KLONDIKE
What does it cost to get there? When and how should one go? What should one take? Where are the mines? How much have they produced? Is work plentiful? What wages are paid? Is living expensive? What are one's chances of making a strike??
Complete and satisfactory replies to the above questions will be found in the Burlington Routes Klondike Folder Now ready for distribution. Sixteen pages of practical information and an up-to-date map of Alaska and the Klondike. Free at Burlington Route ticket offices, or sent on receipt of four cents in stamps by J. MONTHLY SUFFERING.
Thousands of women are troubled at monthly intervals with pains in the head, back, breasts, shoulders, sides hips and limbs. But they need not suffer.
These pains are symptoms of dangerous derangements that can be corrected. The menstrual function should operate painlessly.
McELREE'S Wine of Cardui
makes menstruation painless, and regular. It puts the delicate menstrual organs in condition to do their work properly. And that stops all this pain. Why will any woman suffer month after month when Wine of Cardui will relieve her? It costs \$1.00 at the drug store. Why don't you get a bottle to-day?
For advice, in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.
Mrs. ROZENA LEWIS, of Gonzales, Texas, says: "I was troubled at monthly intervals with terrible pains in my head and back, but have been entirely relieved by Wine of Cardui."
