LAST NOTICE.  
All taxes up to 1903 must be settled at once. In a short time distress warrants will be issued for these taxes.  
CARL M. LUX, County Treasurer.

The Epworth League Social last Friday night was very well attended for this time of the year. All who were present had all they wanted to eat and a general good time too. The Leagers afraid that their supply of food would run short, but after all were filled there was ample left. After supper they all enjoyed themselves playing games, marching and etc. As this will probably be the last social for some time we look forward with pleasure to the next one which will probably be next fall.

John G. Maher was relieved as court reporter last Saturday by Judge Harrington and C. B. Scott, of Kearney, was appointed in his place. The cause assigned for the change was that Mr. Maher was not thought to be in accord with the majority of the democrats or with the Bryan democracy. However, that may be, or might have been, we are not prepared to discuss but he was with Judge Harrington in last fall's campaign and rendered his assistance for the Judge's election. If he has been at fault since that time and deserved calling down by the Judge it seems that some credit should be allowed for John's valiant service as a democrat and his efficiency as a reporter, and a milder form applied than that of taking his position.—Valentine Democrat.
