Chas. Reidel returned last Tuesday from a two weeks trip to Springfield, Illinois where he went in company with eleven other Nebraskians with two carloads of Nebraska products to exhibit at the Illinois state fair. Among the collections were some from Sherman county. Mr. Reidel returns with nothing but good words for Nebraska. He says that her products were clearly in the lead of every thing in the product line on exhibition. In speaking of potatoes Mr. Reidel said that as compared with the other samples at the Fair the Nebraska exhibit was emmense. Mr. Reidel was offered by a farmer living seventeen miles from the city a dollar to swipe a potato out of the basket and give it to him for seed. Mr. Reidel told him that he could not do it, but to come around after the fair was over and he would give him one. The fellow made an extra trip to town after the potato. Mr. Reidel returns home better satisfied than ever with Nebraska, and says that without a doubt she is the lead both in point of yield and quality.

The republican judicial committee, W. R. Mellor, Sherman county, S. L. Cannon, Custer county, N. P. McDonald Buffalo county and Judge Wall, proxy for Dawson county, met at Loup City last Monday for the purpose of placing in nomination, as per order of the convention, a candidate for district judge to take the place of Simon Cameron, resigned. The meeting was called together by telegram, and was presided over by A. P. Culley, of our city, who stated that if Mr. Cameron did not desire to make the fight, he (Mr. Culley) would. These telegrams brought out Mr. Gaslin as a candidate who also announced his willingness to run. A. P. Culley, upon learning that Mr. Gaslin had also consented to make the fight addressed a letter of withdrawal to the committee, stating that as Gaslin desired it he would willing give away. The matter was thus settled and Judge Gaslin was duly named as the regular nominee for district judge. Mr. Cameron's withdrawal will soon be officially made and the certificate of nomination of William Gaslin substituted. The Judge has presided over this district for seventeen years and has been acknowledged to be the best judge we ever had. He held the first term of court ever held in Sherman county, in 1870.

What George Thinks of John.

LEAD, SOUTH DAKOTA, Oct. 11, 1897. EDITOR NORTHWESTERN.

DEAR SIR—I notice in your great family magazine, which I received yesterday, that your humble servant is sick and not able to work. Well I had a bad dose of cholera morbus, but like the measles when I was a small boy I got over it and am still in the ring. Politically, Mr. Editor, I want to say that the republicans of old Sherman have for once at least done themselves proud. The ticket as published by you could not be beat. Your convention must have been inspired with a sense of duty to the people. For my politics you can "read between the lines" if you wish, but just such men as J. L. Hopper I am looking for to cast my ballots, and I believe when the ballots are counted this fall in old Sherman that you will discover that the populist know when it will pay them to split their ticket and that "our John" will be counted in as he should be. I would like to be there to vote for the whole ticket and John in particular, but fear I cannot. But I do believe that my populist friends will cast their vote right when they have the opportunity to honor men of such sterling qualities as Mr. Hopper.

Business is very good up here, also the weather, this is said to be the finest fall ever known in the Hills; no snow yet, though it has been looked for for a month past.

Three Finlanders were killed in the mines here the last week. They average about two or three in the Homestead group. Hurrah for Hopper!

Yours & Co. G. H. GINSON.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Try treatment before it is too late. Urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kitchner's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to urinate and leading pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail.
