Senator Black, of Kearney was in the city last evening looking over the political situation. The Senator will make the race again this fall if the republicans in both counties are united for him. The Senator is not particular however. He says that he would gladly give way to a Shermen county man this year, and insured us of the hearty support of Buffalo county. The NORTH-WESTERN would be pleased to support a Sherman county man this year, but owing to the fact that we know of no one who wants to make the race, and that Mr. Black has served us well, we believe that we voice the sentime at of the republicans of Sherman county when we say, give Mr. Black the nomination by acclamation.
