Harrison

Nov. 17.

#### \*\*\*\*\*\*\*\*\*\*\*\*\*\* OVER IN WYOMING

\*\*\*\*\*\*\*\*\* Monday, with a light snow.

M lis ranch over on Sage creek.

Mr. W. Brawa's people of Missouri Valley just arrived here last week.

cattle preparatory to dipping them.

John Davis, of Harrison, was on the Ridge Sunday. He brought Ray. Clark

Frank Church and family and Harry Denel and family took dinner at A. ford Monday,

The schools are both in progress on the but is much better at this writing. Rulge. Miss Curtis of Denver teaches John Mecken went to town Monday to Miss Little Harris and Nellie Scott the east school and Miss Melver of have two troublesome molars extracted

Sanday morning his team became up no school in fast. No 3 in that day

ed in the lattle on Loose creek on Oct Jann Mecken, John Spease and Cari M. 31s', camped at Z roB onnen's place Lox ea hith, eshed in the neighborhood of Santay evening Nov. 1st. They said and bushels, and several others had from they were o'v'l enough to said anchory | 1000 to 2000 bu.

Chestron, Nebr., preached to a good and wheat from 15 to 34. An on Mc eracy as feld down is the platforms of congr-gation Sunday. He preached an kem's wheat yielded the latter figure 1 95 at Chicago, and Kansas ity in 1900 interesting sermon. The collection which was the banner wheat crop in the amounted to \$7.50 and subscriptions for valley.

#### Hunter Happenings.

Every one has a bul cold and a cough. Mrs. Christianson went down the road last Priday evening returning Monday

Mr. Cook came over from Agate Monevening, he went to Harrison going back to Agate Wednesday.

Hert Archard went up to his claim northwest of Harrison and stayed a cou- er to Sundry chool. ple of days to build a house. Dick Hovey took his place on the section.

Panzy Jones is on the sick list at this Legord Dout.

## shipped a train load of cattle from here

Bert Archard has made a house in the bank. It is real warm, when you want to line Mr. Archard's place hereafter go southwest of Hunter.

Mr. Ostar Ward and children visited with Schwartz and Christensen from Friday until Monday.

Some stock soliciters were in our town

Walter Smoke came home last Wed iesday. He will stay at home this

Robert Lewis came up from Crawford last Thursday and Salurday he and Frank

Mr. J. R. Hunterhave both left for Holterfield is hanling grain to the Omaha, Harold is staying on the ranch Thomas Jones is able to be around

Andrew Christian is rounding up his gritty. How do the rest of you'get along? We have lots of wind and sand BOUQUET.

#### Carey Items.

J. E. Arner marketed cattle in Craw

Mrs. O. C. Tilley has been quite sick

As Hill Statts was coming to church Monday and in consequence there was

talk and praised the school very much, nobody was hard nor anything broken threshing backen. The yield of grain A band of Indians, who had participate has generally been pretty good. Messes

### Bodarc Gleanings.

#### J. T. Coffee made a trip to running

water last Weinesday. Z. F. Antrim drove a bun hof cattle to Harrison the first of the week for shipment.

An extenson a J. B. Bradley's barn tooms up beight and new. Clearence Roum visited the vailey last

Sunday and accompanied Mr. John Thay- do well to improve where Borge has fait phere the photographs taken by that

snow forcibly reminded us of what to ex- with a third grade certificate will sorn that have been yet observed.

## ALL PEOPLE

Love to buy good goods at the lowest price possible. and the place to do this is at GERLACHS GENERAL STORE.

> In clothing, Gents furnishing, Goods, Boots and Shoes.

We are ready to compete with the world, and the way to prove it, is to give us a trial. "Come and see us any way and be social."

GERLACH'S STORE

first objection, that we can conceive is show whether there was a mistake made that, some of our people have daughters, or not. As for Mr. Burke his interest in that they want to teach as in years rone educational, work has never been queshe, but if Burke were nected these same tioned, and he has testimonnals, from the would be tembers, would have to go to state surper atendents and other educatschool. We want to say right here that sonal men that are approximated more by the records of the county superinterdents inm than to be county, superintendent, flice will show that prior to 1900 there, and labor to a people that are willing to are several teachers that had used three keafs han for doing become but as hopthan wrade contilicates, and were then or the defect is worth more than a mable to pass for a second grade certification of supportation. For we know certificates issued to parties that give that our schools might be kept to then hom a week, and they could not cass on standard of other countries for which we examination in these branches today but feel proud through were defeated. We one of these that his rutings have been hoping that our educational work may to strict, and no doubt the voter thought continue to go up, and that the men so, but he will have time to in resent at that voted for Mr. Borkey may not have his leisure. As for Mr. Burke's ruling to no be ashamed for voting for a man that

We will publish a letter this veck received from Prof. P. Purviance who for four years, beginning in 1899. The letter will explain itself, and we publish. from other counties, and they were no that have attended institute while he some had never taught before but the statement of the work as he from Tin. 18800 and as he left it in 1971.

#### Reflecting Telescopes.

so in the past few years. Mr. Borkey will scopes todicates that in a good atmose len if he wants to hold hes job. We Lick observatory should show as a Mrs H Z miner nan has been visiting could say a great dealabout Mr. Bork ys universe 200 times as great as that rethe past week with her caughter Mrs. competency but as that is not what the vealed by our best refractors. That majority want we will save our ink and in, such an instrument should detect Tuesday with its blustering wind and let experience be the teacher, for a man stars seven times as far away as any
