The Fourth of July has come and gone and the little boy with the fire cracker will remain in the back ground for another year. No accident at Harrison we are glad to say, our citizens scattered in all directions to spend the fourth and all report a good time even to those that staid at home. Our sporting Editor spent the natal day at Valentine and he reports a fine time, but if any want to know the particulars you will have to ask him for last Wednesday was his 21 birthday so he will answer for himself.

Nowadays when a young hopeful is taken by the collar and gently shaken by a school teacher, his fond parents first have nervous prostration and rush off and have the pedagogue arrested. Yet a man who is scarcely middle aged can remember when the boy who came home from school howling that he had been whipped was very likely to be to the cellar for a repetition of the dose on general principles—it being argued that if he was licked at school he deserved it and didn't get licked enough. Probably all of this was very wrong, but we cannot forget that there was not one juvenile "tough" in those days to a score in this era of moral suasion. The switch seemed to have a desirable effect. —Chicago Chronicle.

Very Remarkable Cure of Diarrhoea. "About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by All Druggists.

Hewitt.

A Grand Barbecue. A time you read about but seldom ever see was had in the beautiful cottonwood grove of Mr. and Mrs. J. H. Sturdivant; eating and drinking seemed to be the order of the day. The half of a yearling and a whole mutton was roasted over a furnace for the occasion. There was ice cream, lemonade, peanuts, candy and oranges in abundance, furnished by the crowd. A table about 30 feet long was made, which was quickly spread with white table linen and then the ladies brought forth the goodies they had prepared for the day. Pen could not begin to give the ladies justice, for their skill in cooking is beyond comment. Gathered around their bountiful table were 32 persons which did the very best they could, scarcely making a showing; there was enough for as many more.

The one and only excitement was a foot race run by grandpa Grewell and Miss Bertha Rogers, which was an even race, but grandpa said it would not have been if he had not fell down. After the race the crowd dispersed with the thought that our first celebration in the Sand Hills had been a success with the exception of 1 drawback, the want of capacity. Those present were: H. A. Keating and family, J. Sanford and family, Z. Goodwin and family, L. P. Smith and family, J. H. Sturdivant and family, H. J. Rose and family, Mr. and Mrs. C. H. Grewell, Miss Bertha Rogers, F. Shull, and C. T. Grewell. We shall all look forward to the next fourth of July.

Carey Items.

A S. S. picnic was held at Carey's grove on July 4th. There was a fair sized crowd and all seemed to enjoy themselves. Rev. Post of Lincoln preached in the afternoon.

Last week Mrs. Esther Arner started for Payette Idaho where she expects to reside in the future with her daughter, Mrs. J. B. Gorton.

A good rain on the 3rd was much appreciated by the farmers.

Rev. Post, who has been holding a series of meetings at Willowdale, will hold meetings at the Union Star church each Sunday this week, commencing Tuesday.

The measles are still in the neighborhood; Fannie Loyd is the latest sufferer.

A sister of Mrs. Anton Kratz, from Omaha, is visiting at the home of the former.

A social dance and "beer drink" was held at Mr. Kratz's the evening and night of July 4th. A fair sized crowd and a good time is reported.

TIMOTHY.

War Bonnet Topics.

The fourth is past once more. We all had a very enjoyable time at our picnic; everything went off nicely,—not a drop of rain.

Mrs. Chas. Thomas brought Miss Nellie Scott down and she visited at home over the 4th and little Cissy Thomas stayed with us too, while her mamma and papa went to Lusk. She attended our picnic.

Mr. and Mrs. Jake Doos were visiting at Andrew Kuori's the 4th and came to the picnic in the afternoon; also Mr. and Mrs. George Weber.

Mr. W. H. Dunn is here from Denver visiting with his family and relatives.

Haying in earnest at the S—E now.

We had quite a storm last week; hail fell here as large as hickory nuts. We gathered up enough to make ice cream when it was over,—No damage done.

Mr. and Mrs. Chas. Newman and family spent the 4th with Mr. and Mrs. Neis Anderson.

Mrs. John Anderson rode from the 33 to the S—E on horse back one day last week and returned the same day,—pretty good ride for a woman.

Ed and Ben Scott spent Sunday with Will and Joe Grimm at the S—E.

Miss Maggie Schaefer also gave us a short call. She came with Mrs. Chas. Thomas to celebrate in Harrison and Lusk.

Marcus Valdez drove 19 head of steers of Wickersham's back into the pasture off of his place last Monday.

Andrew Garretson is working for Mr. Johnson at present.

