# "AS IT IS."

Responsible republican leaders are well aware that the greatest obstacle the upright and straightforward politicians in their party have had to conpresent conducted.

It would seem to be peculiarly the organ of petty and personal malice and it is well known that some of its most frequent contributors are to be found among the pretended friends of reform list principles as enunciated in their office. who dodge behind George's ample former populist platform, and beskirts, to hurl their javelins at those belivers in the Omaha platform, whom they are unable to control. It is also observed that it receives some little sustenance in the form of legal notices, from those whom, were it loyal to the to the NORTHWESTERN, which came republican party it would be expected to try to chastise .-- Times-Independent.

Under the above heading appeared an article in the Times-Independent of last week from which we extract the above.
