BREEZES FROM CENTRAL CITY.

We are sorry to learn Baby Newlin is no better. Glad Miss Anna Miller has gone on a visit and will see the grand old mountains. We discovered that all the news do not get into the paper, for the last Press mentions Mr. and Mrs. Andrew Wasserburger and we did not know before that there was a Mrs. Andrew. If it isn't too late we would like to wish them a long and happy journey through life. Our little city had a stirring up yesterday on the anti-saloon question. Dr. Karnes from Omaha spoke in three different churches, and his talk was no uncertain sound, he hit everybody. He feels very much encouraged about our own state and says people are awaking, and laws are being better enforced. We had a temperance lecture in the shape of a funeral. The deceased had been selling liquor illegally was tried and acquitted and to celebrate the occasion went on a spree and drank himself to death. I believe it was called "heart failure" and I guess it was, and more. Rev. Carnahan recently in the dark stumbled over a drunken man and stopped to help the poor unfortunate to his feet, when he stumbled out "what this is a free country and he a free American citizen" which gave the Rev. gentleman a text for his next Sunday's sermon, and he was so well warmed up on his subject that it will be a long time before his hearers can forget that sermon. Mrs. Koukin, a social purity lecturer spent a week in our city lately so if the saloons get in to our town next spring, it will be through fraud. They are trying the open saloon because they thought it better than "boot leggin" but "respectable" citizens are becoming disgusted with the open saloon. There is an anti-saloon league organized and we are hoping for glorious results. Let us hope and pray that the Temperance Day is coming.

Mr. and Mrs. Johnson visited at Mr. Merriams Sunday.

Miss Lillie Harris and Mrs. Paul Zerbst visited with Mrs. Sam Knori Sunday.

Mrs. Grandma Zerbst visited with Mrs. Norech Sunday.

Mrs. Belle Dunn and little Alfred was at Mrs. Jack Finleys Sunday.

Several more children have the whoop-cough in this neighborhood; it may interfere with the progress of the school.

Miss Nellie Scott undertook to give Miss Lillie Harris her first lesson in horse back riding; they proceeded from Paul Zerbsts up to Mr. Noreches and thence back. Everything went fine until they were nearly home when in order to show their skill they rode a little lively to the house, when all of a sudden the dog run out and grabbed Nellies pony by the heels. It gave a jump and began to pitch and she went up in the air and hit on her head and shoulders on the ground, and the pony skipped, she wasn't hurt much just a sore head and stiff neck, of course this is only the first lesson, and that is only the first degree as Miss Harris will understand later on. I don't really know when she will undertake to give the next lesson.

I understand from the road overseer that the "Public Road" in this vicinity has been completed, all culverts and bridges are in, (and hills graded down) and I am requested by one whom it concerns to ask the neighbors to travel same and prevent the possibility of leaving gates open thereby causing unnecessary annoyance.

Mr. Sam Knori was down on Running Water last week.

Rabi. Keel has been hauling posts from here to his place on the divide the past week.

School Notes.

The tenth grade began the study of Latin this week. They also took up beginning geometry.

Mr. J. T. Morris visited the Intermediary room for a short time on Monday afternoon.

Little Johnny Bieser returned to school Monday morning after a week's visit at home on the ranch.

Will Bartlett and Lenley Priddy were visitors in the High School Monday morning.

Basil Guthrie has been absent this week on account of chicken-pox.

The ninth grade have begun the study of Algebra, which study bids fair to be quite a fascinating one to the class.

The High School and Intermediary rooms are laboring under difficulties on account of a lack of text books. We hope however, that this difficulty will soon be obviated as no pupil can be expected to do the best work possible, without text books for his individual use.

To day (Friday) being the last day of the school month, the pupils are busily engaged with examinations.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once is not enough." It is for this same reason that you are told again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these to result in pneumonia, and that it is pleasant and safe to take. Ran a Ten Penny Nail Through His Hand.

While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally after wards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by All Druggists.

Gained Forty Pounds in Thirty Days.

For several months our younger brother had been troubled with indigestion, he tried several remedies but got no benefit from them. We purchased some of Chamberlain's Stomach and Liver Tablets and he commenced taking them, inside of thirty days he had gained forty pounds in flesh. He is now fully recovered. We have a good trade on these Tablets. —HOLLY BROS., Merchants, Long Branch, Mo. For sale by All Druggists.
