

PROMINENT PHYSICIANS PRESCRIBE PE-RU-NA.

Dr. M. C. Gee, of San Francisco, Says,
"Pe-ru-na is of Especial Bene-
fit to Women."

ROBERT R.
ROBERTS M.D.

Robert R. Roberts, M. D., Wash-
ington, D. C., writes:
"Through my own experience
as well as that of many of my
friends and acquaintances who
have been cured or relieved of
catarrh by the use of Hartman's
Peruna, I can confidently
recommend it to those suffering from
such disorders, and have no hesi-
tation in prescribing it to my pa-
tients."—Robert R. Roberts.

A CONSTANTLY increasing num-
ber of physicians prescribe Pe-
ru-na in their regular practice. It
has proven its merits so thoroughly
that even the doctors have overcome
their prejudice against so-called patent
medicines and recommended it to their
patients.
Peruna occupies a unique position in
medical science. It is the only internal
systemic cathartic remedy known to the
medical profession to-day. Catarrh, as
every one will admit, is the cause of one-
half the diseases which afflict mankind.
Catarrh and catarrhal diseases afflict
one-half of the people of United States.
F. H. Brand, M. D., of McKenna, Ill.,
uses Peruna in his practice. The follow-
ing case is an example of the success he
has through the use of Peruna for cat-
arrh.

"This is only one case of the many I
have treated with your valuable med-
icine."—F. H. Brand, M. D.
Catarrh may invade any organ of the
body. It most commonly attacks the
head, nose and throat, but thousands
upon thousands of cases of catarrh of

the lungs, stomach, kidneys, bladder
and other pelvic organs have been cured
by Peruna.

Peruna is able to cure catarrh where-
ever it may be located by its direct
action upon the mucous membranes.
Catarrh means inflamed mucous mem-
branes. Peruna acts at once to cleanse
and invigorate the catarrhal condition
of the mucous membrane no matter
where it may occur in the body. Its
action is the same on the mucous lining
of the nose as on the mucous lining of
the bowels. It cures the catarrhal in-
flammation wherever it may occur.

Dr. R. Robbins, Muskogee, I. T.,
writes:

"Peruna is the best medicine I know
of for cough and to strengthen a weak
stomach, and to give appetite. Beside
prescribing it for catarrh, I have ordered
it for weak and debilitated people, and
have not had a patient but said it helped
him. It is an excellent medicine and
it fits so many cases.

"I have a large practice, and have a
chance to prescribe your Peruna. I
hope you may live long to do good to
the sick and suffering."

We say Peruna cures catarrh. The
people say Peruna cures catarrh. Prom-
inent men and women all over the
United States from Maine to California
do not hesitate to come out in public
print to say that Peruna is what it is
recommended to be, an internal, sys-
temic cathartic remedy that cures catarrh
wherever it may be located.

Dr. M. C. Gee's Experience.

Dr. M. C. Gee is one of the physicians
who endorse Peruna. In a letter written
from 513 Jones street, San Francisco,
Cal., he says:

"There is a general objection on the
part of the practicing physician to ad-
vocate patent medicines. But when
any one medicine cures hundreds of
people, it demonstrates its own value
and does not need the endorsement of
the profession.

"Peruna has performed so many
wonderful cures in San Francisco that
I am convinced that it is a valuable
remedy. I have frequently advised its
use for women, as I find it insures
regular and painless menstruation,
cures leucorrhoea and ovarian troubles,
and builds up the entire system. I also
consider it one of the finest catarrh
remedies I know of. I heartily endorse
your medicine."—M. C. Gee, M. D.

Women are especially liable to pelvic
catarrh, female weakness as it is com-
monly called. Especially in the first
few weeks of warm weather do the dis-
agreeable symptoms of female weakness
show themselves apparent. In crisp,
cold weather chronic sufferers with pelvic
catarrh do not feel so persistently the
debilitating effects of the drain upon the
system, but at the approach of
summer, with its lassitude and tired
feelings, the sufferer with pelvic catarrh
feels the need of a strengthening tonic.

Peruna is not only the best spring
tonic for such cases, but if persisted in
will effect a complete cure. Write for a
copy of "Health and Beauty," written
especially for women by Dr. Hartman.
If you want to read of some cures also,
write for a copy of "Facts and Faces."
That will surely convince you that our
claims are valid.

If you do not derive prompt and sat-
isfactory results from the use of Peruna,
write at once to Dr. Hartman, giving a
full statement of your case, and he will
be pleased to give you his valuable ad-
vice gratis.

FOLLOWS FATHER'S FOOTSTEPS.

