Major McKinley had nearly fifty
thousand people visit him at his
home in Canton, Ohio last week.
This week the number of callers
will greatly exceed that of last week.
Already he has received and ad-
dressed two delegations this week
of five thousand each and several
others numbering from five hundred
to two thousand each. This is said
to be the busiest week for McKinley
since his nomination. Friday (to-
day) the greatest republican meet-
ing of the campaign will be held. Speech-
es will be made by Senators Cullen
and Thurston, by Gov. Hastings of
Pennsylvania and Congressman Mc-
Clary of Minnesota. Delegations
from nearly every county in Ohio
are expected in Canton on this oc-
casión, and large numbers of visitors
are coming from West Virginia, Ken-
tucky, Indiana and Michigan. Ar-
rangements for the accommodation
of 40,000 visitors are being made.

John R. Baker is in the city look-
ing after his book canvassing busi-
ness. Mr. Baker has a very fine
collection of books but the hard times
has made it almost impossible to
make sales. One of the books
which he is making a specialty on is
entitled "The Great Campaign of
1896," giving a complete history of
the parties. Leaders, various 1896
political conventions. The book
contains 100 half tone pictures of
the candidates for national office
and prominent leaders of the differ-
ent parties, and has a great deal of
useful and instructive information.
It is well bound and sells for only
one dollar. Any one wanting to
purchase one may leave order at
this office and it will be promptly
attended to.

Judge Wall was nominated at the
Ravenna Senatorial district con-
vention last Saturday. The Judge, if
elected, will make one of the best
senators it has been the good fortune
of this district to secure for many
years. In point of ability he is far
ahead of his opponent that no one
should hesitate for a minute which
candidate to vote for.

William Jennings Bryan was to
address the Union Labor people at
Chicago one day last week. The
hall in which he was to speak cost
\$25 rent for the occasion. This sum
he tried to raise by charging five
cents admission. The result was
that he did not get a crowd and the
meeting was given up. Doubtless
some of these fellows had been read-
ing Bryan's speeches and concluded
that five cents was too much.

It is with some feeling of pride
that we note the selection of W. H.
Conger, by the republicans of this
county as a candidate for representa-
tive. No man never need be ashamed
of his vote if cast for Mr. Brown.
He is one of Sherman County's best
citizens, and an honorable, intelligent
and able man. We predict his elec-
tion over his opponent J. M. Snyder
by a handsome majority.

For county attorney the republi-
cans of this county have selected W.
H. Conger, a man of ability and con-
siderable experience. He has been
a law student ever since he located
in Sherman county. He has served
as two terms as state senator. For
several years past he has occupied
the position of Justice of this place
and in that capacity has given the
best of satisfaction.

W. L. Greene was not content
with trying to throw Hon. E. A.
Cady off the track by issuing a chal-
lenge to him to ignore the issues of
the campaign and discuss the money
question only, but he actually tried
to steal half of Burke Cochran's time
at Omaha. Greene is not relying on
his own ability to meet the issue, but
instead is resorting to the cunning
trick of trying to kill the time of
the opposing speaker. Although
there are a great many other issues
in this campaign Mr. Greene's only
hobby is the silver question. He
hates the tariff and reciprocity issues
worse than a christian hates the
devil, and you cannot get him with-
in one hundred yards of Cady if he
thinks the latter has a tariff gun in
his hand.

The republicans of Sherman County
met in convention last Saturday
pursuant to call of the chairman of
the county central committee, M. H.

The little five-year-old son of one
of the university professors has not
many years to boast of, but the re-
cently displayed a good deal of
sound judgement. His mother had
made him a new coat and trimmed it
with silver buttons some of which
had been placed upon the back of
the garment. When the little fel-
low was shown the coat for the first
time he puckered his mouth and said
in a half tearful fashion, "Mamma,
I can't wear that coat; it's a Bryan
coat." The mother was astonished
and asked the boy his reason for his
queer expression as the politics had
never been much discussed before
him. It's got silver buttons on and
Bryan's for silver and I won't wear it."

The only way the child was pacified
was by purchasing him a McKinley
badge. When he had it pinned
on his coat front he placidly remark-
ed: "Now Bryan's behind and
McKinley's in front, isn't he.—

THE BEST SPRING MEDICINE

Is SIMMONS LIVER REGULATOR—don't
forget to take it. The Liver gets sluggish
during the Winter, just like all nature,
and the system becomes choked up by
the accumulated waste, which brings on
Malaria, Fever and Ague and Rheumatism.
You want to wake up your Liver
now, but be sure you take SIMMONS
LIVER REGULATOR to do it. It also
regulates the Liver—keeps it properly at
work, when your system will be free from
poison and the whole body invigorated.
You get THE BEST BLOOD when
your system is in A1 condition, and that
will only be when the Liver is kept active.
Try a Liver Remedy once and note the
difference. But take only SIMMONS
LIVER REGULATOR—it is SIMMONS
LIVER REGULATOR which makes the
difference. Take it in powder or in liquid
already prepared, or make a tea of the
powder; but take SIMMONS LIVER REGU-
LATOR. You'll find the RED Z on every
package. Look for it.
J. H. Zeilin & Co., Philadelphia, Pa.

A. L. Wooster, a prominent citizen
of Osseo, Mich., after suffering exeru-
catingly from piles for twenty years,
was cured in a short time by using
DeWitt's Witch Hazel Salve, an abso-
lute cure for all skin diseases. More of
this preparation is used than all others
combined.—Odendahl Bros.

Young mothers dread the summer
months on account of the great mortal-
ity among children caused by bowel
troubles. Perfect safety may be assur-
ed those who keep on hand DeWitt's
Gelle & Cholera cure, and administer
it promptly. For cramps, bilious colic,
dysentery and diarrhoea, it affords in-
stant relief.—Odendahl Bros.

Wake up your liver with at twenty-
five cent package of Simmons Liver
Regulator—enough to wake up the
liver of the whole family. A dose a
day is enough, and a small one at that,
but it will do the work well and with-
out discomfort. It is the Best Blood
and Best Spring Medicine. It is the
sluggish liver that clogs the system
and poisons the blood. Wake up the
liver. J. H. Zeilin & Co., Philadelphia,

A RED-HOT CAMPAIGN.

The present campaign will be the
most exciting one fought out since the
war. There will not be a day when
something of unusual interest will not
transpire. The State Journal has made
up its mind to surpass all its former
efforts in the direction of news-giving,
and will give its readers the most com-
plete detail of the campaign, giving all
the news from an unbiased standpoint.
Republicans will want The Journal be-
cause of its staunch republican prin-
ciples, it being recognized as the stand-
ard-bearer of the great republican party
of Nebraska. Populists and Democrats
should read it for the news it gives.
The Semi-Weekly Journal will go to
thousands of new homes during the
campaign. You should subscribe, as it
will only cost you 25 cents from now
until November 15. Two papers every
week, making it almost as good as a
daily. Subscribe through your postmas-
ter or send your order to The State
