Dog Exercisers

There are people in London who earn quite respectable livings solely by exercising does, and some of those who so live are ladies. In every suburo and in every London park these esercitors of dogs may be seen each day, and one gentleman alone pays 15s, a week for the walking out of his valu ble buildogs, the young fellow who undertakes the job having quite a dozen other employers besides.

Emperor Confers Orders.

The interest that has been taken by Emperor William in the development of the Harvard Germanic Museum has just beer shown snew by the conferriag upon Prof. Kuno Francie, curstor of the mu eum, of the Imperial Order of the Red Eagle. will find by inquiry that in the schools their children attend, Webster's is the Dictionary by which they are trained, and that their schoolbooks conform to this same authority. Is it not best to have the same Dictionary in the home?

The constantly increasing sale of Webster's International Dictionary proves that parents are wisely folowing the above suggestion.
