A NOVEL FOOT-CYCLE.

A German inventor has designed a foot cycle of improved construction, it which the springs for raising the foot usually found in such devices are avoided. The support is thus steady and solid, even when the person is at rest. The driving wheel is located under the center of pressure of the wear er's foot, and this enables the person to move in smaller circles than with the usual construction. The details of

Texas Finds a Remedy.

Fate, Tex., Sept. 21.—Texas has sel-dom, if ever, had such a profound seneation as that caused by the introduc tion recently of a new remedy for Kidney discases. This remedy has already been tried in thousands of cases, and in almost every case the results have been wonderful.

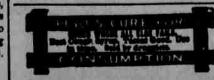

Henry Vaughan, of Rural Route No. 3, Fate, says of it:

"I suffered with Kidney Trouble for over 18 months. I was very bad and could get nothing to help me till I heard of the new remedy, Dodd's Kidney Pills. I began to use these pills and very soon found myself improving I kept on and now I can say I am ab solutely cured and free from any symp tom of my old trouble,

"I am very glad I heard of this won derful remedy and I would strongly advise anyone suffering with Kidney trouble to try it, for I know it will cure."
