

Mrs. Rosa Adams, niece of the late General Roger Hanson, C. S. A., wants every woman to know of the wonders accomplished by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKEAM: -- I cannot tell you with pen and ink what good Lydia E. Pinkham's Vegetable Compound did for me, suffering from the ills peculiar to the sex, extreme lassitude and that all gone feeling. I would rise from my bed in the morning feeling more tired than when I went to bed, but before I had used two bottles of Lydia E. Pinkham's Vege-table Compound I becau to feel the housened of my younger days returnto bed, but before I had used two bottles of Lydni P., Pinkinkin's vege-table Con pound, I began to feel the buoyancy of my younger days return-ing, became regular, could do more work and not feel thred than I had ever been able to do before, so I continued to use it until I was restored to perfect health. It is indeed a boon to sick women and I heartily recommend it. Yours very truly, Man Rosa ADAMS, 819 12th St., Louisville, Ky."

Any women who are troubled with irregular or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the wornb, that bearing-down feeling, inflammation of the ovaries, backache, general debility, and nervous prostration, should know there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound. No other medicine for women has received such wide-spread and unqualified indorsement. No other medicine has such a record of female cures.

"DEAR MRS. FINRHAM:- I am very pleased to recommend Lydia E. Pinkham's Vege-table Compound for womb ar varian difficulties from which I have been a sul ever for years. It was the only medicine which was at all beneficial, and within a week after I started to use it, there was a great change in my feelings and looks. I used it for a little over three months, and at the end of that time I suffered no pain at the menstrual period, nor was I troubled with those distressing

period, nor was I troubled with those distressing pains which compelled me to go to bed, and I have not had a headache since. This is nearly a year ago. I always keep a bottle on hand, and take a few doses every week, for I find that it tones up the system and keeps me feeling strong, and I never have that tired out feeling any more. "I certainly think that every woman ought to try this grand medicine, for it would prove its worth. Yours very truly, Miss ELSHE DANFORTH, 200 De Soto St., Memphis, Tenn."
