

SPRING OPENING AT THE BARGAIN STORE

THURSDAY, MARCH 30th, 1899.

WE DON'T EXPECT YOUR PATRONAGE UNLESS YOU DESIRE IT,
AND WE ARE NOT GOING TO TRY TO CONVINCING YOU THAT

we desire it by talking to you either over the counter or through our advertisements. We shall try to convince you of the fact by offering such values that you will be convinced, even against your will, if you are prejudiced. But we don't think you are. We believe every person in Sherman county is guided by common sense, not sentiment, in buying, and that each goes where they think they can buy cheapest. In our opinion that's why the majority patronize this store.

We have studied the ticket and discount schemes worked by every merchant and find none of them very satisfactory, so after the above date we shall try to hold our trade by such prices as are quoted instead of tickets.
