Official Paper Sherman County

Every pop paper in the state jumped straddle of the supreme courts neck with a scalping knife in each hand when Moore was liberated by a decision handed down by the republican part of that body, and not concurred in by Judge Sullivan the populist member. We felt ourselves that Moore was receiving what he did not deserve, after he had confessed to keeping the money that belonged to the state, and they (the pop papers) asked, how long it would be until the arch thief Bartley, would be set free by the republican supreme court. They reckoned without their host. Last Friday their own, the apple of their eye, Judge Sullivan, the immaculate pop with a halo, declares and makes known, that Bartley was wrongly prosecuted and should have a new trial. We believe that the republicans did wrong in setting Moore free and said so, and now await the echoes from popdom, at the action of their infallible.

FOR SALE AT T. L. PILGER'S

I desire to attest to the merits of Chamberlain's Cough Remedy as one of the most valuable and efficient preparations on the market. It broke an exceedingly dangerous cough for me in 24 hours, and in gratitude therefor, I desire to inform you that I will never be without it and you should feel proud of the high esteem in which your Remedies are held by people in general. It is the one remedy among ten thousand. Success to it.—O. R. Downey, Editor Democrat, Albion, Ind. for sale by Odendahl Bro's

We are anxious to do a little good in this world and can think of no pleasant or better way to do it than by recommending One Minute Cough Cure as a preventative of pneumonia, consumption and other serious lung troubles that follow neglected colds. Sold by Odendahl Bro's.

Don't annoy others by your coughing and risk your life by neglecting a cold. One Minute Cough Cure cures coughs, colds, croup, grippe and all throat and lung troubles.

Mrs. Stark, Pleasant Ridge, O., says, after two doctors gave up my boy to die, I saved him from croup by using One Minute Cough Cure. It is the quickest and most certain remedy for coughs, colds and all throat and lung troubles.—Odendahl Bro's.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Two frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fails every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to urinate and itching pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes the unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail, on receipt of three two cent stamps to cover cost of postage on the bottle. Mention the NORTHWESTERN and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer.

A thrill of terror is experienced when a brassy cough or croup sounds through the house at night. But the terror soon changes to relief after One Minute Cough Cure has been administered, safe and harmless for children. Sold by Odendahl Bro's.

HAS RECEIVED ANOTHER LARGE INVOICE OF

NEW SPRING GOODS

AND YOU SHOULD NOT FAIL TO CALL AND SEE THEM. I HAVE THE LARGEST AND FINEST ASSORTMENT OF

Trunks and Valices Ever

BROUGHT TO THE MIDDLE LOUP VALLEY.

Our trade is steadily increasing and it is flattering evidence to us that our new plan of hammering down the prices is appreciated by the public, and by adding largely to our stock, many articles heretofore sold in other stores for high prices, and selling them on a very close margin, we are gradually building up a business that is highly satisfactory. We have a mammoth stock of Dry Goods, Boots, Shoes, Hats, Caps, and Notions, all new spring goods, but we do not believe in selling them on large profits to make up for a sacrifice in some other department, because we find that we can do more business on close margin than on large profits, and a large volume of business will give us good interest on our investment. Don't go by our store if you want a bargain in a Trunk or Valice or in fact anything to put in it. We are here to do business and have employed the aid of low prices in every department to assist us. Come in and see our goods and learn our prices when you visit the county seat. Remember the place,
