-half cups bread flour. Cover and let rise, then add yolks of two eggs and flour to knead. Let rise, shape, again let rise, and bake in a hot oven.  
**Pop-Overs.**  
Sift into a bowl one cupful of flour and a saltspoonful of salt. Beat one egg very light, add to it one cupful of sweet milk. Stir this gradually so that it will not be lumpy, into the flour, give it two or three vigorous beatings and pour it into heated gem pans that have been well greased. Fill them about half full and bake them in a very quick oven.

**Codfish with Vegetables.**  
Freshen codfish and cut it in chops about three by six inches in size. Put into hot water and set on the stove where it will barely simmer. Boiling hardens the fiber of fish as it does of meat. When the fish is perfectly tender, drain, pour over it a butter sauce and serve for dinner with mashed potatoes, beet pickles and boiled carrots.  
**Creamed Oysters.**  
Clean and parboil one pint oysters. Drain and reserve liquor for making sauce. Melt three and one-half tablespoonfuls butter, add five tablespoonfuls flour and pour on gradually oyster liquor and milk or cream to make one and one-half cups liquid. Season with salt, pepper and celery salt. Reheat oysters in sauce.

**Indian Meat Souffle.**  
Prepare this as a heavy pudding, and then thin it with hot milk to a creamy consistency, and it can be served with a dash of crisp, hot pork scraps cut very small. Try it before you decide that you will not like it. Small dice of bread fried like doughnuts are good with it.  
**Fruit Punch.**  
Four one cup strong tea over one cup sugar, add three-quarters cup orange juice, one-third cup lemon juice, one pint ginger ale, and one pint Apollinaris. Strain into punch bowl over a large piece of ice and garnish with slices of orange.  
**Caramel Cake Frosting.**  
Boil together a half cup of sugar, three-quarters of a cup of cream and a tablespoonful of butter until it threads, then beat in four tablespoonfuls of caramel (burnt sugar) and vanilla to flavor. Fill and cover the cakes with this.

**Yankee Brown Bread.**  
One quart corn meal, one quart rye meal (not flour), one cup of molasses, one-half cup of yeast; wet soft with warm water and allow it to rise three hours. Bake in a very slow oven, or, what is better, steam it for five hours.  
**Worked Both Ways.**  
"That sermon," remarked the parson, after the benediction had been pronounced, "was the result of great mental effort on my part. It's preparation kept me awake nearly two-thirds of the night."  
"Queer what contrary effects a sermon will have on people," replied the old deacon. "I observed that the delivery of the one you speak of put nearly two-thirds of the congregation to sleep."

# MRS. RATH'S BABY

## Tired Mother's Touching Story of Anxiety and Suffering.

**Cuticura Brings Blessed Cure to Skin Tortured Baby and Peace and Rest to Its Worn Out Mother.**

It is no wonder that Mrs. Helena Rath was taken sick. Single-handed, she did all the housework and washed, cooked and mended for her husband, Hans, and their six children. After a plucky fight to keep on her feet, Mrs. Rath had to yield, and early in 1902 she took to her bed. What followed she told to a visitor, who called at her tidy home, No. 821 Tenth Ave., New York City.

"I hired a girl to mind the children and to do whatever else she could. I couldn't stay in bed long. Sick as I was, it was easier for me to crawl around than to lie and worry about my little ones. So I got up after a few days, and let the girl go. I had noticed that she had sores on her face, hands and arms, but I paid no attention to that until Charlie, my youngest, began to pick and scratch himself. He was then ten months old, and the girl had paid more attention to him than to any of the others. Charlie was fretful and cross, but as he was cutting teeth, I didn't think much of that. Even when a rash broke out on his face I wasn't frightened, because everybody knows that that is quite common with teething babies. Several of my others had it when little, and I thought nothing about it.

"But the rash on Charlie's poor little face spread to his neck, chest, and back. I had never seen anything quite like it before. The skin rose in little lumps, and matter came out. My baby's skin was hot, and how he did suffer! He wouldn't eat, and night after night I walked the floor with him, weak as I was. Often I had to stop because I felt faint and my back throbbled with pain. But the worst pain of all was to see my poor little boy burning with those nasty sores.

"I believed he had caught some disease from the girl, but some of the neighbors said he had eczema, and that is not catching, they told me. Yes, I gave him medicine, and put salves and things on him. I don't think they were all useless. Once in a while the itching seemed to let up a bit, but there was not much change for the better until a lady across the street asked me why I didn't try the Cuticura Remedies. I told her I had no faith in those things you read about in the papers. She said she didn't want me to go on faith nor even to spend any money at first. She gave me some Cuticura Ointment—I think the box was about half full—and a piece of Cuticura Soap. I followed

the directions, bathing Charlie and putting that nice Ointment on the sores. "I wouldn't have believed that my baby would have been cured by a little thing like that. Not all of a sudden, mind you. Little by little, but so surely. Charlie and I both got more peace by day, and more sleep by night. The sores sort of dried up and went away. I shall never forget one blessed night when I went to bed with Charlie beside me, as soon as I got the supper dishes out of the way and the older children undressed; when I woke up the sun was streaming in. For the first time in six months I had slept through the night without a break.

"Yes, that fat little boy by the window is Charlie, and his skin is as white as a snowflake, thanks to the Cuticura Remedies. I think everybody should know about the Soap and also the Ointment, and if it is going to help other mothers with sick babies, go ahead and publish what I have told you."
