RHEUMATISM CURED AT LAST.

Good News For All Who Suffer With Rheumatism Free. To all who suffer with Rheumatism I will gladly send free the wonderful story of how my mother was cured after years of suffering, together with the most elaborate treatise on Rheumatism ever published.

No matter what your form of Rheumatism is, whether acute, chronic, muscular, inflammatory, deformant, sciatic, neuralgia, gout, lamboago, etc.—no matter how many doctors have failed in your case—no matter how many so-called "sure cures" you have tried—I want you to write to me and let me tell you how my mother was cured.

I am neither a Doctor nor a Professor—simply a plain man of business—but I have a CURE for Rheumatism, and I want to tell everyone who suffers with Rheumatism all about it. I wish to be clearly understood, and trust that all who are suffering with this terrible disease, however apparently beyond the reach of cure, will write to me this day and I will send you by return mail this work of mine. I appeal especially to the "chronically ill" who are wearied, and discouraged with "doctoring" and to those who have been cast aside as "incurable." All you have thought about Rheumatism may be wrong. Let me tell you our experience. Surely, if you have Rheumatism, or have a suffering friend, or will pay you to investigate the effect of my cure, and give me your name and address. Send me your address, today—your card will be sent—and I will send you the wonderful story. If you have a copy of this work, will Rheumatism be cured by my cure, and let them know, and I will mail them a copy. My address is VICTOR RAINBOLT, Bloomfield, Ind.

Burial Reform Begins.

A burial reform society has started in a little town in California. One of the members has been engaged as the undertaker, and another as grave-digger. The coffins are to be made by the undertaker, and a neat wagon is to take the place of the conventional hearse. The mourners will walk to the cemetery, and the total cost of the funeral will be about \$20. On the occasion of death, each member of the organization is expected to render the assistance that he can to the family, and to attend the funeral. These people feel that fashion and pride generally stand in the way of funeral reform and that it is only by organization of this kind that reform can come.

The Press-Journal.

We have made arrangements with the publishers of the Young People's Weekly one of the best periodicals of its class, so that we can furnish said paper in connection with the Press-Journal each one year for the small sum of \$1.25 for both papers or to those in arrears on subscription who will pay what they owe and 25 cents extra we will send the Young People's Weekly one year. Those who have paid in advance for the Press-Journal and want a first class paper for the young folks can come in on the deal also, by paying 25 cents extra. The Young People's Weekly has reached its market apex and attained a circulation of over 100,000 copies a week because its contents interest young readers. Its popularity extends to thoughtful parents who recognize in it one of the best aids in keeping young folks in healthy touch with the latest world giving them a basis for their vigorous reading, and presenting truths in their most attractive form.

Stories of Wolves' Ferocity.

A terrible encounter with wolves took place recently near Folkham, in Moldavia, Roumania, recently. A party of seven peasant carol singers were set upon close to the little station of Sibtea by a pack of wolves furious with hunger. The young fellows, who were unarmed, except for their sticks, fought with the courage of despair, and one after the other was dragged to the ground and horribly mangled, until three alone were standing badly mangled, but still struggling. At this juncture a train steamed up, the passengers rushed to the aid of the apparently doomed trio, and succeeded with shouts and sticks in driving off the terrible beasts of prey. At no great distance from the spot several peasants who were sleighing to the market with a litter of pigs only escaped by abandoning their living freight one by one, and only reached their destination as the last pig was thrown to the wolves.
