IMPORTANT NOTICE TO THE FARMERS OF Sherman and Adjoining Counties.

While the Farmers Union Insurance Company has established an office at Lincoln, the company will also continue an office in Grand Island which will be in charge of Secretary Wiese. General manager Brownfield will divide his time between the two offices. This will afford all the conveniences and advantages heretofore enjoyed by the members and patrons of this popular old company, and all old members, who left the company in 1892 and insured in other companies, no matter what company they may have insured in, can now be re-instated to their former policy by paying ONLY ONE DOLLAR and a small assessment for six months in advance, this carries a member for six months before another assessment is made. Farmers do not be bulldozed by agents of old line companies into deserting the Union and insuring in their companies and paying double the rate necessary five years in advance. Eleven years of liberal adjustments and prompt payment of every loss sustained by fire, lightning cyclone and tornado, has proven beyond a doubt that the old Union Insurance company furnishes the safest and most reliable insurance and AT ONE HALF THE COST OF OLD LINE COMPANIES. When an agent of an old line company seeks to destroy your confidence in, or keep you out of the Union, and by false statements and misrepresentations or the guise of friendship advises you to insure in his company, just remember he gets from one-fourth to nearly one-third of the whole amount charged for his policy. Suppose a policy with his Co. costs you forty dollars for securing your patronage and writing your application, and all this the farmer must pay with eight cent corn or other products equally as cheap. Why should not their products correspond in price with yours. The people need insurance more in hard times than they do in good, but there is no need in paying double what it is worth. Drop the Union a card or call at their office in Grand Island and join the Union and secure the best and safest insurance in existence at cost. "A dollar saved is a dollar earned." E. MUNN, Agent. Hazard, Neb.

Cheerfulness bears the same friendly regard to the mind as to the body. It banishes all anxious care and discontent, soothes and composes the passions and keeps them in a perpetual calm.

The toothpicks of orange wood, which come from Japan, are made by hand. It is said that a Japanese workman can whittle from 12 to 20 dozen a day.

A MAP OF THE UNITED STATES. The new wall map issued by the Burlington Route is three feet four inches wide by four feet long; is printed in six colors; is mounted on rollers; shows every state, county, important town and railroad in the Union, and forms a very desirable and useful adjunct to any household or business establishment. Purchased in lots of 5,000 the maps cost the Burlington Route nearly 20 cents apiece, but on receipt of 15 cents in stamps or coin the undersigned will be pleased to send you one. Write immediately, as the supply is limited. J. Francis, G. P. A., Burlington Route, Omaha, Neb.

To Omaha, Chicago and points in Iowa and Illinois, the Union Pacific in connection with the C. & N. W. R. R. offers the best service and the fastest time. Odendahl Bros. A torpid liver means a bad complexion, bad breath, indigestion and frequent headaches. To avoid such companions take DeWitt's early Risers, the famous little pills. Odendahl Bros.