George Gould's Ability Shown in Man-
aging the Vast Estate.

But two of the late Jay Gould's four
sons were in business when he died
in 1892. They were the two elder sons,
George J. and Edwin, says the Kansas
City Journal.

George Gould took to his new career
despite his father's enmities. He
would not take a college course, pre-
ferring to go into a office. His in-
ter, therefore, secured for him a
junior partnership in the brokerage
firm of Connor & Co., at the head of
which was Jay Gould's old broker and
intimate friend, Washington Connor.

George's extreme economies, it is
said, led to disagreements, and the
partnership was dissolved. The young
man had been apt and industrious,
however, and so his father took him
into his own office and gave him an
opportunity to become familiar with
the details of the great business.

George was a studious young man
and stuck closely to business. He rap-
idly mastered the details of depart-
ments, and soon was taking inspection
work and other responsible duties off
his father's shoulders.

At the time of his father's death
George Gould was his chief adviser
and was practically at the head of the
railroad end of the business, for which
he has always shown a preference.

He was able to take full charge of
the business in 1892, and the various
enterprises have prospered immensely
under his management. The Missouri
Pacific and kindred interests have
been his especial care, and until the
recent transfer of Manhattan Elevated
Interests to August Belmont he was
president of that company.

George Gould is estimated to be
worth about \$30,000,000.

All four of the Gould boys are mem-
bers of the Stock Exchange, George
having entered it in 1896. He is, how-
ever, rarely, if ever, seen on the floor.

The best sailing vessel flying the
American flag is the steel four-master
Atlas, which arrived at Baltimore a
few days ago after a run of 15,300
miles from Hong Kong in ninety-two
days. The Atlas averaged 172 miles a
day, and 7 1/2 knots an hour. Her best
day's run was 312 miles, at the rate
of 12 1/2 knots an hour. This breaks all
authentic records, except that of the
bark Amy Turner, which made the
run from Hong Kong to the Virginia
coast in eighty-seven days. The At-
las beat out of sight the British bark
Kelat, which cleared for New York
eleven days ahead of the Atlas. The
English captain boasted the sailing
qualities of his vessel, but at the time
the Atlas reached Baltimore had not
arrived in New York.

Not Attending to Business.

The shrewdness of one of the found-
ers of a famous estate in Maine gave
rise to many amusing stories, one of
which has recently been retold.

One day the man, who was a large
lumber operator, was superintending a
crew which was breaking up a log jam
in the river. Suddenly the spruce on
which he was standing slipped. The
lumberman dropped out of sight in the
water, and the logs closed over him.

The nearest Frenchman saw the ac-
cident. Hopping briskly over the slip-
pery logs, he helped the "boss" to land.

Nothing was said about the accident.
After an hour or so the Frenchman
began to get anxious, because the re-
ward which he considered due him was
not forthcoming. He approached the
lumberman, and pulling clumsily at his
cap, stammered:

"I see you fall in, m'sieur, and I run
queek to pull you out 'fore you drown-
ed."

"Probbly," snapped the lumberman.
"Probbly, if you'd been 'tending to busi-
ness as you'd ought, you wouldn't
have seen me fall in!"—Youth's Com-
panion.

baby, they say, "Why, you wouldn't

Hard to Bear.
When the back
aches and pains so
badly, can't work,
can't rest, can't
sleep, can't eat, it's
hard to bear. Thousands of aching
backs have been relieved and cured.
People are learning that backache
pains come from disordered kidneys,
that Doan's Kidney Pills cure every
kidney ill—cure Bladder Troubles, uri-
nary derangements, Dropsy, Diabetes,
Bright's disease. Read this testimony
to the merit of the greatest of Kidney
Specifics.

J. W. Walls, Superintendent of
Streets of Lebanon, Kentucky, living
on East Main street in that city, says:
"With my nightly rest broken, owing
to irregularities of the kidneys, suffer-
ing intensely from severe pains in the
small of my back and through the kid-
neys, and annoyed by painful passages
of abnormal secretions, life was any-
thing but pleasant for me. No amount
of doctoring relieved this condition,
and for the reason that nothing seemed
to give me even temporary relief,
I became almost discouraged. One day
I noticed in the newspapers the case
of a man who was afflicted as I was,
and was cured by the use of Doan's
Kidney Pills. His words of praise
for this remedy were so sincere that on
the strength of his statement I went
to the H. H. Murray Drug Co.'s store
and got a box. I found that the med-
icine was exactly as powerful a kidney
remedy as represented. I experienced
quick and lasting relief. Doan's Kid-
ney Pills will prove a blessing to all
sufferers from kidney disorders who
will give them a fair trial."
