That "Reform" school land ma-
nipulation by the populist state offi-
cials will cost them enough votes to
defeat them this fall or indica-
tions are deceitful.

One report has it that T. S. Night-
ingale, the populist nominee for
county attorney held a very success-
ful and enthusiastic meeting at Ash-
ton, last week.

The populist voters in this county
seem to be doing more thinking than
shouting this fall. Loud mouthed
traitors and unprincipled dema-
gogues are going to reap their re-
ward pretty soon.

The populist leaders will discover
this fall that the time has come when
they cant "fool all of the people
some of the time," nor "some of the
people all of the time," any more.
The signs of the times indicate that
the majority of the voters in Neb-
raska, are tired of being fooled.

There seems to be a large sized
boom in the third supervisor district
for the republican candidate, D. D.
Grow, and all indications at present
point to his election. No body has
the interest of Sherman county at
heart more than Mr. Grow. He is a
gentleman of large experience in
county matters having occupied the
position of county clerk.

The nominee for representative on
the republican ticket, Lewis Bech-
thold is a man of good sound judg-
ment and sterling business ability.
As Supervisor of this Loup City
township he has made a record that
meets the approval of his constitu-
ency. The interest of the township
and county has been carefully guard-
ed. If elected to the legislature he
may be depended upon to represent
us in the same careful and guarded
manner. Give Mr. Bechthold your
vote and thereby show your appre-
ciation for his valuable services ren-
dered in the past.

All lovers of peace should vote for
W. H. Conger. One of Mr. Conger's
chief qualifications and which
especially fits him for the office of
county attorney is his wonderful a-
bility to get little petty quarrels set-
tled without litigation, thereby sav-
ing expense to all parties concerned.
There is perhaps no man in the coun-
ty who is more of a peace maker
than Mr. Conger. As Justice of the
peace he has been known to get
many cases settled without incurring
much expense to the litigants, and
often has succeeded in effecting a set-
tlement between the parties before
the case had actually been commen-
ced thereby cheating himself out of
the fee which he could have other-
wise obtained. Mr. Conger has al-
ways been known to be self sacrifi-
cing, whenever, by so doing it

would revert to someone else's good.
As county attorney he may be de-
pendent upon for wise judgment and
counsel in all important cases and to
keep the county from plunging into
trifling and petty law suits. Vote
for him and he will do you good.

A circular letter is being distri-
buted by a few would be populist
leaders in this community who are
as unscrupulous as the whelps of
satan that begot it. It is purport-
ing to come from a republican com-
mittee but fails to sign a solitary
name, it seeks to delude but its clo-
ven foot is aperient, it sets forth the
facts that the said republican com-
mittee wishes to inform the republi-
can voters of this state that Hon.
George A. Murphy, candidate for
lieutenant-governor on the republican
ticket is a "Venal Vampire" and that
if such men are tried to be forced
upon the people that they should be
defeated by republican votes, all of
which republicans should remember
is a scheme which the state house
gaug have evolved from their pesti-
lential brain for the purpose of at
least saving one of their number
from a much deserved defeat this
fall.

A second circular letter is being
sent to old soldiers telling them W.
L. Greene, had introduced the most
favorable bills in congress for their
relief of any that has been introduc-
ed since he has been misrepresenting
this district. All this is for the
purpose of catching the unwary, but
there is little doubt but that it will
only cause the luke warm to wake up
to the fact that men who are rotten
enough to resort to such underhand-
ed chicanery at the last minute be-
fore election would hesitate at noth-
ing after they were elected. Bill
Green the friend of the soldier! why
there are very few old vets in the
state but that knows that he was a
member of the Knights of the Gold-
en Circle during the rebellion, and
that he used every means in his pow-
er to destroy this union, and from
the continual tirade of abuse he has
sought to heap upon this govern-
ment all through his useless life his
rebel heart has never relented and
he seems to still foster the same
spirit that he did when he was glory-
ing over the assassination of our
martyred Lincoln, and now he has
the gaul to undertake to pose as a
"Lincoln Republican." Gau! and
wormwood! You will get your dues
copperheads when you have to swal-
low it.—Read the letter below.

Geo. E. Benschoter, Esq.,
Lincoln, Nebr.

DEAR SIR—I beg to acknowledge
receipt of your letter of the 29th and
thank you for so promptly furnish-
ing the circular which you enclosed
therein. You may rest assured
that our committee were surprised
at the existence of such a document,
and we will punish the guilty parties
severely if we can locate them.

It is one of the most dastardly
outrages that was ever perpetrated
upon a political committee and candi-
date, in this state, of any party.
This only shows, however, how des-
perate the opposition are and how
fearful they are of defeat.

Yours truly
R. B. Schneider,
Chairman.

The above letter was received from
Mr. R. B. Schneider, Chairman of
Republican State Central Committee,
and refers to the circular letter above
spoken of, a copy of which we pro-
cured from a republican who had
been presented with the same by
Mr. Geo. Lee.

Where there is no enthusiasm a-
mong the people belonging to a party
there is naturally some dissatisfaction.
When thinking men become
cool toward a cause it is supposed
that they have discovered an Afri-
can in the wood pile. Such seems to
be the case with the peoples party
in this county. The party leaders
have not fulfilled their promises to
the people in a single instance and
the party papers have so flagrant-
ly misrepresented every issue that a
man though a fool could not see
therein. When honesty departs
from the leading men of a party the
voters of that party soon find it out.

SOUTH SIDE PUBLIC SQUARE.

Loup City, : Neb.

It is very important that we elect
a man for senator in this senatorial
district who is a tower of strength in
himself, and who does not have to
resort to fusion and corruption to
gain strength. It is known by all
that Mr. Miller, the populist candi-
date for senator did succeed in get-
ting his name on the democratic bal-
lot of this county by rotten and con-
temptible scheming with the pops
who held a caucus in Logg & Mathe-
w's back room, and against the will
of the democrats of this district.
That they styled this meeting a dem-
ocratic senatorial convention, and
therefore filed a certificate with the
county clerk and ordered his name
printed on the official and sample
democratic ticket. Therefore if you
see the name of James E. Miller, for
senator on the democratic ticket re-
member that he stole the election
and should be punished in ac-
cordance with the crime and at the
discretion of the voters.

A just punishment would be to
give his opponent, Hon. Phil Bessor,
and republican nominee for this of-
fice an overwhelming majority. Mr.
Bessor is a tower of strength in him-
self and is going to risk his elec-
tion on the republican ticket, upon
the republican platform and the sin-
gle combination by the republican
party. Vote for Mr. Bessor.

I think Bessor's which stand against
the best preparation on the ground, for
the purpose of winning the U. S. Senate, of
the W. Va. The if and you will only see
the same. I also curra recessed and all skin
diseases.—Obendahl Bros.