Roy Garretson is working for Mr. John Plunkett.

George Garretson was at our picnic. Some attraction in this valley for George wonder what?

I had been wondering what was the matter with M. A. C., but now since I read the little item in the south west corner of the Press last week I understand. I surely envy her a trip like that but when she gets back I want to hear all about the Big Horn.

Mr. Jeff Hewitt was looking after a mower and rake left on Spring creek. He found the mower but some one had borrowed the rake and failed to return it.

We learned that John Herman's little boy was unfortunate enough to have his hand badly burnt with a toy gun on the 4th. They were going to take him to Edgmont to have it dressed. His enjoyment was spoiled the 4th, but hope he is all right now.

PREZY.

In Wyoming.

We did not get that nice little rain which we predicted on Monday of last week, but we got it the night of the 3rd. J. B. Burke, of the Press-Journal was a pleasant caller on Wednesday evening of last week, also took dinner with us on Thursday. Call again J. B. we are always glad to meet our old friends.

We are glad to note that Mrs. Fries was able to attend the celebration in Lusk. Her broken arm is mending nicely, the cast having been removed on last Friday.

The joke is now on Harry Deuel. He was in somewhat of a hurry, chasing a calf, a few days ago, when the calf stopped and the horse collided with it, but Harry forgot to stop when the pony did, but kept going and finally landed on the ground. Luckily he escaped with a few slight bruises.

J. B. Burke visited Miss Florence Christian's school on Wednesday of last week. He reports it as an up to date school, in which both, teacher and pupils are enthusiastic.

The schools in this district will close next Friday. The teacher in east school is arranging for a picnic in the canon on that day. We'll all go.

Bert Hamlin told us not to mention his being in Lusk the 4th, so we'll not say any thing about it.

Two of Pleasant Ridge's sprinters took part in the foot race, in Lusk, the 4th.

The two extremes were represented. Hial Church won first money with space to rent, while Jim Petty fell so far in the rear that he quit and walked the last fifty yards. If Hial could have rented him what space he had to spare, Jim no doubt would have taken second money.

A family by the name of Brown, from Mo. Valley, Iowa, is visiting with Mr. and Mrs. Hial Church.

The celebration at Lusk was a success all around, every body seemed to enjoy themselves hugely. The stage coach hold up, bucking broncho race, and the barbecue were features, that towns in the eastern states are not familiar with, and were heartily enjoyed by all. But one accident occurred to mar the pleasures and cast a shadow for a time o'er, the joys of the day. A little girl, by the name of Ginter, was run over, and badly hurt, by a horse ridden by a young man named Perry who was beastly drunk at the time. The mayor had warned him to stop but he went on riding up the street as fast as the horse could go. Three little girls were attempting to cross over at the time, but two ran back, while this one was struck on the head by the horses hoofs. She was carried to her home unconscious, the doctor was called who thought that the wound, though serious would not necessarily prove fatal.

Perry did not check his horse but kept right on out of town. The deputy sheriff with a posse were soon after him, and caught him several miles out of town, when they brought him back, cries of hang him; hang him, greeted his ears. A worse scared fellow would be hard to find. An armed crowd surrounded him to protect him and at last hustled him to the calaboose followed by a large crowd where he was locked up. We'll venture to say that it is a lesson he will not soon forget, and that he will not get drunk, for a while at least. When we left town the little girl was resting easy.

A PIANO AT A NOMINAL PRICE.

Chicago's largest music house, Lyon & Healy, announces a Clearing Sale of Pianos.

This is owing to the fact that their ware-rooms are being entirely remodeled. Several hundred splendid instruments are offered at without reserve until all are sold. In this stock are a number of Steinway and Knabe pianos, and new and second-hand pianos including instruments of the following well known makers: Miller, Mason & Hamlin, Hazeltine, McPhail, Sterling, Huntington, Yose, Fischer, Weber, Chickering, etc., etc. In square pianos there are fine toned instruments at \$25, \$40, \$60, and upwards. In upright pianos, neat instruments at \$100, \$120, \$140, \$150, \$165, \$190, \$200 and upwards. In Baby Grand pianos nice specimens at \$250 and upwards. Nearly all these pianos were intended to sell for much more than these clearing sale prices. Lyon & Healy will send a list and full particulars upon application. Any piano not proving entirely satisfactory may be returned at their expense. Address Lyon & Healy, 1 Adams St., Chicago. Distance is no obstacle in taking advantage of this remarkable chance to obtain a piano, for in proportion to the saving to be made the freight charges are insignificant. If
