W. R. Woods, father of Mrs. H. A. Priddy, arrived here from Kankuk Co., Iowa last Thursday. We are glad that Mr. Woods arrived as Spring opened again, for had he struck town a few days ago he would have thought he was getting into the Arctic regions. NOTICE. All parties going through our ranch or pasture fences are notified herewith that all fences are on deeded or leased land, and that anyone taking down fences or leaving gates open will be prosecuted to the extent of the law. G. W. and V. A. HESTER.

Michael Ruffing, county surveyor, was shaking hands with his friends in Harrison last Saturday. He says the crops were good in his neighborhood this year, and therefore everybody feels good though cattle are low. Mr. Ruffing has made a good county surveyor, and if the citizens want a good man in this office they should not forget him when they come to nominate and elect. Stomach Trouble. "I have been troubled with my stomach for the past four years," says D. L. Beach of Clover Nook Farm, Greenfield, Mass. "A few days ago I was induced to buy a box of Chamberlain's Stomach and Liver Tablets. I have taken part of them and feel a great deal better." If you have any trouble with your stomach try a box of these Tablets. You are certain to be pleased with the result. Price 35 cents. For sale by All Druggists.

Hymenaeal. Peter Peterson and Miss Mary Leeling were married at the home of the groom's sister, Mrs. Aug. Ring, last Wednesday. The groom is one of Sioux county's bright young men, and the bride is the accomplished daughter of one of the county's most respected citizens. The PRESS-JOURNAL extends best wishes to this happy young couple, and may they live to celebrate many anniversaries of this happy event when they were made one. Oweo His Life to a Neighbor's Kindness. Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by All Druggists.

The Chadron Academy. Are you going away to school? If so, remember the Chadron Academy. We know of no better educational institution in the north-west, and we know of no school that has the tendency to uplift young men and young women as has this institution. The Christian influence of this school is permeating the whole north-west, and there is no school that takes more pains to see that its students are cared for than does this academy. Its teachers are of the best, and the chances for either young man or young lady to earn their way is good; so we hope that none will miss this rare chance for an education. Write to the principal, L. M. Oberkottor, Chadron, Nebraska for any information you may want.

We are sorry to say that baby Newlin seems to get no better.

Adelia Happenings.

Mrs. Ellis's father, mother, and sister left last Thursday night on the passenger for their home. Walter Kays went back on a visit. Miss Zelta Davis has been visiting with Maud Kays this week. She returned to Mansfield Friday. Miss Maud accompanied her. Maud Kays and her aunt visited school last Tuesday. The Misses Virginia and Lucile Wilson came up from Crawford on the noon passenger last Friday and visited school. They returned back the same evening, accompanied by Mr. Floyd Wilson. Mr. and Mrs. Swinbank and Master Chester, Mr. and Mrs. Rosenberg and daughter Hilda, Mrs. Meng and daughter Mary, and Mrs. Meng's sister, Miss Smith, all visited with Mr. and Mrs. Raben last Sunday. Miss Meng and Miss Smith had just returned home that morning from Sylvan Lake, where they have been working this summer.

THE THORN. Mr. Cook returned home last Friday. Mr. and Mrs. Wm. Desomber went to Whitney Saturday night returning Monday morning. Miss Anna Hansen went to her home in Crawford Friday evening to visit with friends and relatives over Sunday. Mr. and Mrs. Joe Varley spent Sunday at Jonesville, Grandma Baldwin went home with them. George Baldwin came down from Harrison Saturday night and returned to Harrison Monday morning. There were twenty-three cars of cattle shipped from here Monday. We did not learn all of the names. Somebody has put in the other paper a long piece about the dance. He says we didn't go to church and he tells about the good people working the roads on Sunday, it wasn't a public road, but a road that had to be used a great deal. There were two of his dancers that had their heart in the right place for they went and helped after dancing. Good people have work that just has to be done and some people won't do anything if they have to. There was a surprise party on Mr. and Mrs. Proctor last Saturday night. There were three teams that went from the post office, Mr. Proctor accompanying us. We were half way there before Mr. Proctor happened to think it was going to be at his place. There were games played, one was putting the mustache on a man. There was a paper pinned on the curtain and each person had to pin a mustache on him. The other was sherdas this was more important than the other because there was so much funniness in it.

BOUQUET. The Mail Order System. Our merchants did a rushing business last Saturday, not withstanding that four men representing a grocery house in Omaha have been scouring the country and taking orders for groceries. This is something we can't understand, why our own citizens will patronize such institutions, thereby disabling their own merchants and people by sending their money away to people that care not whether they live or not; All they want is your money. Our merchants have carried men from one to two years when they had no money, and no doubt some that are buying from these solicitors today are owing bills to our merchants. There is only one solution to this department system, and that is for all merchants to sell for cash and thereby protect themselves. We wonder if our people ever stop to think that in all these orders they send away that they pay for goods before they ever see or receive them; can't you do this with your home merchant? And we will assure you that you will get prices from him that you will have no need to send away for your goods.—But do you always get as good a quality of goods from these order houses as you do from your home merchant? We have known cases where the goods were so inferior that they could not be used, but they could not return them as they would do to their home merchant. This is not all, there is a dodge in all businesses, and P. T. Barnum made no mistake when he said "the American people liked to be humbugged," and when a people swaps off their home merchant and friend for one that cares only for your money they are humbugged. We might say a great deal on this question and relative to your own products, such as butter, eggs, potatoes and etc. that you have to dispose of. Will these men that are taking your orders take these off of your hands? "A word to the wise is sufficient."
