He says that he has set out 8,000 forest and 1,600 fruit trees. The Rev. W. H. Weaver, pastor of the U. B. Dorsey, who occupies the Chapin stock farm, made this office a friendly call Tuesday and when we asked him for news in his neighborhood reported that he had taken some turkeys of a neighbor to care for, for one half of the increase. Latest advices from Austin, confirms Captain Winkelman's denial that he ever drilled the Austin regulars, but that Capt. Wilson and Col. Wox were at the head of that organization. We make the correction because we want to report things just as they are, and because Capt. Winkelman wants it distinctly understood that he did not train that crowd, and says he would be ashamed to have done so. The Loup City Cornet Band, serenaded the town to "the Queens taste" last Saturday night. It was a damp dreary evening, so the boys concluded that instead of occupying the band stand they would "take in" the business houses or as many of them as they could in one evening. They started in with Conhiser & Co., where they played and smoked, then they assaulted J. H. Travis, where they smoked and played, then they counter marched to the Drug store of Odendahl Bros. where they played, from there they went to the miscellaneous emporium of J. Phil Jaeger, where they played and smoked and then played on account of the dispatches that had just been received from the seat of war by the NORTHWESTERN they very creditably rendered "Gomez marching on Havana," and "The skedaddle of the Spaniards from Cabañas," after which they sheathed their horns until next Saturday night when they expect to finish up the job.

SAD ACCOUNT OF SUICIDE. The people of Loup City were sadly surprised yesterday afternoon when they learned that a telegram had been received here from Ashton, Neb. and directed to the county coroner, Dr. J. W. Jones, stating that W. A. Wilson, post master at that place had shot himself and to come and hold an inquest over his body. Dr. Jones was unable to go, having recently met with a severe accident which confines him to the house, but Sheriff Patton acted in his place. The facts, as near as we have been able to ascertain, are that Mr. Wilson appeared in his usual good spirits right up to the time of his tragic death. About 10, a. m., he went to the Hardware store of Thos. Jamrog and purchased a new 38 caliber revolver and a box of cartridges. From there he went to the post office. Wm. Dunker, his assistant, was sitting in the front part of the post office at the time near the window reading a newspaper. Mr. Wilson walked behind the delivery boxes where he seated himself beside a table. From all appearances he took a single cartridge from the box and placed it in the revolver and in ten minutes from the time he entered the office the fatal shot was fired. The ball entered the left ear and came out above the right ear. Mr. Wilson was a very influential and prosperous farmer. He was well liked by all who knew him. He was a member in good standing in both the M. W. A. and A. O. U. W. lodges and carried an insurance of \$2,000 in each. He was elected county treasurer of Sherman county in 1881 in which capacity he served for two terms. Mr. Wilson was a very successful farmer and last year he and his sons farmed 800 acres from which they realized good returns. He was a man 55 years of age at the time of his death. He has been noticed of late to be ill in mind and body but nothing serious was thought to be the matter. The night before he had two spasms but the next day seemed in usual good health, was at the train as usual for his mail and joke with acquaintances. Funeral services will be held to-day and his remains will be taken to Wisconsin for burial. The inquest was held yesterday at 5 o'clock p. m. and the jury brought in a verdict of suicide, caused from insanity. He leaves a wife and several children to mourn his sudden death. DIED.—Katherine C. King died at her home in Arcadia on Thursday, April 28, 1898. She was born in Bucks Co., Pennsylvania, June 22, 1807 and was 90 years, 10 months and 28 days old. Mrs. King moved to Nebraska July 1, 1881. Has resided in Nebraska 18 years and leaves a husband and a large circle of friends to mourn her loss. As Mr. King who is quite old and feeble has decided to spend the rest of his days at Loup City the remains were laid to rest in the Evergreen cemetery. Following is some verses handed in for publication. In Loving Remembrance of Mrs. Katharine King. A precious one from us is gone. A voice we loved is stilled. A place is vacant in our hearts. Which never can be filled. God in his wisdom has recalled. The boon his love had given; And though the body slumbers now. The soul is safe in Heaven. Call not back the dear departed. Anchored safe where storms are o'er. On the border land we left her. Soon to meet to part no more. Far beyond this world of changes. Far beyond this world of care. We shall find one missing loved one. In our Father's mansion fair. Asleep in Jesus, blessed sleep. From which none ever wakes to weep. A calm and undisturbed repose. Unbroken by the loss of foes. Asleep in Jesus far from Thee. Thy kindred and their groves may be. But thine is still a blessed sleep. From which none ever wakes to weep. Mrs. J. M. RENTFROW. Tender Their Sympathies. The following resolutions were adopted by the Ladies of the G. A. R. at their regular meeting soon after the death of Mrs. Kuehnz. RESOLUTIONS. In these days have been issued nearly 500,000 pamphlets, more than one third of all the papers read in the world. She doctored for it nearly all of this time using various remedies recommended by our friends, and was treated by the physicians, but received no relief. She then used one and a half bottles of Chamberlain's Pain Balm, which effected a complete cure. This is published at her request, as she wants others similarly afflicted to know what cured her. The 25 and 50 cent sizes for sale by Odendahl Bros. Sanford Dodge appeared at the opera house in this city, last Tuesday evening in the historic play "Richard the III" under the auspices of the K. of P. lodge. The house was crowded from stage to rear, and the play was rendered by Mr. Dodge, and his excellent company in a manner that left very little to be criticized. This is the heaviest piece ever put on the boards in this town, and from the liberal patronage it received by the theater going people of this vicinity we hope the K. of P. lodge will be encouraged to engage other first class troupes to visit our town. There was an extra train run from Arcadia, bringing 61 persons from there. Last Friday afternoon while A. Sutton was driving about thirty head of cattle across the Loup River bridge the first two spans at the north end gave way and all went down. Some of the cattle were hurt but only one killed. The two spans were completely torn to pieces in the fall and will have to be rebuilt entirely new. Several of the supervisors were in town last Monday and discussed the matter of rebuilding, and we understand that the work will commence soon. People who want to come to the county seat are put to a great inconvenience, but to better facilitate matters our merchants have put on teams to haul the people to and from the bridge.
